Helpful series photographs demonstrate the process for creating a variety of traditional images, including landscapes, maritime themes, fruits, flowers, animals, and human figures. But their situation changes suddenly and dramatically the day her grandparents arrive to help them leave. It's the beginning of a different kind

of life for Lacey, and at first she has a hard time letting go of her dad's rules. Gradually though, his hold on her lessens, and her days become filled with choices she's never had before.
