This is the
lighthearted
story of

American
Cody McClain
Brown's
adjustments
to life in
Croatia. After
falling in love
with an
enigmatic,
beautiful
Croatian girl
(whom he
knows is from
Croatia but
assumes that
means
Russia), Cody
eventually
woos her and
the two move
to Split,
Croatia.
There, he
encounters a

world of deadly drafts, endless coffees, and the forceful will of his matriarchal mother-in-law. Chasing a Croatian Girl moves past the beautiful pictures of Croatia and humorously discovers the beauty of Croatia's people and culture. *The Affair* Založba ZRC
 BONUS: This edition contains an excerpt from Dr. Susan Forward's *Men Who Hate Women and the Women Who Love*

Them. When you were a child... Did your parents tell you were bad or worthless? Did your parents use physical pain to discipline you? Did you have to take care of your parents because of their problems? Were you frightened of your parents? Did your parents do anything to you that had to be kept secret? Now that you are an adult... Do your parents still treat you as if you were a child? Do

you have intense emotional or physical reactions after spending time with your parents? Do your parents control you with threats or guilt? Do they manipulate you with money? Do you feel that no matter what you do, it's never good enough for your parents? In this remarkable self-help guide, Dr. Susan Forward drawn on case histories and the real-life voices of adult children of

toxic parents to help you free yourself from the frustrating patterns of your relationship with your parents -- and discover an exciting new world of self-confidence, inner strength, and emotional independence.

Late in the Day New Directions Publishing
Ten-year-old Darcy Burdock is one of life's noticers. Curious, smart, funny and fiercely loyal, she sees the extraordinary in the

everyday and the wonder in the world around her. In this first book, we are introduced to her family: Mum, who Darcy loves as much as her favourite fried egg and chips, Dad, who is kind and fair if a bit hopeless, and little siblings Hector and Poppy, who Darcy likes dressing up in ridiculous outfits and having dance-offs with, respectively. Plus there's her pet lamb, Lamb-Beth and best friend, Will, to

have adventures with. Darcy learns that turning into an angrosaurus-rex and causing chaos just gets you in trouble, it's best not to throw a massive strop just before your surprise birthday party, Halloween is all about spider costumes and having a pumpkin with a wonky eye, and if you're ever in a situation where you're not sure what to do, you should write a story around

it, and the truth will be illuminated by your imagination. The Fallen Angel Routledge More than twenty years ago, a little-known Swiss psychoanalyst wrote a book that changed the way many people viewed themselves and their world. In simple but powerful prose, the deeply moving Drama of the Gifted Child showed how parents unconsciously form and deform the emotional

lives of their children. Alice Miller's stories about the roots of suffering in childhood resonated with readers, and her book soon became a backlist best seller. In The Truth Will Set You Free Miller returns to the intensely personal tone and themes of her best-loved work. Only by embracing the truth of our past histories can any of us hope to be free of pain in the present, she argues. Miller uses vivid true stories to

reveal the perils of early-childhood mistreatment and the dangers of mindless obedience to parental will. Drawing on the latest research on brain development, she shows how spanking and humiliation produce dangerous levels of denial, which leads in turn to emotional blindness and to mental barriers that cut off awareness and the ability to learn new ways of

acting. If this cycle repeats itself, the grown child will perpetrate the same abuse on later generations -- a message vitally important, especially given the increasing popularity of programs like Tough Love and of "child disciplinarians" like James Dobson. *The Truth Will Set You Free* will provoke and inform all readers who want to know Alice Miller's latest thinking on this important subject.

Chasing a Croatian Girl Farrar, Straus and Giroux The 25th Anniversary ebook, now with more than 50 images. 'Touching the Void' is the tale of two mountaineer's harrowing ordeal in the Peruvian Andes. In the summer of 1985, two young, headstrong mountaineers set off to conquer an unclimbed route. They had triumphantly reached the summit, when a horrific

accident mid-descent forced one friend to leave another for dead. Ambition, morality, fear and camaraderie are explored in this electronic edition of the mountaineering classic, with never before seen colour photographs taken during the trip itself. Heretics Illustrated Candlewick Press After narrowly surviving his last operation, Gabriel Allon, the wayward son of Israeli intelligence,

has taken
 refuge behind
 the walls of
 the Vatican,
 where he is
 restoring one
 of
 Caravaggio's
 greatest
 masterpieces.
 But early one
 morning he is
 summoned to
 St. Peter's
 Basilica by
 Monsignor
 Luigi Donati,
 the all-
 powerful
 private
 secretary to
 His Holiness
 Pope Paul VII.
 The body of a
 beautiful
 woman lies
 broken
 beneath
 Michelangelo's
 magnificent
 dome. The
 Vatican police

suspect
 suicide,
 though
 Gabriel
 believes
 otherwise. So,
 it seems, does
 Donati. But
 the monsignor
 is fearful that
 a public
 inquiry might
 inflict another
 scandal on the
 Church, and
 so he calls
 upon Gabriel
 to quietly
 pursue the
 truth—with
 one caveat.
 "Rule number
 one at the
 Vatican,"
 Donati said.
 "Don't ask too
 many
 questions."
 Gabriel learns
 that the dead
 woman had
 uncovered a

dangerous
 secret—a
 secret that
 threatens a
 global criminal
 enterprise
 that is looting
 timeless
 treasures of
 antiquity and
 selling them
 to the highest
 bidder. But
 there is more
 to this
 network than
 just greed. A
 mysterious
 operative is
 plotting an act
 of sabotage
 that will
 plunge the
 world into a
 conflict of
 apocalyptic
 proportions. . .
 . An
 intoxicating
 blend of art,
 intrigue, and
 history, The

Fallen Angel moves swiftly from the cloistered chambers of the Vatican to the glamorous ski slopes of St. Moritz to the graceful avenues of Berlin and Vienna—and, finally, to a shocking climax beneath the world's most sacred and contested parcel of land. Each setting in this extraordinary novel is rendered with the care of an Old Master, as are the spies, lovers, priests, and thieves who inhabit its

pages. It is a story of faith and of the destructive power of secrets—and an all too timely reminder that those who cannot remember the past are condemned to repeat it. *The Brave Adventures of Lapitch* Henry Z. Walck, Incorporated One of the greatest American dramatists of the 20th century, Tennessee Williams is known for his sensitive characterizations, poetic yet

realistic writing, ironic humor, and depiction, of harsh realities in human relationship. His work is frequently included in high school and college curricula, and his plays are continually produced. Critical Companion to Tennessee Williams includes entries on all of Williams's major and minor works, including *A Streetcar Named Desire*, *Cat on a Hot Tin Roof*, *The Glass Menagerie*, a

novel, a collection of short stories, two poetry collections, and personal essays; places and events related to his works; major figures in his life; his literary influences; and issues in Williams scholarship and criticism. Appendixes include a complete list of Williams's works; a list of research libraries with significant Williams holdings; and a bibliography of primary and secondary sources.

Routledge
For Your Own
Good, the
contemporary
classic
exploring the
serious if not
gravely
dangerous
consequences
parental
cruelty can
bring to bear
on children
everywhere, is
one of the
central works
by Alice Miller,
the celebrated
Swiss
psychoanalyst
. With her
typically lucid,
strong, and
poetic
language,
Miller

investigates
the personal
stories and
case histories
of various self-
destructive
and/or violent
individuals to
expand on her
theories about
the long-term
affects of
abusive child-
rearing. Her
conclusions—o
n what sort of
parenting can
create a drug
addict, or a
murderer, or a
Hitler—offer
much insight,
and make a
good deal of
sense, while
also straying
far from
psychoanalyti
c dogma
about human
nature, which
Miller

vehemently rejects. This important study paints a shocking picture of the violent world—indeed, of the ever-more-violent world—that each generation helps to create when traditional upbringing, with its hidden cruelty, is perpetuated. The book also presents readers with useful solutions in this regard—namely, to resensitize the victimized child who has been trapped

within the adult, and to unlock the emotional life that has been frozen in repression. *Grief in Children* Little, Brown
This volume provides a more detailed picture which might surprise those who thought they knew everything about Yugoslavia, as well as we are hoping to inspire others to read more about this historically social experiment that against all odds actually did

exist and prospered for a while in the midst of the spiders web of the global political chaos which lasts still today. Contributors cover a range of topics including ‘absolute modernity,’ film, and the preservation and creation of memory through clothing among others. *A French Novel* Springer
“With each new book by Tessa Hadley, I grow more convinced that she’s one of the greatest stylists

alive.”—Ron Charles, Washington Post New York Times Book Review Editors' Choice | A Parnassus First Editions Club Pick | Powell's Indispensable Book Club Pick | A Washington Post Notable Book | A Slate Best Book of the Year | A Boston Globe Best Book of the Year | A Bookpage Best Book of the Year The lives of two close-knit couples are irrevocably changed by an untimely

death in the latest from Tessa Hadley, the acclaimed novelist and short story master who “recruits admirers with each book” (Hilary Mantel). Alexandr and Christine and Zachary and Lydia have been friends since they first met in their twenties. Thirty years later, Alex and Christine are spending a leisurely summer's evening at home when they receive a call from a distraught Lydia: she is

at the hospital. Zach is dead. In the wake of this profound loss, the three friends find themselves unmoored; all agree that Zach, with his generous, grounded spirit, was the irreplaceable one they couldn't afford to lose. Inconsolable, Lydia moves in with Alex and Christine. But instead of loss bringing them closer, the three of them find over the following months that it warps their relationships, as old

entanglements and grievances rise from the past, and love and sorrow give way to anger and bitterness. Late in the Day explores the complex webs at the center of our most intimate relationships, to expose how, beneath the seemingly dependable arrangements we make for our lives, lie infinite alternate configurations. Ingeniously moving between past and present and through the intricacies

of her characters' thoughts and interactions, Tessa Hadley once again "crystallizes the atmosphere of ordinary life in prose somehow miraculous and natural" (Washington Post). *Green Smoothie Revolution* Penguin UK A 2016 National Book Award Finalist! Two-time Newbery Medalist Kate DiCamillo returns to her roots with a moving, masterful story of an

unforgettable summer friendship. Raymie Clarke has come to realize that everything, absolutely everything, depends on her. And she has a plan. If Raymie can win the Little Miss Central Florida Tire competition, then her father, who left town two days ago with a dental hygienist, will see Raymie's picture in the paper and (maybe) come home. To win, not only does Raymie have to do good deeds and

learn how to twirl a baton; she also has to contend with the wispy, frequently fainting Louisiana Elefante, who has a show-business background, and the fiery, stubborn Beverly Tapinski, who's determined to sabotage the contest. But as the competition approaches, loneliness, loss, and unanswerable questions draw the three girls into an unlikely friendship —

and challenge each of them to come to the rescue in unexpected ways. The Devil at Large Routledge This classic guide to green nutrition will appeal to anyone who wishes to develop a healthy diet without making sacrifices to taste or lifestyle. Everyone knows they need to eat more fruits and vegetables, but consuming the minimum FDA-

recommended five servings a day can be challenging. In *Green For Life*, raw foods pioneer Victoria Boutenko reveals an easy way to get the nutrients and minerals you need, in the amount you need: greens and green smoothies. This quick, simple drink eliminates toxins and corrects nutritional deficiencies—benefiting everyone, regardless of lifestyle, diet, or environment.

And they're delicious. Green for Life includes the latest information on the abundance of protein in greens, the benefits of fiber, the role of greens in homeostasis, the significance of stomach acid, how greens make the body more alkaline, and more. Also included are easy-to-follow recipes with nutritional data, inspiring testimonials, and research on how adding just one quart of green

smoothies to your daily intake can make a world of difference. This updated edition also provides important new research on the role that omega-3 and omega-6 fatty acids play in metabolic health. Offering more in-depth nutritional and experiential information than Boutenko's Green Smoothie Revolution, Green for Life makes an ideal companion piece to its recipe-rich

successor. Raymie Nightingale Direct Authors Arrested for snorting cocaine off a car bonnet, award-winning author and quintessential dilettante Frederic Beigbeder reflects on his troubled childhood, while spending a night in the cells. **Plum Brandy** HarperCollins UK A novel exploring human relations. Its hero is a Hungarian writer who lives through

the 1956 Hungarian Revolution and has a homosexual affair with a German poet in East Berlin.

Maps of Meaning

 Heretics is a collection of 20 essays originally published by G.K. Chesterton in 1905

Vegan 100
 Createspace Independent Publishing Platform
 From the great Croatian writer: a masterly work of literature—hilarious,

unforgiving, and utterly reasonable
 Until the age of fifty-two, the protagonist of On the Edge of Reason suffered a monotonous existence as a highly respected lawyer. He owned a carriage and wore a top hat. He lived the life of “an orderly good-for-nothing among a whole crowd of neat, gray good-for-nothings.”
 But, one evening, surrounded by ladies and gentlemen at

a party, he hears the Director-General tell a lively anecdote of how he shot four men like dogs for trespassing on his property. In response, our hero blurts out an honest thought. From this moment, all hell breaks loose. Written in 1938, On the Edge of Reason reveals the fundamental chasm between conformity and individuality. As folly piles upon folly, hypocrisy upon

hypocrisy, reason itself begins to give way, and the edge between reality and unreality disappears.

This

Routledge

Revival, first

published in

1985, gives

detailed

attention to

the bearing of literary theory

on questions

of truth,

meaning and

reference. On

the one hand,

deconstructio

n brings a

vigilant

awareness of

the figural and

narrative tropes that make up the discourse of philosophic reason. On the other it insists that

argumentative rigour cannot

be divorced

from the kind of close

reading that

has come to

characterize

literary theory

in its more

advanced or

speculative

forms. This

present-day

'contest of

faculties' has

large

implications

for

philosophers

and critics,

many of whom

will welcome

the reissue of

such a clear-headed statement of the impact of deconstruction.

A Book of Memories

Bernadette

Fox is

notorious. To

her Microsoft-guru husband, she's a fearlessly opinionated partner; to fellow private-school mothers in Seattle, she's a disgrace; to design mavens, she's a revolutionary architect; and to 15-year-old Bee, she is her best friend and, simply, Mom. Then Bernadette vanishes. It all began when Bee aced her report card and claimed her promised reward: a family trip to Antarctica. But

Bernadette's intensifying allergy to Seattle -- and people in general -- has made her so agoraphobic that a virtual assistant in India now runs her most basic errands. A trip to the end of the earth is problematic. To find her mother, Bee compiles email messages, official documents, and secret correspondence -- creating a compulsively readable and surprisingly touching novel about misplaced

genius and a mother and daughter's role in an absurd world. *Touching the Void* Delacorte Press
Prispevki v knjigi tematizirajo ljubezen do domovine pri posameznikih in skupinah, ki ne ustrezajo prevladujočem pojmovanju domoljuba, zaradi česar se jim simbolno odvzame pravica do ljubezni do domovine. Avtorji obravnavajo ljubezen do domovin/e pri izseljencih, priseljencih,

pripadnikov etničnih in spolnih manjšin, otrocih iz mešanih zakonov, anarhistih ter družbenih kritikov in aktivistov. Tako avtorji prispevkov kot njihovi akterji se zavzemajo za razumevanje in practiciranje kritičnega domoljubja, za držo, ki jo najbolje	povzemajo besede »misli s svojo glavo« <i>Prosvjeta</i> Macmillan Hidden away in the Record Department of the sprawling Ministry of Truth, Winston Smith skilfully rewrites the past to suit the needs of the Party. Yet he inwardly rebels against the totalitarian world he lives in, which demands	absolute obedience and controls him through the all-seeing telescreens and the watchful eye of Big Brother, symbolic head of the Party. In his longing for truth and liberty, Smith begins a secret love affair with a fellow-worker, Julia, but soon discovers the true price of freedom is betrayal.
