## DUNCAN KOCH

**The Quiet American** Oxford University Press

Written as a guide for people who already have a basic understanding of English and want to improve their ability to speak it the way it is spoken in the United States.

Identity and Presidential Foreign Policymaking Comma Press

Aerial bombardment remains important to military strategy, but the norms governing bombing and the harm it imposes on civilians have evolved. The past century has seen everything from deliberate attacks against rebellious villagers by Italian and British colonial forces in the Middle East to scrupulous efforts to avoid "collateral damage" in the counterinsurgency and antiterrorist wars of today. The American Way of Bombing brings together prominent military historians, practitioners, civilian and military legal experts, political scientists, philosophers, and anthropologists to explore the evolution of ethical and legal norms governing air warfare. Focusing primarily on the United States—as the world's preeminent military power and the one most

frequently engaged in air warfare, its practice has influenced normative change in this domain, and will continue to do so—the authors address such topics as firebombing of cities during World War II; the atomic attacks on Hiroshima and Nagasaki; the deployment of airpower in Iraq, Afghanistan, and Libya; and the use of unmanned drones for surveillance and attacks on suspected terrorists in Pakistan, Yemen, Sudan, Somalia, and elsewhere.

How Baseball Sold U.S. Foreign Policy and Promoted the American Way Abroad ABC-CLIO

An unconventional history of the United States traces crime in America from the Puritans through Watergate and considers the special-interest groups who have at one time or another defined what is legal and what is not

**Undercover at Walmart, Applebee's, Farm Fields and the Dinner Table** Super Genius  
 Winner of the 1964 Pulitzer Prize in Nonfiction Anti-Intellectualism in American Life is a book which throws light on many features of the American character. Its concern is not merely to portray the scorners of intellect in American life, but to say something about what the intellectual is, and can be, as a force in a democratic society. "As Mr. Hofstadter unfolds the fascinating story, it is no crude battle of eggheads and fatheads. It is a rich, complex, shifting picture of the life of the mind

in a society dominated by the ideal of practical success." —Robert Peel in the Christian Science Monitor

Letters of Caja Munch from Wiota, Wis., 1855-1859, with An American Adventure; Excerpts from Vita Mea, an Autobiography Written in 1903 for His Children College the American Way: A Fun ESL Guide to English Language & Campus Life in the U.S. (Book + Audio)

College the American Way: A Fun ESL Guide to English Language and Campus Life in the U.S. (Book + Audio) From the authors of the REA best-sellers, English the American Way and Celebrate the American Way, comes the third book in the series, College the American Way: A Fun ESL Guide to English Language and Campus Life in the U.S. Written in a fun, lighthearted, and easy-to-follow style, this book is THE resource for international college-bound students who want to improve their English language skills. College the American Way answers the who? what? where? why? and how? questions about college life in the U.S. Learn who can help, what to do, where to go, why to check out housing and meal plans, and how to . . . HAVE FUN! Each easy-to-read part is full of vocabulary, informal language, idioms, phrasal verbs, dialogues, and activities. Our audio lets you practice speaking English like an American until you're perfect! Improve your listening and

speaking skills with the sample dialogues included on our audio CD. You can also download the MP3 files to your mobile device and practice wherever you go. Whether you want to improve your understanding of campus life, or just expand your everyday vocabulary, this fun and friendly guide will help you build your skills and communicate with precision - and success! Don't miss the first two books in the series: *English the American Way: A Fun ESL Guide to Language and Culture in the U.S.* and *Celebrate the American Way: A Fun ESL Guide to English Language and Culture in the U.S.* *Reclaiming the American Way of Death* Longman

In clear language and with numerous examples, this book describes the basic characteristics of American culture: values, style of communication, patterns of thinking, customary behaviours, and underlines how they are different from the ways of other cultures. It then shows how these characteristics are reflected in the many aspects of American life which the foreigner encounters (including politics, social relations, personal hygiene, public behaviour, studying and business). The book also offers concrete suggestions on how to learn more about American culture and how to respond most effectively to the Americans one meets.

*An Interpretation* Prabhat Prakashan

American English for speakers of any language, including many tables and exercises, focused on grammar and building sentences

**The Structure and Origins of American English Orthography** New Press, The

This provocative book shows how and in what circumstances Americans give birth. It is not about the miracle of life, but about the role of money and politics in a lucrative industry; a saga of champagne birthing suites for the rich, and desperate measures for the poor. It is a colorful history -- from the torture and burning of midwives in medieval times, through the absurd pretensions of the modest Victorian age, to this century's vast succession of anesthetic, technological, and natural birthing fashions. And it is a comprehensive indictment of the politics of birth and national health. Explores conventional and alternative methods.

*Changing Ethical and Legal Norms, from Flying Fortresses to Drones* Cornell University Press

After four years of Trump, America seems set to return to political normality. But for much of the rest of the world, that normality is a horror story: 75 years of US-led invasions, CIA-sponsored coups, election interference, stay-behind networks, rendition, and weapons testing... all in the name of Pax America, the world's police. If you are not an ally of the US, in this 'normality', your country can find its democratic processes undermined and its economic wellbeing conditioned upon returning to the fold. If you're not strategically important to the US, you can find yourself its dumping ground. This new anthology re-examines this history with stories that explore the human cost of these interventions on foreign soil, by writers from that soil. From nuclear testing in the Pacific, to human testing of CIA torture tactics, from coups in Latin America, to all-out invasions in the Middle and Far East; the atrocities that follow are often dismissed in history books as inevitable in the 'fog of war'. By presenting them from indigenous, grassroots perspectives, accompanied by afterwords by the historians that consulted on them, this book attempts to bring some clarity back to that history. Stories are accompanied by afterwords written by historians, providing historical context. Afterwords by: Olmo Golz, Emmanuel Gerard, Felix Julio Alfonso Lopez, David Harper, Ertugrul Kurcu, Francisco Dominguez, Maurizio Dianese, Julio Barrios Zardetto, Brian Meeks, Victor Figueroa Clark, Raymond Bonner, Daniel Kovalik, Meral Cicek, Ian Shaw, Matteo Capasso, Neil Faulkner, Xuan Phuong, Iyad S. S. Abujaber & Chris Hedges. Translated by: Orsola Casagrande, Mustafa Gundogdu, Sawad Hussain, Jonathan Wright, Basma Ghalayini, Nicholas Glastonbury, Sara Khalili, J. Bret Maney, Adam Feinstein, and Megan McDowell. Part of our History-into-Fiction series. *The American Way of Birth* English as a Second Language

Adam Marsh writes a book about a fictitious military takeover of the United States government.

When his book becomes a reality, he finds himself at the forefront of the coup. The results of his actions are controversial, to say the least.

*The Collapse and Revival of American Community* Simon and Schuster

REA's *Celebrate the American Way: A Fun ESL Guide to English Language and Culture with Audio*

CD + MP3 The emphasis is on fun in this lighthearted guide to language and culture in the United States! Whether you want to improve your understanding of American culture or just expand your everyday vocabulary, this fun and friendly guide will help you build your skills and communicate with precision - and success!

**McGraw-Hill's Conversational American English** Smithsonian Institution

REA's *English the American Way: A Fun ESL Guide to Language and Culture in the U.S.* with Embedded Audio & Mp3 Download Helps English Language Learners Improve Their Skills A fun guide to everything American for the English language learner! Authored by seasoned ESL instructors, this handy guidebook is perfect for people who already have a good grasp of English, but want to improve how they speak the language as it is spoken in the United States. Written in a lighthearted and easy-to-follow style, this book is a great resource for people of all ages and all nationalities. Each unit introduces commonly used phrases, vocabulary, and verbs, and offers sample dialogs to illustrate everyday American life. Sentence completions, quizzes, tips, and illustrations make learning fun. Individual units cover topics essential to the mosaic of American life: making friends, basic skills, driving, dining out, dealing with money, home life, emergency situations, doctor visits, handling a job interview, and more. To improve your pronunciation, listen to the embedded audio that accompanies this e-book or download the Mp3. The audio contains all the dialogues and pronunciation pointers found in the book so you can listen along and practice your speaking skills as you read. The dialogues are read by native speakers and are a great way to work on accent reduction. If you're looking for a fun and easy way to improve your English language skills, this is the book for you!

**A Cultural History** Bloomsbury Publishing USA

Abramsky shows how poverty - a massive political scandal - is dramatically changing in the wake of the Great Recession.

**The American way of Life** Square One Publishers, Inc.

Telling the full story of the American Way of Life (or more simply the American Way) in the United States over the course of the last century reveals key insights that add to our understanding of American culture. Lawrence R. Samuel argues that since the term was popularized in the 1930s, the American Way has served as the primary guiding mythology or national ethos of the United States. More than that, however, this work shows that the American Way has represented many things to many people, making the mythology a useful device for anyone wishing to promote a particular agenda that serves his or her interests. A consumerist lifestyle supported by a system based in free enterprise has been the ideological backbone of the American Way, but the term has been attached to everything from farming to baseball to barbecue. There really is no single, identifiable American Way and never has been—it becomes clear after tracing its history—making it a kind of Zelig of belief systems. If our underlying philosophy or set of values is amorphous and

nebulous, then so is our national identity and character, Samuel concludes, implying that the meaning of America is elastic and accommodating to many interpretations. This unique thesis sets off this work from other books and helps establish it as a seminal resource within the fields of American history and American studies.

*The American Way of Bombing* Happy about

Learn more than 3,000 English expressions and speak and understand the language easily As a new speaker of English, you may hear some expressions in your daily conversations that you do not understand--yet. McGraw-Hill's *Conversational American English* will help you learn these expressions, so not only do you know what a person is saying to you, but that you can use the expression yourself! More than 3,000 expressions are organized by theme, so you can find what you are looking for quickly. And each topic is illustrated to further help you understand context. The book features: Common expressions are batched into 350 themes, ranging from general greetings and asking how someone is, to the more specific needs, like showing disbelief, asking someone's intentions, and expressions for a forgotten word or name A comprehensive thematic glossary provides an additional means for the learner to locate expressions by key words and concepts Topics include: Basic Social Encounters, Greetings, Small Talk, Introductions, Ending a Conversation, Good-Byes, Agreeing, Disagreeing Conversational Encounters, Focusing Attention, Launching the Conversation, Making Friends, Complex Matters, Disputes, Discussion and Resolution, Polite Encounters, Prefaces, Communication Barriers

[A Guide to Business Communications in the U. S.](#) Beacon Press

A book to help build vocabulary, understand the meaning, and learn how to use them in a full sentence. Also includes synonyms, antonyms and other related words to aid in the understanding of the main words, as well as to further increase your vocabulary.

**College the American Way: A Fun ESL Guide to English Language & Campus Life in the U.S. (Book + Audio)** Rowman & Littlefield

A young bride, Caja Munch accompanied her husband, Johan Storm Munch, from Norway to Wisconsin where he had received his first call to become pastor of several newly organized Norwegian Lutheran congregations. Her letters to her parents, written during a four-year period, 1855-59, and Pastor Munch's *An American Adventure*, an excerpt from his "Vita Mea," written fifty years after the visit to America, provide, with an uncanny timelessness and a distinct and charming literary style, perspectives on the immigrant in rural America which will be of considerable interest to general readers as well as historians and sociologists.

*The American Way of Poverty* Gatekeeper Press

An exhaustive advice book for foreign visitors to the U.S. seeking to understand the motivations, attitudes, and actions of Americans.

*The (New) American Way* How To Books Ltd

Shows how changes in work, family structure, women's roles, and other factors have caused people to become increasingly disconnected from family, friends, neighbors, and democratic structures--and how they may reconnect.

**The American Way of Eating** Carbondale : Southern Illinois University Press

I have asked permission to dedicate this book to you not only in memory of the happy evenings I have spent with you in Saigon over the last five years, but also because I have quite shamelessly borrowed the location of your flat to house one of my characters, and your name, Phuong, for the convenience of readers because it is simple, beautiful and easy to pronounce, which is not true of all your country- women's names. You will both realise I have borrowed little else, certainly not the characters of anyone in Viet Nam. Pyle, Granger, Fowler, Vigot, Joe— these have had no originals in the life of Saigon or Hanoi, and General The is dead : shot in the back, so thfcy say. Even the historical events have been rearranged. For example, the big bomb near the Continental preceded and did not follow the bicycle bombs. I have no scruples about such small changes. This is a story and not a piece of history, and I hope that as a story about a few imaginary characters it will pass for both of you one hot Saigon evening.
