Excerpt from Mont Oriol, or a Romance of

Auvergne, Vol. 8: A Novel

A portion of the ravine along the stream had

been inclosed, to constitute the park indispensable to every Spa; and three walks had been made, one nearly straight, and the other two zigzag. At the end of the first gushed out an artificial spring detached from the parent spring, and bubbling into a great basin of cement, sheltered by a straw roof, under the care of an impassive woman, whom everyone called Marie in a familiar sort Of way. This calm Auvergnat, who wore a little cap always as white as snow, and a big

apron, perfectly clean at all times, which concealed her working-dress, rose up slowly as soon as She saw a bather coming along the road in her direction. The bather would smile with a melancholy air, drink the water, and return her the glass, saying, Thanks, Marie. Then he would turn on his heel and walk away. And Marie sat down again on her straw chair to wait for the next comer. About the Publisher Forgotten Books publishes hundreds of thousands of rare and

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1903 edition. Excerpt: ... CHAPTER XIV. Christiane's Via Crucis \*he dawn of the following day brought bad news to Andermatt. He learned on his arrival at the bath-establishment that M.

Aubry Pasteur had died during the night from an attack of apoplexy at the Hotel Splendid. In addition to the fact that the deceased was very useful to him on account of his vast scientific attainments, disinterested zeal, and attachment to the Mont Oriol station, which, in some measure, he looked upon as a daughter, it was much to be regretted that a patient who had come there to fight against a tendency toward congestion should have died exactly in this

fashion, in the midst of his treatment, in the very height of the season, at the very moment when the rising spa was beginning to prove a success. The banker, exceedingly annoyed, walked up and down in the study of the absent inspector, thinking of some device whereby this misfortune might be attributed to some other cause, such as an accident, a fall, a want of prudence, the rupture of an artery; and he impatiently awaited Doctor Latonne's arrival in

order that the decease might be ingeniously certified without awakening any suspicion as to the initial cause of the fatality. All at once, the medical inspector appeared on the scene, his face pale and indicative of extreme agitation; and, as soon as he had passed through the door, he asked: "Have you heard the lamentable news?" "Yes, the death of M. Aubry-Pasteur." "No, no, the flight of Doctor Mazelli with Professor Cloche's daughter." Andermatt felt a shiver

running along his skin. "What? you tell me --" "Oh! my dear manager, it is a frightful catastrophe, a crash!" He sat down and wiped his forehead; then he related the facts as he got them from Petrus Martel, who had learned them...

"Mont-Oriol" de Guy de Maupassant dépeint une scène fascinante dans

une station thermale en France. L'histoire se déroule autour de l'hôtel Mont-Oriol, où des personnages de différentes classes sociales se croisent. Maupassant explore les jeux de pouvoir, les intrigues amoureuses et les rivalités sociales au sein de ce microcosme. L'œuvre offre une peinture vive de la société de l'époque, mettant en lumière les aspirations, les désirs et les tensions entre les individus. Entre satire sociale et réflexion sur les rapports humains,

"Mont-Oriol" présente une vision tranchante et lucide de la condition humaine dans un cadre où les convenances et les passions se heurtent. *Mont Oriol - Scholar's Choice Edition* BoD - Books on Demand Although best known as a master of the short story, French author de Maupassant also produced several novels. This Romance of Auvergne was first published in 1887 and is reprinted from an English translation of 1903. *Mont-Oriol from the*

Maupassant is a French romance novel set in Auvergne. The story reveals the social life and customs of the 19th century along with interpersonal relationships. Excerpt: "The first bathers, the early risers, who had already been at the water, were walking slowly, in pairs or alone, under the huge trees along the stream which rushes down the gorges of Enval. Others arrived from the village, and entered the establishment in a hurried fashion. It was a spacious

building, the ground floor being reserved for thermal treatment, while the first story served as a casino, café, and billiard-room. Since Doctor Bonnefille had discovered in the heart of Enval the great spring, baptized by him the Bonnefille Spring, some proprietors of the country and the surrounding neighborhood, timid speculators, had decided to erect in the midst of this superb glen of Auvergne...
