Designed to ensure that every medical assisting graduate can quickly trade a cap and gown for a set of scrubs, Jones & Bartlett Learning's *Administrative Medical Assisting, Fourth Edition* is more than just a textbook—it's an engaging, dynamic suite of learning resources designed to train medical assisting students in the administrative skills they'll need in today's rapidly changing health care environment.

Resolving Patient

Complaints CreateSpace

Aimed at owners and managers of small businesses, this book remains the best-known title to help employers deal with the worker's comp issue. It shows how to prevent workers' comp problems from happening

in the first place, detect fraud and abuse, get injured workers back on the job, and keep crooked lawyers and doctors at bay.

In an era when many feel that letter writing is "the lost art," this book can be a resource to help anyone create letters to use in the special situations in life.

Have you ever been asked to prepare a written letter of reference for someone to use in getting a job or applying to an academic program?

Wouldn't some great sample letters be a great help in such a situation?

Here's a book that can help. Have you ever wanted to resign gracefully from a position so that you don't "burn your bridges behind you?"

Here is a book that can help you write such a letter to an employer or supervisor so that you

gain good will and respect during the resignation process. Sometimes it is necessary to write a special letter for a special situation in life. You will find great letters to be used as models for business and personal reasons including: Letters asking for a raise, Letters of resignation, Letters of reference, Letters notifying a vendor of a breach of contract, Letter to a congressman, Letters of complaint, Letters requesting reinstatement to an academic program, Follow-up letters after an interview, Letters requesting bill consolidation, Letters to professionals disputing their charges, collection letters, thank-you letters and letters to accompany resumes in job hunting. This book will be a valuable how-to resource to those who seek guidance in composing letters for business or personal reasons. Some of the letters shown are letters of complaint, letters of appeal, business marketing letters, press releases, letters appealing a job dismissal, letters appealing a supervisor's rating, letters of application to law school

and medical school, cover letters to accompany resumes, follow-up letters after job interviews, collections letters, letters related to consumer credit and finance, legal letters and notices, letters of apology, letters of appreciation, letters of reference and letters of recommendation, letters of nomination, letters of opposition, letters of reprimand, letters of termination, letters of solicitation, letters of intent, letters to public officials, networking letters, promissory notes, letters requesting a raise, letters requesting a promotion, letters of resignation, and many more letters designed to assist in personal and business matters. Rave reviews for this book! "This book has a wide range of letters covering various topics. This book would be useful to any population." - Catholic Library World

Testimonials from some who used this book: "Writing letters is so time-consuming, and I get frequent requests from former employees and others who want me to provide a reference. I found just the right samples in this book to make my life easy so that I could produce the

multiple letters yearly that are requested of me." Sonya S. "I am not a professional writer, but I feel that this book took my mediocre skills and helped them blossom by showing me samples of effective letters. I especially liked the letters protesting charges, and I created effective letters protesting medical charges. People assume you are more serious when you write a letter instead of trying to handle problems verbally. This book helped me leave a 'paper trail' and get taken seriously so that I could resolve some chronic financial problems." Julio G. "When I wanted to get reinstated to my academic program, I didn't give myself much of a chance, but I took my best shot by following samples in this book. I will be graduating soon, and I got a second chance at academic eligibility because of this book." Fritz H. "It blew me away when I found samples of business marketing letters I could use to find potential new customers. I have discovered that everyone likes reading letters, and the business marketing letters I now use-thanks to the samples in this book-have dramatically boosted my

sales." Nadal S.

How to Write It, Third Edition John Wiley & Sons

A comprehensive volume for establishing a patient service recovery program to handle both everyday & serious complaints, this guide offers a system that adapts many successful customer service techniques from other service industries to a health care setting.

Operation of the Urban Property Protection and Reinsurance Program Routledge

This book/CD-ROM reference for professionals teaches letter-writing basics and offers style and grammar guidelines, along with some 365 sample letters for sales, marketing, and public relations, vendor and supplier issues, credit and collections, transmittal and confirmation, personnel matters, and every other business situation. Appendices list frequently misused words, punctuation guidelines, abbreviations, and telephone and online grammar hotlines. The CD-ROM contains all of the sample letters from the book, which can be customized for immediate use. Seglin teaches magazine publishing in the graduate department

Amacom Books

The S corporation is the most popular entity for closely-held businesses, but the rules that regulate S corporations and make it a popular choice are complex, confusing and changing. CCH's popular S Corporation Taxation offers an in-depth and comprehensive analysis to S corporation taxation and uses extensive examples to illustrate both simple and complex situations. In areas where authorities do not provide clear guidance, the author constructs plausible courses of action, with appropriate analysis. Published annually, S Corporation Taxation focuses on the rules of Subchapter S of the Internal Revenue Code and integrates these rules with other portions of the tax law that can have substantial impact on S corporations and their shareholders. At the end of each chapter are pertinent checklists, worksheets and sample election letters to help apply the concepts discussed to the reader's

actual work.

Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of 101 Sample Write-Ups for Documenting Employee Performance Problems includes expertly crafted, easily customizable write-ups that address: sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more! With each sample document also including a performance improvement plan,

outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

All of the legal forms and documents necessary to allow individuals and families to handle their own day-to-day legal problems without the need for an attorney.

Problems of Contract Termination Jones & Bartlett Learning

The Iran-US Claims Tribunal, concerned principally with the claims of US nationals against Iran, is the most important international claims tribunal to have sat in over half a century. Its jurisprudence is bound to make a uniquely important contribution to international law and, in particular, the law relating to aliens. The series is the only complete and fully indexed report of the decisions of this unique Tribunal. These Reports are essential for all practitioners in the field of international claims, academics in private and public international law

and comparative lawyers as well as all Governments and law libraries. Each volume contains a detailed consolidated index and tables of cases covering the whole series to date.

AMA Handbook of Business Letters NOLO Help take your startup to the next step with the new and revised edition of the popular book on the VC deal process—from the co-founders of the Foundry Group How do venture capital deals come together? This is one of the most frequent questions asked by each generation of new entrepreneurs. Surprisingly, there is little reliable information on the subject. No one understands this better than Brad Feld and Jason Mendelson. The founders and driving force behind the Foundry Group—a venture capital firm focused on investing in early-stage information technology companies—Brad and Jason have been involved in hundreds of venture capital financings. Their investments range from small startups to large Series A venture financing rounds. The new edition of *Venture Deals* continues to show fledgling entrepreneurs

the inner-workings of the VC process, from the venture capital term sheet and effective negotiating strategies to the initial seed and the later stages of development. Fully updated to reflect the intricacies of startups and entrepreneurship in today's dynamic economic environment, this new edition includes revisions and updates to coverage on negotiating, gender issues, ICO's, and economic terms. New chapters examine legal and procedural considerations relevant to fundraising, bank debt, equity and convertible debt, how to hire an investment banker to sell a company, and more. Provides valuable, real-world insights into venture capital structure and strategy Explains and clarifies the VC term sheet and other misunderstood aspects of capital funding Helps to build collaborative and supportive relationships between entrepreneurs and investors Draws from the author's years of practical experience in the VC arena Includes extensively revised and updated content throughout to increase readability and currency

Venture Deals: Be

Write personal and professional communications with clarity, confidence, and style. *How to Write It* is the essential resource for

eloquent personal and professional self-expression. Award-winning journalist Sandra E. Lamb transforms even reluctant scribblers into articulate wordsmiths by providing compelling examples of nearly every type and form of written communication.

Completely updated and expanded, the new third edition offers hundreds of handy word, phrase, and sentence lists, precisely crafted sample paragraphs, and professionally designed document layouts. *How to Write It* is a must-own for students, teachers, authors, journalists, bloggers, managers, and anyone who doesn't have time to wade through a massive style guide but needs a friendly desk reference.

Board of Contract Appeals Decisions Wolters Kluwer Offers legal advice for tenants in New York, discusses common rental problems and solutions, and includes instructions for preparing legal forms and letters.

California. Court of Appeal (3rd Appellate District).

Records and Briefs Jones & Bartlett Learning Though the fundamentals of letter writing have remained the same, the way we communicate in

business is constantly evolving. With the understanding that consistently professional correspondence is essential to success in any industry, *The AMA Handbook of Business Letters* offers readers a refresher course in letter-writing basics--including focusing the message, establishing an appropriate tone, and getting your readers' attention. You'll also receive tips that apply to all written forms of communication on things like salutations, subject lines, signatures, and formatting. Jeffrey Seglin, communications director and professor of Harvard University's graduate and professional school, and author Edward Coleman provide over 370 customizable model letters, divided into categories reflecting various aspects of business such as sales, marketing, public relations, customer service, human resources, credit and collection, purchasing, permissions, and confirmations. With helpful appendices listing common mistakes in grammar, word usage, and punctuation, the latest version of this adaptable book--extensively updated with

more than 25 percent new material--will assist professionals through every conceivable business correspondence with confidence.

New York Tenants' Rights Santa Monica Press

The legal forms and state rules every landlord and property manager needs To keep up with the law and make money as a residential landlord, you need a guide you can trust: *Every Landlord's Legal Guide*. From move-in to move-out, here's help with legal, financial, and day-to-day issues.

You'll avoid hassles and headaches—not to mention legal fees and lawsuits. Use this top-selling book to: screen and choose tenants prepare leases and rental agreements avoid discrimination, invasion of privacy, personal injury, and other lawsuits hire a property manager keep up with repairs and maintenance make security deposit deductions respond to broken leases learn how to terminate a tenancy for nonpayment of rent or other lease violations restrict tenants from renting their place on Airbnb, and deal with bed bugs, mold, and lead hazards. The 17th edition is completely updated to

provide your state's current laws on security deposits, rent, entry, termination, late rent notices, and more. It also provides tips and guidance to help landlords navigate new state and local laws on screening tenants. Attorneys Ann O'Connell, a Nolo editor and real estate broker, and Janet Portman, Nolo's Executive Editor, specialize in landlord-tenant law. Together, they are also co-authors of *Leases and Rental Agreements* and *Every Tenant's Legal Guide*. [Every Landlord's Legal Guide](#) Silver Lake Publishing

Every day, huge numbers of people use drugs or alcohol for recreation, medication, celebration, stress management, social lubrication, or escape. The abuse of

psychoactive chemicals touches individual lives in countless ways, and clients frequently hint in therapy sessions at problems related to substance misuse. But historically, substance abuse treatment has been regarded as a separate specialty, for which students and trainees often prepare along tracks different from those leading to licensing or certification as psychotherapists. Few non-specialists feel completely competent and willing to grapple closely with the issues these clients present, in spite of the fact that such problems are quite frequent among client populations. In this book, Cynthia Glidden-Tracey lays out an integrated, holistic, and effective approach to clients' inevitably intertwined

problems, which encourages all practitioners to develop skills for detecting, assessing, and addressing substance use whenever concerns about it emerge in the course of therapy. She describes the frequent co-occurrence of substance misuse and other mental health problems, reviews therapy models and current professional questions, and empowers practitioners with the latest scientific knowledge about the causes and effective treatment of addictions. Throughout, her points are grounded in rich clinical examples. [Letter Writing Made Easy!](#) Mary Ann Hallenborg
