The first comprehensive cultural guide for professionals who interact with Amish individuals and communities. *Serving the Amish* is a targeted guide for professionals who care for or interact with Plain people: doctors, nurses, law enforcement officers, judges, social workers, psychotherapists, and addiction counselors, among others. For these professionals, knowing the "what" of Amish life is not enough. They must go deeper, understanding the "why"—the ideologies that both drive and bind this community in a system of beliefs that seems alien to those who embrace the technological and

social turbulence of the twenty-first century. James A. Cates draws heavily on his experiences as a clinical psychologist in private practice in northeastern Indiana, a region that is home to more than 35,000 Amish people. He combines anecdotal evidence and first-person narrative to shed light on the social, emotional, and psychological foundations of Amish life to help professionals interact competently and build rapport with Amish clients. He also explains the unique challenges outsiders face in offering aid to a people whose lifestyle and rules dictate a distance from all things worldly. This practical book balances evidence-based principles of care with an emphasis on reducing anxiety and establishing warm relationships. From the police officer dispersing a party full of Amish Youngie to the social worker staffing a child protective services hotline, professionals who work with the Amish will benefit from this one-of-a-kind guide.

Are you dreaming of working abroad? Imagining serving God in another land? Or are you already on the field, unsure about what to do next or how to manage the stresses of cross-cultural life? Or perhaps you've been on the field a while now, and you're weary, maybe so weary that you wonder how much longer you can keep going. If any of these situations describes you, there is hope inside this book. You'll find steps you can take to prepare for the field, as well as ways to find strength and renewal if you're already there. From the beginning to the end of the cross-cultural journey, *Serving Well* has something for you.

Asian American women are caught between worlds. Many grow up sensing that daughters are not as valuable as sons. But God has good news for us. In his eyes, we are his beloved daughters, created for greater purposes than the roles imposed upon us. In this one-of-a-kind book, editors Nikki Toyama and Tracey Gee and a team of Asian American women share how God has redeemed their stories and helped them move beyond cultural and gender constraints. With the help of biblical role models and modern-day mentors, these women have discovered how God works through their ethnic identity, freeing them to use their gifts and empowering them to serve and lead. God has so much more in store for you than cultural norms, gender roles and old stereotypes of geisha girls or dutiful daughters. Experience the joy and freedom of becoming the Asian American Christian woman God intended you to be.

"*Ordinary Servant: Lessons in Loving Jesus and Serving HIS people*," is a book that will train, equip, and prepare you to serve in your churches. Do you want to be someone that God can use to make a difference in this world? Are you looking for help in becoming that man or woman that God uses to impact this world? Does your heart yearn and burn to be a used by God? If you answered, "Yes," then I have good news for you. God wants to use you! Just as a diamond has many different facets that reflect varying levels of light, so servanthood also has different sides and varying levels. In this book, you will learn some of what the Bible teaches about servanthood. I pray it's one of the best times in your spiritual life...as you learn to serve and serve well.

What does it mean to say that a pastor is competent? And how does a competent pastor function? This book is intended to help pastors, seminarians, and lay people who work with pastors understand and answer these two questions. Competence in ministry is a moving target. A ministry technique that works in one parish may not work in another. What works today may not work five years from now. But a competent pastor will be able to adapt to changing locations and changing times. A competent pastor will be happy in her job--or able to figure out why she's not happy and how to move forward. A competent pastor won't get stuck--or when he does get stuck, he'll know what steps to take to get unstuck. Competence, defined by author Ronald Sisk as "the ability to do what needs to be done," requires ministers to understand themselves and others and to keep a realistic perspective on their lives. Competent pastors function by moving toward this kind of understanding and perspective.

In *Business Simplified*, former business executive, Michel A. Bell demystifies business with simple, helpful ideas from his experience and research. Business is about people. The right people unified in the correct positions, headed in the proper direction to delight customers and create value for stakeholders. Straightforward, practical solutions from Michel's vast global business experience and research will enable cooperation, pinpoint suitable path to gain customers for life, and build shareholder value. Further insights to design and implement strategies for a competitive edge appear throughout the book. Michel cautions against so-called five-yearly strategic plans, which usually excludes tough choices - the essence of strategy - necessary to steer the entity to its mission.

Short-term mission trips are great ways to impact the kingdom. Yet they can lack effectiveness because of mistakes or naiveté on the part of participants. In this insightful and timely book, David A. Livermore calls us to serve with our eyes open to global and cultural realities so we can become more effective cross-cultural ministers. *Serving with Eyes Wide Open* is a must-have book for anyone doing a short-term mission or service project, whether domestic or overseas. Foreword by Paul Borthwick.

Are you stuck in your comfort zone? Are you searching for something greater? While it is easy to get comfortable with going about your business throughout the week and then showing up at church for an hour on Sunday, you are called to much more. Greatness, growth, and significance in the kingdom of God is found on the path of service. In this practical and inspiring book, Nelson Searcy motivates readers to take the next step on their journey toward maturity in Christ. As Searcy explains, if you're not serving, you're not growing. Whether you're already committed to multiple ministries or have just started attending church, he provides the tools you need to get connected

through service. The Greatness Principle, a perfect companion to *Connect*, is designed specifically with the individual believer in mind. Priced right for small groups and church-wide campaigns, this little book packs a wealth of practical insight and inspired ideas that will energize church members and have them clamoring to volunteer their talents for the sake of the kingdom.

* New York Times Bestseller * #1 USA Today's Bestseller * #2 Wall Street Journal Bestseller Bring your A game to Networking! How did Joe Sweeney... ..get Bob Costas to come to Milwaukee (in the middle of winter)? ...become the "wingman" to the archbishop of New York City? ...take Brett Favre's off-the-field income from \$65,000 to more than \$4 million? The answer is simple. Networking. Master networker Joe Sweeney shares his networking secrets from a long and successful career as a business owner, sports agent and executive and investment banking consultant. His first secret: master networkers are focused on giving, not getting. With today's difficult economy and uncertain workplace, networking has never been more important. Sweeney's simple but effective 5/10/15 networking plan will give you a leg up in the current job market, help you stay employed, or, if you've been laid off, find your next job. The cliché that who you know is more important than what you know has never been truer. Sweeney illustrates his insights with dozens of helpful examples from his own life (along with a few fascinating insider sports stories). With special sections on networking for women and minorities, insights into the usefulness (and handicaps) of social networking sites, how to get (and why you need) a wingman and profiles of other master networkers, *Networking Is a Contact Sport* is a practical and essential guide for anyone who wants to get ahead in today's economy.

Born on a farm in Canada, Jonathan Goforth's ambition as a young boy was to study and become a politician. Little did he know then what the future held in store. At the age of eighteen he was converted to Christianity and immediately became interested in missionary work. After attending Knox College in Canada, he set out for China with his wife, Rosalind. Many hardships and trials followed. Their first child died in the spring of the following year. Others were later claimed by malaria and meningitis. In 1900 the Goforths, along with others, had to flee before the Boxer uprising. Their escape was a miracle in itself. *Goforth of China* is the amazing story of a man with unusual vision and determination.

The Apostle Paul declares his own need for ongoing discipline and diligence, lest after preaching to others he would become disqualified (1 Corinthians 9:27). If one can be disqualified from effective ministry, it stands to reason that there is also a process of becoming qualified. What is involved in becoming (and staying) a...vessel for...

Does God invite women to fully participate in all the assemblies of God? Among churches of Christ, the voices of women are typically silent and excluded from visible leadership in assemblies gathered for prayer and praise. In this book, John Mark Hicks tells the story of his own journey to understand how women have served God throughout the unfolding drama of Scripture. John Mark describes his movement from the exclusion of the voices of women and their leadership in the assembly to a limited inclusion, and finally to the full inclusion of those voices and their leadership. Along the way, he describes some of the history of churches of Christ as well as his own story but ultimately focuses on the meaning of biblical texts and how they support the full participation of women in the assemblies of God. Three women, Claire Davidson Frederick, Jantrice Johnson, and Lauren Smelser White, respond to and extend John Mark's thoughts. Bethany Joy Moore also contributes an essay from the perspective a minister's daughter who is now pursuing a graduate degree in theology. John Mark is detailed, fair, and vulnerable about his own journey and our collective journey in Churches of Christ. I recommend John Mark as a trustworthy guide. -Dr. Sara G. Barton, University Chaplain, Pepperdine University, Malibu, CA Do we believe that the Holy Spirit equally equips both women and men to carry out Jesus's message of reconciliation? Dr. Hicks is a trusted guide in navigating the depth of scripture and the complexity of our cultural moment. Drink deeply from this well! -Dr. Joshua Graves, Otter Creek Church, Brentwood, Tennessee. With characteristic depth, rigor, and generosity, Hicks offers his own journey toward embracing the inclusion of women's voices in the assembly. Hicks writes with a familiarity of Restoration Movement history that few can boast, with an accompanying dedication to searching the scriptures. - Amy McLaughlin-Sheasby, Instructor in the Department of Bible, Missions, and Ministry, Abilene Christian University. This book is a gift to twenty-first century Churches of Christ. Part autobiography, part history, part exegesis, and part biblical theology, Hicks's exploration of the Bible's teachings on the role of women in congregational gatherings offers several invaluable components. -Dr. James L. Gorman, Associate Professor of History, Johnson University. John Mark Hicks is Professor of Theology at Lipscomb University in Nashville, TN. He has taught for thirty-nine years in schools associated with churches of Christ. He has authored or co-authored eighteen books, lectured in twenty-two countries and forty states, and is married to Jennifer. They share five living children and six grandchildren.

At a time of increasing concern about ethics at the top, *The Serving Leader* calls for leadership that

is both more moral and more effective than the ruthless, bottom-line approach that has brought disgrace to once-mighty organizations. The book takes a practical "action approach" to servant leadership—a concept espoused by Ken Blanchard, Stephen Covey and many others. In this second book in The Ken Blanchard series, the authors use a compelling story based on real people to make its five principles of servant leadership accessible to a wide audience. "An amazing new kind of book that will challenge and inspire." -Harvey Mackay, author of *Swim with the Sharks without Being Eaten Alive*

Perfidia Simon and Schuster

NATIONAL BESTSELLER AN NPR BEST BOOK OF THE YEAR Los Angeles, December, 1941. America stands at the brink of World War II. War fever and racial hatred grip the city. The hellish murder of a Japanese family summons three men and one woman. LAPD captain William H. Parker is superbly gifted, corrosively ambitious, liquored-up, and consumed by dubious ideology. He is bitterly at odds with Sergeant Dudley Smith—Irish émigré, ex-IRA killer, fledgling war profiteer. Hideo Ashida is a police chemist and the only Japanese on the L.A. cop payroll. Kay Lake is a twenty-one-year-old dilettante looking for adventure. The investigation throws them together and rips them apart. The crime becomes a political storm center that brilliantly illuminates these four driven souls—comrades, rivals, lovers, history's pawns. Here, Ellroy gives us the party at the edge of the abyss and the precipice of America's ascendance. *Perfidia* is that moment, spellbindingly captured.

This book addresses the key elements to Christian leadership. The more than 70 principles included could well apply to anyone in a leadership position in an organization today. The focus is on knowing that God has designed for you to be in a position of leadership and identifying the role of a leader, addressing the principles of change and other challenges leaders face. There is a crisis in Christian leadership today that is widespread. Many begin in ministry and then fail in their leadership roles. Why does that happen? How do you resolve the issues that are pitfalls for ministry leaders? What are the keys to developing the kind of relationships that will insure success in leadership? How do you deal with the monumental and systemic changes we face in the world today? Everything in our world is changing faster today than ever before and the changes are such that we will never be the same again. Morals, ethics, religious attitudes and convictions are in flux. How can one navigate the turmoil in every aspect of our culture today successfully? That is what this book is about. Most of the failures in leadership are self-inflicted. Failing is rarely the fault of those we serve. This book is designed to help every leader examine their own lives and implement the tools presented in this book, with the character to sustain them.
