There's no cutting corners on this durable edition featuring Pete and other favourite friends at Sean's Sheep Salon. The award-winning team behind *Diary of a Wombat* have joined forces again to create another highly amusing picture book. Sean is a shearer and instead of a sheepdog to help him, he's got a sheep sheep - Pete. After being rejected by the other shearers and their dogs, Sean and Pete set up a sheep salon in town. Sheep from everywhere arrive to have their wool shorn in the latest style and even the shearers' dogs end up arriving for a cut in order to look gorgeous. Jackie and Bruce have created the perfect combination of words and illustrations in this irreverent look at the world of sheep shearing. Ages 4-9

This book is aimed at both new and practising teachers. While based on research in the areas of effective teaching and classroom management, it is presented in a highly readable style, using the analogy of a sailor preparing for, and setting out on a journey. It offers practical strategies aimed at helping teachers understand the individual needs of their students, create a positive learning environment, develop rules and routines, use effective teaching practices, and respond to disruptive behaviour in the classroom. It also provides guidelines for using out-of-class strategies to address extremely difficult behaviours, and for managing the stress that can accompany teaching students with widely varying needs.
