'An essential addition to your library' Russell Norman 'A genuine ode, written with style and substance in equal measure' Gill Meller 'A joy filled double whammy. Great drinks require as much artistry as food and this book proves the case mightily.' Jeremy Lee Vermouth is currently experiencing a revival, and we can't seem to get enough of it. In *A Spirited Guide to Vermouth*, Jack Adair Bevan celebrates this versatile drink and its botanicals, drawing out vermouth's history and its delicate herbal flavours with recipes for cocktails, and some food to accompany them. As an award-winning food and drink writer, and one of the first restaurateurs to make his own vermouth, Jack Adair Bevan is the perfect guide through vermouth's rich history and recent resurgence. As well as Jack's original recipes, *A Spirited Guide to Vermouth* also contains recipes contributed from the likes of Russell Norman, Olia Hercules, Gill Meller and Jeremy Lee. With

cocktails ranging from a Toasted Nut Boulevardier to a Perfect Manhattan, and from a Blood Orange Vermouth and Tonic to a Rosemary Bijou, the book also has dedicated sections exploring classics such as the Martini and the Negroni. This book will take you on a botanical journey of discovery and teach you not only how to make your own vermouth, but also how to use it in your cooking, from vermouth-braised red cabbage to Negroni Bara Brith, along with plenty of food and drink recipes to accompany the aperitivo hour.

The Maha-Vairocana-Abhisambodhi Tantra Moon Travel

The best financial planner Michelle Singletary ever knew was Big Mama, her grandmother. Big Mama raised Michelle and her four brothers and sisters on a salary that never reached more than \$13,000 a year. Yet at her death, Big Mama owned her own home, had paid off a car loan, and had a beautiful collection of Sunday-go-to-meeting church hats and a savings account that supplemented her Social Security check and small pension. Most important, she had taught Michelle “7 Money Mantras for a Richer Life.” Those mantras serve as the inspiration for this straight-talking book of practical personal financial advice that really works. The 7 Money Mantras

are: 1. If it's on your ass, it's not an asset! 2. Is this a need or is it a want? 3. Sweat the small stuff. 4. Cash is better than credit. 5. Keep it simple. 6. Priorities lead to prosperity. 7. Enough is enough. Michelle Singletary is a syndicated columnist for The Washington Post whose popular personal finance column appears in more than 120 newspapers. She's also a mother of three children who understands what it's like to live on a budget. In a plainspoken, sassy, no-nonsense voice, Michelle provides answers to the financial issues that confront almost every household: how to teach children the value of money; how to address money issues in a relationship or marriage; household saving tips; getting the best loans; and much more. “This book is about saving enough money to have choices,” she writes. “It's about feeling free to be cheap if you can't afford to buy a ton of gifts at Christmas. It's about eliminating wasteful spend-ing so you can begin to save and invest. It's full of uncommon commonsense lessons and guidance on the way people should use their money.” With humor and down-home financial wisdom, Michelle Singletary offers practical and realistic advice that will help you live well with the money you have. Michelle Singletary on . . . Romance and Money “It's okay to say: ‘Honey, I love you and everything, but if you need money,

ask your mama.” Credit Cards “We are minimizing our financial potential by making minimum credit-card payments.” Car Buying “If you want to save money, keep your car until you’re on a first-name basis with the local tow-truck drivers.” Leasing a Car “You, too, can drive a car you can’t afford and then have to give it back. It’s crazy.” Gift Giving “Generosity isn’t about how much you spend. It’s about how much thought you put into the gift.” Penny Pinching “I once bought a stick-shift car because it was \$1,000 cheaper than the automatic in the same model. There was just one little problem. I couldn’t drive a stick-shift. But at least I saved \$1,000!”

The cult of the Kanphata Yogis is a definite unit within Hinduism, and its study is essential for understanding this phase of the religious life of India. In analysing the different aspects of this cult the author has drawn upon various sources, such as the legends, folk-lore and the formulated texts of this sect. The book is divided into three sections. The first two sections comprising chapters 1-13 deal with the cult and history of this sect. The third section containing chapters 14-16 opens with the Sanskrit Text Goraksasataka and its English rendering and annotations. It proceeds with the analysis of physiological concepts, chief aims and methods and then comes to conclusion. The subject matter of this study has been so arranged that the first two sections serve to illustrate the third. The book is fully documented. It has a Preface, Glossary, Bibliography, Plates and General Index.

Ray Shipworth’s life plan was clear: marry his girlfriend after serving his country. From boot camp to the unforgiving front line, Ray faces challenges that shatter his worldview and threaten his identity. In this high-stakes arena, he’s tested in unexpected ways. Leo Lightfoot, daughter of Ray’s cross-country coach, is an outsider yearning for more. Just as she’s on the cusp of graduating and starting college, everything she believes to be true is put into question. With shared beginnings and divergent paths, two wounded souls return to their childhood home in rural Oklahoma. The trauma of recent experiences threatens to derail them. Can their reunion allow them to heal? Or will their attempts to help each other leave them more broken than before?

Bestselling author Julianna Baggott presents the second volume in her new post-apocalyptic, dystopian thriller trilogy. We want our son returned. This girl is proof that we can save you all. If you ignore our plea, we will kill our hostages one at a time. To be a Pure is to be perfect, untouched by Detonations that scarred the earth, and sheltered inside the paradise that is the Dome. But Partridge escaped to the outside world, where Wretches struggle to survive amid smoke and ash. Now, at the command of Partridge's father, the Dome is unleashing nightmare after nightmare upon the Wretches in an effort to get him back. At Partridge's side is a small band of those united against the Dome: Lyda, the warrior; Bradwell, the revolutionary; El Capitan, the guard; and Pressia, the young woman whose mysterious past ties her to Partridge in ways she never could have imagined. Long ago a plan was hatched that could mean the earth's ultimate doom. Now only Partridge and Pressia can set things right. To save millions of innocent lives, Partridge must risk his own by returning to the Dome and facing his most terrifying challenge. And Pressia, armed only with a mysterious Black Box containing a set of cryptic clues, must travel to the very ends of the earth, to a place where no map can guide her. If they succeed, the world will be saved. But should they fail, humankind will pay a terrible price . . .

[The Circle of Willis](#) Oxford University Press

The book is journey through 5000 years of evolution of Hinduism, and is outcome of seven years of study to understand the roots of Hinduism. Tracing the genesis of Hinduism to pre-Indus Valley period, the book explains Hindu, Hinduism and Sanatana Dharma, before it takes one through Hinduism’s oldest scriptures - the four Vedas, the four components of each Veda, and what they contain. How all original translations of Vedic texts were done by Western Sanskrit scholars, and why their works have left scope for doubt about the fidelity of translations. The yajnas (yagya) like Ashvamedha, Rajsooya, Vajpeya, etc., about which we only hear on TV serials and talk shows, have been demystified. The reader will be taken aback reading the sheer size and scale of Soma yajna, described step by step, in great detail. Hinduism’s journey to the Age of Reason, the Upanishads, its encounter with Buddhism, and its transformation into idol worshipping society with many gods and a multitude of stories about its millions of gods is lucidly explained. Puranas, what they contain and what was the reason they were created, has been described and explained next. Hinduism’s journey to its modern form - idol worship, the modern puja, detailed description of puja and Sanskaras like Vivaha, their detailed description, the meaning of each action and how they are conducted, the gift to the priest, types of idols, their consecration, all are explained to help a reader understand the why and the how of what we do as a Hindu. The book concludes with a discussion of - Do mantras have power? & Do rituals have meaning?

In the early 21st century, Buddhism has become ubiquitous in America and other western nations, moving beyond the original bodhi tree in India to become a major global religion. During its journey westward, it has changed, adapted to new cultures, and offered spiritual help to many people looking for answers to the problems of life. It is being studied in institutions of higher education, being practice by many people, and having its literature translated and published. The A to Z of Buddhism covers and clarifies Buddhist concepts, significant figures, movements, schools, places, activities, and periods. This is done through a chronology, an introductory essay, a bibliography, and over 700 cross-referenced dictionary entries.

Meat consumption impacts all aspects of human life and humanity?s long-term survival prospects. Despite this knowledge, society continues to ignore the negative impact of consuming meat, which include excessively high contributions to global greenhouse gas emissions, land and water pollution and depletion, antimicrobial resistance, and negative impacts on human health. Impact of Meat Consumption on Health and Environmental Sustainability addresses the difficulties, challenges, and opportunities in reducing excessive meat consumption in order to mitigate human and environmental damage. Policymakers, academicians, researchers, advanced-level students, technology developers, and government officials will find this text useful in furthering their research exposure to pertinent topics such as dietary recommendations for limiting meat consumption, trade and the meat industry, ethics of meat production and consumption, and the environmental impacts of meat consumption.

[Hinduism - Ritual, Reason and Beyond](#) Xlibris Corporation

[Building and Sustaining a Teaching Career](#) Llewellyn Worldwide

This work is about an investigating reporter. Marcus Wilton. Reporter, Marcus Wilton, has a strong sense of duty. He writes a daily column and front spread feature articles on getting justice for the underrepresented. People call on his help when the judicial system and all else fails. and is at wit end. he was their last resort. The big conglomerates media shy away from those suffering the oppression of injustice. It wasn’t news worthy, until it becomes news. Then like vulture the feeding frenzy starts This is why he report and will not stay silent; Marcus has been called a loose cannon when his investigation brings about the fall from grace of powerful individual who thought they were above the law. many truths have been exposed because of his articles. Political giants who have been manipulating the law for decades. ***** What inspires me? [one] always the changing season {two words} and [three] languages. Each in their yearly abode fills me with revolving inspiration. Seeing life through the eyes of time. Each have an ever-ongoing amazing story to tell. Words in its wonderful alluring seductiveness. Words seduce mind soul and spirit. One runs with it laugh with it cries with it and marvel at it unravel and reveal new avenues, crescents, byways broad and narrow openings. Words allow us to expresses it with million-fold intensity. One word sown in sadness or joyful gladness releases in fulness; several hundred thousand words page turner. So delightful. One sit down to write and enter into the mystery of words; and onto that countless way that will take us in many twists and turns. And yes, we can still find the... Unique. Words with many connections; like planets and stars in the universe. Words have a real presence and a grand consistency. And languages. Not of nations, country or region of people; but of people as worked related. A police officer speaks with a language much different from a solicitor, barrister or judge. So different from the everyday Joe and Jane. Doctors, and those within the medical field have another kind. Criminals also have this separate language especially those in organised crime. The mafia drug dealers and suppliers. Street peddlers market stall traders. Stock market traders extricate from all others language, and is embedded with signs. The picture I am trying to paint is of autumn leaves in the fall. Nature colours at their natural best.

When you are standing in a place of darkness, the prospect of stepping boldly into the glaring light may be too much to bear. When you are feeling fragile, lonely, and overwhelmed, it is difficult to let change into your life. Sometimes all you need is a gentle spark that can sink into your subconscious and take root. It can coax you, nudge you, and slowly and gently guide you back to wholeness. *A Jar Full of Fireflies* is the gentle spark you have been searching for. There are no painful probing questions or confronting demands. Instead, it offers a library of wisdom, gathered from personal stories of life, love, and loss that will resonate in your heart and provide healing for your soul. Author Sharon Spence provides words of divine guidance, heavenly blessings, and

sacred rituals, along with elements of inspiration and empowerment designed to help you find the light within and let it shine once more. This guide and collection presents a series of reflections, blessings, rituals, and personal stories designed to bring healing and enlightenment to anyone. *Principles of Tantra ...* Taylor & Francis

In *Ancient Egypt: State and Society*, Alan B. Lloyd attempts to define, analyse, and evaluate the institutional and ideological systems which empowered and sustained one of the most successful civilizations of the ancient world for a period in excess of three and a half millennia. The volume adopts the premise that all societies are the product of a continuous dialogue with their physical context - understood in the broadest sense - and that, in order to achieve a successful symbiosis with this context, they develop an interlocking set of systems, defined by historians, archaeologists, and anthropologists as culture. Culture, therefore, can be described as the sum

total of the methods employed by a group of human beings to achieve some measure of control over their environment. Covering the entirety of the civilization, and featuring a large number of up-to-date translations of original Egyptian texts, *Ancient Egypt* focuses on the main aspects of Egyptian culture which gave the society its particular character, and endeavours to establish what allowed the Egyptians to maintain that character for an extraordinary length of time, despite enduring cultural shock of many different kinds.

Clean My Space Scarecrow Press

The Mustard Jar throbs to the harsh backbeat of the sounds and emotions of Philadelphia in the mid 1980's. Tom Clausens mundane teenage existence takes a long, lyrical series of left turns as he comes to grips with bandmates, divorced parents and the elusive shadow of a girl named Tara. Along this path he discovers the brutal honesty of love, faith and life in a world of rigid expectations.
