 "Naila's vacation to visit relatives in Pakistan turns into a nightmare when she discovers her parents want to force her to marry a man she's never met"--
Under the Stars Sous les étoiles Houghton Mifflin Harcourt
 THIS. MEANS. WAR. The explosive conclusion to David Baldacci's instant #1 worldwide bestselling and award-winning fantasy series. From the beginning, the fight was coming. Vega Jane fought her way out of the village where she was born, crossed a wilderness filled with vicious creatures, and raised a ragtag army behind her. But each triumph earned through grit and pain only brought her closer to him. Necro. A sorcerer whose unspeakable evil is matched only by his magical power. Vega and Necro are on a collision course. The clash between his awesome power and her iron will is going to shake the stars down. Their fight will seal their fates . . . and determine the future of their world. The battle rages in *The Stars Below*, the furious conclusion to legendary

storyteller David Baldacci's #1 global bestselling Vega Jane series.

The Stars Just Up the Street English Italian Bilingual Collection
 In the first book in the epic Lamb among the Stars series, author Chris Walley weaves the worlds of science and the spirit, technology and supernatural into something unique in science fiction. Twelve thousand years into the future, the human race has spread across the galaxy to hundreds of terraformed worlds. The effects of the Fall have been diminished by the Great Intervention, and peace and contentment reign under the gentle rule of the Assembly. But suddenly, almost imperceptibly, things begin to change. On the remotest planet of Farholme, Forester Merral D'Avanos hears one simple . . . lie. Slowly a handful of men and women begin to realize that evil has returned and must be fought. What will this mean for a people to whom war and evil are ancient history? Thus begins the epic that has been described as "If C. S. Lewis and Tolkien had written Star Wars." *The Shadow and Night* was previously published in two volumes: *The Shadow at Evening* and *The Power of the Night*.

THE NEW #1 BESTSELLER FROM THE AUTHOR OF THE WONDER AND ROOM Dublin, 1918: three days in a maternity ward at the height of the great flu. A small world of work, risk, death and unlooked-for love, by the bestselling author of *The Wonder and Room*. In an Ireland doubly ravaged by war and disease, Nurse Julia Power works at an understaffed hospital in the city centre, where expectant mothers who have come down with the terrible new flu are quarantined together. Into Julia's regimented world step two outsiders—Doctor Kathleen Lynn, on the run from the police, and a young volunteer helper, Bridie Sweeney. In the darkness and intensity of this tiny ward, over three days, these women change each other's lives in unexpected ways. They lose patients to this baffling pandemic, but they also shepherd new life into a fearful world. With tireless tenderness and humanity, caregivers and mothers alike somehow do their impossible work. In *The Pull of the Stars*, Emma Donoghue once again finds the light in the darkness in this new classic of hope and survival against all odds.

From international bestselling author Mario Escobar comes a story of escape, sacrifice, and hope amid the perils of the Second World War. August 1942. Jacob and Moses Stein, two young Jewish brothers, are staying with their aunt in Paris amid the Nazi occupation. The boys' parents, well-known German playwrights, have left the brothers in their aunt's care until they can find safe harbor for their family. But before the Steins can reunite, a great and terrifying roundup occurs. The French gendarmes, under Nazi

order, arrest the boys and take them to the Vélodrome d'Hiver—a massive, bleak structure in Paris where thousands of France's Jews are being forcibly detained. Jacob and Moses know they must flee in order to survive, but they only have a set of letters sent from the South of France to guide them to their parents. Danger lurks around every corner as the boys, with nothing but each other, trek across the occupied country. Along their remarkable journey, they meet strangers and brave souls who put themselves at risk to protect the children—some of whom pay the ultimate price for helping these young refugees of war. This inspiring novel, now available for the first time in English, demonstrates the power of family and the endurance of the human spirit—even through the darkest moments of human history. World War II historical fiction inspired by true events Book length: 94,000 words Includes discussion questions for reading groups, a historical timeline, and notes from the author "A poignant telling of the tragedies of war and the sacrificing kindness of others seen through the innocent eyes of children." —J'nell Ciesielski, bestselling author of *The Socialite* and *Beauty Among Ruins*

Written in the Stars Thomas Nelson

An astronaut returns to Earth after a 10-year mission and finds a society that he barely recognizes in science fiction novel by the Solaris author, whose works "make our weary universe seem pale and undistinguished by comparison" (*The Washington Post*). Stanisław Lem's *Return from the Stars* recounts the experiences of Hal Bregg, an astronaut who returns from an exploratory mission that lasted ten years—although because of time dilation, 127 years have passed on Earth. Bregg finds a society that he hardly recognizes, in which danger has been eradicated. Children are "betriated" to remove all aggression and violence—a process that also removes all impulse to take risks and explore. The people of Earth view Bregg and his crew as "resuscitated Neanderthals," and pressure them to undergo betriation. Bregg has serious difficulty in navigating the new social mores. While Lem's depiction of a risk-free society is bleak, he does not portray Bregg and his fellow astronauts as heroes. Indeed, faced with no opposition to his aggression, Bregg behaves abominably. He is faced with a choice: leave Earth again and hope to return to a different society in several hundred years, or stay on Earth and learn to be content. With *Return from the Stars*, Lem shows the shifting boundaries between utopia and dystopia.

"I was hooked from the very first page!" - Christina Lauren, New York Times bestselling author of *In a Holiday* "This book is a delight." - New York Times Book Review A National Bestseller and winner of the Lambda Literary Award for Best Lesbian Romance! Featured on Shondaland, Oprah Mag, Bustle, The New York Times Book Review, Buzzfeed, POPSUGAR, Entertainment Weekly, Washington Post, NPR, Culturess, Vulture, and more. Named one of the Best Romances of 2020 by Washington Post, Bustle, and Buzzfeed! With nods to *Bridget Jones* and *Pride & Prejudice*, this debut is a delightful queer rom-com about a free-spirited social media astrologer who agrees to fake a relationship with a grumpy actuary until New Year's Eve—with results not even the stars could predict! After a disastrous blind date, Darcy Lowell is desperate to stop her well-meaning brother from playing matchmaker ever again. Love—and the inevitable heartbreak—is the last thing she wants. So she fibs and says her latest set up was a success. Darcy doesn't expect her lie to bite her in the ass. Elle Jones, one of the astrologers behind the popular Twitter account *Oh My Stars*, dreams of finding her soul mate. But she knows it is most assuredly not Darcy... a no-nonsense stick-in-

the-mud, who is way too analytical, punctual, and skeptical for someone as free-spirited as Elle. When Darcy's brother—and Elle's new business partner—expresses how happy he is that they hit it off, Elle is baffled. Was Darcy on the same date? Because... awkward. Darcy begs Elle to play along and she agrees to pretend they're dating. But with a few conditions: Darcy must help Elle navigate her own overbearing family during the holidays and their arrangement expires on New Year's Eve. The last thing they expect is to develop real feelings during a faux relationship. But maybe opposites can attract when true love is written in the stars? "Everything I want from a rom-com: fun, whimsical, sexy." - Talia Hibbert, USA Today bestselling author of *Get a Life*, Chloe Brown

"Something in me knows of a life I was meant to live but for whatever reason, I have not . . . "Words that ring painfully true for Adam Sheppard, a San Francisco programmer who has spent the vast majority of his 30-something years lost in the dim glow of a computer screen. On the verge of a psychotic break, Adam begins to have a recurring dream of his early childhood and the hauntingly rustic town of Mendocino, California, where he grew up. Convinced he has left something behind there, something vital to his present sanity, Adam walks away from his current life to figure out what that is. One evening, out on the cliffs overlooking the Pacific Ocean, Adam has a chance encounter with a mysterious woman, only to later realize that she may be a long forgotten childhood friend. The coincidence of their reunion only deepens as Adam discovers that the woman has also returned to Mendocino due to a recurring dream, eerily similar to his own. Lost soulmates drawn together through time and space, or perhaps their meeting is only the beginning of a much deeper mystery. As Adam awakens to the possibility that his life could be destined for more than a bleak virtual wasteland, he soon finds himself a crucial pawn in a game that pits forces intent on enslaving the human spirit against those few quixotic souls who still search for meaning, beauty, and magic in the world.

"The right story at the right time. . . . It's not just a narrative; it's an experience. It's the novel we've been waiting for." —The New York Times A boy tries to steer a safe path through the projects in Harlem in the wake of his brother's death in this outstanding debut novel that celebrates community and creativity. Winner of the Coretta Scott King John Steptoe Award for New Talent and soon to be a major motion picture directed by Michael B. Jordan! It's Christmas Eve in Harlem, but twelve-year-old Lolly Rachpaul and his mom aren't celebrating. They're still reeling from his older brother's death in a gang-related shooting just a few months earlier. Then Lolly's mother's girlfriend brings him a gift that will change everything: two enormous bags filled with Legos. Lolly's always loved Legos, and he prides himself on following the kit instructions exactly. Now, faced with a pile of building blocks and no instructions, Lolly must find his own way forward. His path isn't clear—and the pressure to join a "crew," as his brother did, is always there. When Lolly and his friend are beaten up and robbed, joining a crew almost seems like the safe choice. But building a fantastical Lego city at the community center provides Lolly with an escape—and an unexpected bridge back to the world. David Barclay Moore paints a powerful portrait of a boy teetering on the edge—of adolescence, of grief, of violence—and shows how Lolly's inventive spirit helps him build a life with firm foundations and open doors. A New York Times Notable Book A Time Magazine Top 10 Children's Books of the Year A Boston Globe Best Children's Book of the Year Six Starred Reviews "A fast and furious read in which we meet some amazing people, people that stay with us. David Barclay Moore is an exciting new voice. We definitely haven't heard the last of his brilliance."

—Jacqueline Woodson, Newbery Honor and National Book Award-winning author of *Brown Girl Dreaming* "The Stars Beneath Our Feet is about the weight of the world on the back of a child, and the creative tools necessary to alleviate that pressure. I found myself rooting for Lolly, and you will too."

When two brothers take a road trip to visit their ill father, their journey reveals, not only an unexpected friendship, but also some surprising truth It is late summer 2008 and forty-year-old Salinger Nash, who has been plagued since adolescence by a mercurial depression, leaves the north-west London house he shares with girlfriend for his older brother, Carson's home in New Orleans. It is Carson who has persuaded Salinger that they should visit their estranged father on his deathbed in Las Cruces, and use it as an opportunity to heal old wounds. However it is with a sense of foreboding that Salinger sets off with his brother on a road trip from New Orleans in Carson's prized brand new Lexus, as their relationship is far from amicable. Tender, funny, unflinching, this is a road trip story in the great American literary tradition and an exploration of sibling rivalry that harks back to Cain and Abel. It is a vivid glimpse of a country through the eyes of an outsider, a profound exploration of brotherhood and a gripping journey of the soul. 'With its tender, funny, unflinchingly exploration of sibling rivalry, this is a vivid glimpse of a country through the eyes of an outsider, a profound exploration of brotherhood and a gripping journey of the soul' - GQ 'There is a tragic rejection at the heart of the story. Lott is attempting to solve what he sees as a deep-rooted crime against humanity, excavating the blank spaces beneath the rawness of everyday life' - Independent 'Under the Same Stars, a tender-hearted novel of sibling rivalries, is no less memorable than his family memoir *The Scent of Dried Roses*' - Spectator
