An evil army threatens to destroy all of Minecraft in the third Gameknight999 adventure! The ghost king Malacoda and the terrible enderman Erebos have led their monster army to the server that houses the Source, with plans to destroy Minecraft and all the digital lives on its

servers before escaping once and for all into the real world. Only Gameknight999, the User-that-is-not-a-user, and his small army of NPCs can stop them. But the monster horde is growing bigger by the day, as if they are being helped by an unknown someone . . . or something. A secret lurks in the shadows as Gameknight and his friends race across the server, a secret with evil glowing white eyes. To defeat the monsters of the night, Gameknight will first need to find out how monsters are being created so quickly. His quest will eventually take his army into a different dimension altogether, where an island floats ominously in the Void and a deadly creature flaps its gigantic wings . . . Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud

to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes

overlooked and to authors whose work might not otherwise find a home.

The indispensable primer for achieving redstone greatness
Minecraft Redstone For Dummies is the complete guide to finding, using, and maximizing the power of redstone in the Minecraft world. This key element is essential for crafting and brewing, and can be placed on the ground as redstone dust – a flat,

transparent block that can transmit redstone power, the major component of most redstone circuits. Written by a recognized Minecraft expert, this useful guide walks you through mining, smelting, and other methods of obtaining redstone, and teaches you how to make the most of your redstone stores. Craft a compass, piston, lamp, or torch, brew a potion that reverts to Level 1, or turn it to dust to help find nearby power components. Whether you're in Creative or Survival mode, redstone mastery is crucial for successful gameplay. Minecraft is a worldwide phenomenon, boasting over 100 million players from around the world. While gameplay varies according to player preference, redstone remains a central element that allows players to build,

brew and create as they advance through the biomes. *Minecraft Redstone For Dummies* teaches you everything you need to know about redstone, including how to get it and how best to use it. Learn which methods result in more redstone per attempt. Discover how redstone is used in crafting and brewing. Use redstone dust to build circuits and power mechanical components. Understand redstone power, including source, levels, and configuration. Don't be content to acquire what you stumble across. Redstone's versatility makes it an indispensable resource in the *Minecraft* world, and knowing where to find it and how to use it efficiently can make all the difference in your gameplay. If you're ready to level up, *Minecraft Redstone For Dummies* will

make you a redstone guru in no time. [No-Drama Discipline](#) Harvard Education Press
NEW YORK TIMES BESTSELLER • The first official *Minecraft* novel! The author of *World War Z* tells the story of a hero—stranded in the world of *Minecraft*—who must unravel the secrets of a mysterious island in order to survive. “A rollicking adventure yarn; *Robinson Crusoe* for the digital age.”—NPR Washed up on a beach, the lone castaway looks around the shore. Where am I? Who am I? And why is everything made of blocks? But there isn't much time to soak up the sun. It's getting dark, and there's a strange new world to explore! The top priority is finding food. The next is not becoming food. Because there are others out there

on the island . . . like the horde of zombies that appears after nightfall. Crafting a way out of this mess is a challenge like no other. Who could build a home while running from exploding creepers, armed skeletons, and an unstoppable tide of hot lava? Especially with no help except for a few makeshift tools and sage advice from an unlikely friend: a cow. In this world, the rules don't always make sense, but courage and creativity go a long way. There are forests to explore, hidden underground tunnels to loot, and undead mobs to defeat. Only then will the secrets of the

island be revealed.
