A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times–bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one—and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series “Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!”—Lilith Saintcrow, author of *The Devil's Right Hand* “This is one of those series I'm going to keep following.”—Jim Butcher, New York Times bestselling author of the Harry Dresden series “The mix of supernatural mystery, romance, and reluctant succubus is great fun.”—Locus “Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism.”—Booklist

A Seattle succubus with a shot at love gets a suspicious transfer to Las Vegas in this urban fantasy by a #1 New York Times–bestselling author. Georgina Kincaid has had an eternity to figure out the opposite sex, but sometimes they still surprise her. Take Seth Mortensen. The man has risked his soul to become Georgina's boyfriend. Still, with Lucifer for a boss, Georgina can't just hang up her killer heels and settle down to domestic bliss. In fact, she's being forced to transfer operations...to Las Vegas. The City of Sin is a dream gig for a succubus, but Georgina's allies are suspicious. Why are the powers-that-be so eager to get her away from Seattle—and from Seth? Georgina is one of Hell's most valuable assets, but if there's any way out of the succubus business she plans to take it—no matter how much roadkill she leaves behind. She just hopes the casualties won't include the one man she's risking everything for...
