The Magic of Light Painting

MARQUEZ DIAMOND

Those Who Eat the Cascadura Penguin
 Painting with light is magical. The flashlight is your brush and the scene is your canvas. Imagination and experimentation are your workflow. You control how long the beam strikes the subject, which angle it comes from, the color and softness of the light, and which part of the scene is illuminated. Few other forms of photography allow this level of creativity. Whether you're shooting starry landscapes or urban architecture, pro photographer Tim Cooper will help you create and capture high-quality light painting images. In this detailed step-by-step guide you will: Understand how to focus and set your DSLR camera settings while working in the dark Learn how to calculate ambient exposure, ISO, f-stop, shutter speed, and white balance Discover light painting accessories and pro techniques for controlling the angle of light, intensity, beam width, and filtration Extend your night vision by preparing and processing your images in Adobe Lightroom and Photoshop, including blending multiple images

Mobile Suit Gundam Hesse Press
 A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a

vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

 M-G-M: Hollywood's Greatest Backlot is the illustrated history of the soundstages and outdoor sets where Metro-Goldwyn-Mayer produced many of the world's most famous films. During its Golden Age, the studio employed the likes of Garbo, Astaire, and Gable, and produced innumerable iconic pieces of cinema such as *The Wizard of Oz*, *Singin' in the Rain*, and *Ben-Hur*. It is estimated that a fifth of all films made in the United States prior to the 1970s were shot at MGM studios, meaning that the gigantic property was responsible for hundreds of iconic sets and stages, often utilizing and transforming minimal spaces and previously used props, to create some of the most recognizable and identifiable landscapes of modern movie culture. All of this happened behind closed doors, the backlot shut off from the public in a veil of secrecy and movie magic. M-G-M: Hollywood's Greatest Backlot highlights this fascinating film treasure by recounting the history, popularity, and success of the MGM company through a tour of its physical property. Featuring

the candid, exclusive voices and photographs from the people who worked there, and including hundreds of rare and unpublished photographs (including many from the archives of Warner Bros.), readers are launched aboard a fun and entertaining virtual tour of Hollywood's most famous and mysterious motion picture studio.

The Panjábí Dictionary Quercus

Dogs have longer, happier lives if they are taught basic good behavior when they are puppies. Obedient dogs stay safe, are welcome in more households, and are better equipped to handle boredom than their untrained cousins. Every pet owner can benefit from the rewards of happy, healthy companion animals with Gwen Bailey's proven methods in corrective and obedience training. With 250 color photographs, positive and kind methods, and step-by-step lessons, *Puppy School* provides an easy-to-follow, 7-step course that gently takes puppies and their owners from the first stages of good behavior through to advanced obedience training.

The New York Times Index Simon and Schuster

The Curly Girl Blues is a story about a young girl named Emma who admires everyone's hairstyles but her own. She decides to head to a local fair to get inspiration for a new hairdo. Once she arrives, and with the help of her friends, community and a hair stylist, Emma discovers the beauty of her own hair.

Wid's Year Book Penguin UK

Little changes can make a big, big difference! In *The Little Book of Big Change*, psychologist Amy Johnson shows you how to rewire your brain and overcome your bad habits—once and for all. No matter what your bad habit is, you have the power to change it. Drawing on a powerful combination of neuroscience and spirituality, this book will show you that you are not your habits. Rather, your habits and addictions are the result of simple brain wiring that is easily reversed. By learning to stop bad habits at the source, you will take charge of your habits and addictions for good. Anything done repeatedly has the potential to form neural circuitry in the brain. In this light, habits and addictions are impersonal brain wiring problems that result from taking your habitual thinking as truth, and acting on that thinking in the form of doing your habit—over and over. This book offers a number of small changes you can make in your everyday life that will help you stop your bad habit in its tracks. If you want to understand the science behind your habit, make the decision to end it, and commit to real, lasting change, this book will help you to finally take charge of your life—once and for all.

Lal Salaam (Red Salute) Ballantine

Books

"From the NAACP Image award winner and national bestselling author Victoria Christopher Murray, a novel inspired by the seven deadly sins about a woman caught between an entertainment mogul with a shady past and his childhood friend who is out for revenge. Tiffanie has lived a sheltered life in a very strict household with her pastor-grandfather and grandmother in Washington, DC. But when she meets Damon King, she falls for the successful entertainment business man despite his history as a drug dealer. Everyone sees nothing but the brightest future for the couple--but there's one person who wants to destroy them. Trey Johnson is Damon's childhood best friend with whom he built quite a successful drug business. But when the game got hot and Damon decided to leave, Trey stayed and continued to sell drugs, until he was arrested and spent seven years in prison. But now he's out and able to attend the wedding. While Damon is thrilled to have Trey back and hopes to bring his best friend into his business, Trey has other plans. He blames Damon for his demise and plans to ruin him, even if that means bringing Tiffanie down as well. Trey is sure he will succeed, but he doesn't know that there will be deadly consequences. And at the end, there will only be one man standing.."--

Weekly World News Simon and Schuster

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they

expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

100 new and classic images of popular Instagram celebrity Jimmy Choo the Bull Terrier On Rafael Mantesso's thirtieth birthday, his wife left him. She took their cookware, their furniture, their photos, their decorations. She left Rafael alone in an empty all-white apartment. The only thing she didn't take was their bull terrier, whom she'd named after her favorite shoe designer: Jimmy Choo. With only Jimmy for company, Rafael found inspiration in his blank walls and his best friend and started snapping photos of Jimmy Choo as he trotted and cavorted around the house in glee. Then, when Jimmy collapsed in happy exhaustion next to the white wall, on a whim Rafael grabbed a marker and drew a new world around his ginger-eared pup. Suddenly, Rafael felt his long-dormant inspiration—for drawing, for art, for life—returning. The result? Hundreds of charming and cheeky images chronicling the owner and dog's relationship and adventures, including poses in a Star Wars stormtrooper helmet, passed out with liquor bottles, and as the shark in *Jaws*. Mantesso's Instagram feed quickly garnered fans

from all over the world and caught the attention of major media outlets like Today, The Huffington Post, USA Today, and the Daily Mail, as well as Jimmy's namesake, the luxury shoe brand Jimmy Choo Ltd. Now, Mantesso presents a definitive selection of new and classic images of Jimmy and includes the backstory of how the two became such great collaborators. As heartwarming as it is hilarious, *A Dog Named Jimmy* will delight animal lovers everywhere.

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

A Pocket Guide to Netherlands East Indies Cosimo, Inc.

A Pocket Guide to Netherlands East Indies was originally a 5.25"x4.24" pocket-size booklet released in 1943 for American GIs in World War II on their way to Indo-European countries, including Sumatra, Java, and Borneo, which were near territories occupied and controlled by the Japanese. The pamphlet outlines the role of the soldier, as well as descriptions of the different countries and peoples, their habits and cultures, and the native vegetation and wildlife. The booklet includes a map of

the 3,000 countries making up the East Indies, guides to currency, time, measurements, and language, and a list of dos and don'ts when interacting with the general population. The War and Navy Departments, Washington D.C., publish pamphlets, reports, manuals, and instructions ranging on topics from countries and regions of the world, machine and weapon operation, roles of persons and positions, vehicle operation and safety, and other topics pertinent in wartime and for the military.

The Curly Girl Blues Houghton Mifflin Harcourt

First, we leaned in. Now we stand up. In this "much-needed combo of real talk, confessions, and lessons learned along the way" (Chelsea Handler), Jaclyn Johnson—the founder and CEO behind Create & Cultivate, the fastest growing online platform for millennial businesswomen—offers a rallying cry for a new generation of women who are redefining the meaning of work on their own terms. Jaclyn suffered a massive blow in her early twenties. She was on an upward career climb and confidently moved across the country for a job—and then, was abruptly let go. Attempting to turn that closed door into an open window, she launched a company with a trusted business partner. Soon after, she discovered said business partner had made detrimental decisions to the

company without her knowledge. Before she knew it, she was in the throes of a brutal business partner break up. She was only twenty-four. Determined to bounce back, Jaclyn overhauled the mess that was her life and by the time she was in her early thirties, she had sold a company and launched the much-buzzed about Create & Cultivate platform—and advised and invested in multiple million-dollar projects at the same time. So, how did she do it? In *WorkParty*, Jaclyn shows how she turned distrust into determination, frustration into fuel, and heartache into hard work—and how you can, too. With stories from leading female entrepreneurs including Christene Barberich (co-founder of Refinery29), Alli Webb, (creator of Drybar), Morgan Debaun (founder of Blavity), Jen Gotch of Ban.do, Rebecca Minkoff, and Kendra Scott, you will learn the tips and tricks from the best in the business while cultivating the passion and happiness you need to succeed. “This is the book you need to take your career to the next level—on your own terms” (Refinery29).

The Girl She Was Before Simon and Schuster

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. “I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone.” A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra

Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.
