 Author, activist, and TED speaker Ashton Applewhite has written a rousing manifesto calling for an end to discrimination and prejudice on the basis of age. In our youth obsessed culture, we're bombarded by media images and messages about the despairs and declines of our later years. Beauty and pharmaceutical companies work overtime to convince people to purchase products that will retain their youthful appearance and vitality. Wrinkles are embarrassing. Gray hair should be colored and bald heads covered with implants. Older minds and bodies are too frail to keep up with the pace of the modern working world and olders should just step aside for the new generation. Ashton Applewhite once held these beliefs too until she realized where this prejudice comes from and the damage it does. Lively, funny, and deeply researched, *This Chair Rocks* traces her journey from apprehensive boomer to pro-aging radical, and in the process

debunks myth after myth about late life. Explaining the roots of ageism in history and how it divides and debases, Applewhite examines how ageist stereotypes cripple the way our brains and bodies function, looks at ageism in the workplace and the bedroom, exposes the cost of the all-American myth of independence, critiques the portrayal of elders as burdens to society, describes what an all-age-friendly world would look like, and offers a rousing call to action. It's time to create a world of age equality by making discrimination on the basis of age as unacceptable as any other kind of bias. Whether you're older or hoping to get there, this book will shake you by the shoulders, cheer you up, make you mad, and change the way you see the rest of your life. Age pride! "Wow. This book totally rocks. It arrived on a day when I was in deep confusion and sadness about my age. Everything about it, from my invisibility to my neck. Within four or five wise, passionate pages, I had found insight, illumination, and inspiration. I never use the word empower, but this book has empowered

me." —Anne Lamott, New York Times bestselling author

Assembly Grand Central Publishing

The inspiring and hilarious story of Patch Adams's quest to bring free health care to the world and to transform the way doctors practice medicine • Tells the story of Patch Adam's lifetime quest to transform the health care system • Released as a film from Universal Pictures, starring Robin Williams Meet Patch Adams, M.D., a social revolutionary who has devoted his career to giving away health care. Adams is the founder of the *Gesundheit* Institute, a home-based medical practice that has treated more than 15,000 people for free, and that is now building a full-scale hospital that will be open to anyone in the world free of charge. Ambitious? Yes. Impossible? Not for those who know and work with Patch. Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him, Adams does whatever is necessary to help heal. In his frequent lectures at medical schools and international conferences, Adams's

irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine. All author royalties are used to fund The Gesundheit Institute, a 40-bed free hospital in West Virginia. Adams's positive vision and plan for the future is an inspiration for those concerned with the inaccessibility of affordable, quality health care. Today's high-tech medicine has become too costly, impersonal, and grim. In his frequent lectures to colleges, churches, community groups, medical schools, and conferences, Patch shows how healing can be a loving, creative, humorous human exchange--not a business transaction.

An unrivaled survey of the most exciting contemporary interior design across the globe, curated by the editors of ten international editions of Architectural Digest. Since 1920, Architectural Digest has celebrated design talents, innovative homes, and products--providing endless decoration, lifestyle, and

travel inspiration. With ten global editions, the magazine is an authority renowned all over the world for publishing only the very best of today's interior design. In this new volume--spearheaded by AD France's editor in chief, Marie Kalt--the editors of Architectural Digest's international editions have teamed up to thoughtfully curate a collection of today's most exceptional interiors around the globe. These diverse residential spaces span from the United States and China, to France, Italy, Germany, Russia, Spain, India, Mexico, and the Middle East, presenting each country's unique "AD style manifesto" and the work of design luminaries such as Peter Marino, Martyn Lawrence Bullard, Jacques Grange, Joseph Dirand, and Bijoy Jain, to name a few. The featured projects range from Marc Jacobs's New York townhouse to Tommy Hilfiger's Connecticut abode and Seth Meyers's Manhattan duplex; a sumptuous eighteenth-century Italian villa and a Moroccan palace; Pierre Bergé's apartment and a hôtel particulier in Paris; a Majorca summer home; and a country house in Russia. Brimming with

stunning images and rich international inspirations, this unparalleled compendium of global interiors is a must for every library of interior design.

A House Is a House for Me
American Library Association

#1 New York Times bestseller "Barry will teach you almost everything you need to know about one of the deadliest outbreaks in human history."—Bill Gates "Monumental... an authoritative and disturbing morality tale."—Chicago Tribune
The strongest weapon against pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, "The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make

whatever horror exists concrete. Only then will people be able to break it apart." At the height of World War I, history's most lethal influenza virus erupted in an army camp in Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease.

McGraw Hill Professional
What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions

in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of *Understanding by Design* apply to district frameworks as well as to individual units of curriculum. Combining provocative ideas, thoughtful analysis, and

tested approaches, this new edition of *Understanding by Design* offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

Anita de la Torre never questioned her freedom living in the Dominican Republic. But by her 12th birthday in 1960, most of her relatives have emigrated to the United States, her Tío Toni has disappeared without a trace, and the government's secret police terrorize her remaining family because of their suspected opposition of el Trujillo's dictatorship. Using the strength and courage of her family, Anita must overcome her fears and fly to freedom, leaving all that she once knew behind. From renowned author Julia Alvarez comes an unforgettable story about adolescence, perseverance, and one girl's struggle to be free. *Presentation Zen* Farrar, Straus and Giroux (BYR)
An astonishing story that puts a human face on the ongoing debate about immigration reform in the

United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique’s *Journey* recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century

Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s *Journey* “Magnificent . . . Enrique’s *Journey* is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s *Journey* is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid.”—Newsday *The Spanish Style House* Rizzoli Publications The much-anticipated follow-up to the E. B. White Award-winning picture book *If I Built a Car* In *If I Built a Car*, imaginative Jack dreamed up a whimsical fantasy ride that could do just about anything. Now he’s

back and ready to build the house of his dreams, complete with a racetrack, flying room, and gigantic slide. Jack’s limitless creativity and infectious enthusiasm will inspire budding young inventors to imagine their own fantastical designs. Chris Van Dusen’s vibrant illustrations marry retro appeal with futuristic style as he, once again, gives readers a delightfully rhyming text that absolutely begs to be read aloud.

Lunch-Box Dream Penguin In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished , resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna

and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*. *If I Built a House* Random House

Bobby and his family are visiting Civil War battlefields on the eve of the war's centenary, while inside their car, quiet battles rage. When an accident cuts their trip short, they return home on a bus and witness an incident that threatens to deny a black family seats. What they don't know is the reason for the family's desperation to be on that bus: a few towns away, their child is missing. *Lunch-Box Dream* presents Jim Crow,

racism, and segregation from multiple perspectives. In this story of witnessing without understanding, a naïvely prejudiced boy, in brief flashes of insight, starts to identify and question his assumptions about race. *The Great Influenza* Bloomsbury Publishing USA

NOBEL PRIZE WINNER • From the author of *One Hundred Years of Solitude* comes the gripping story of the murder of a young aristocrat that puts an entire society—not just a pair of murderers—on trial. A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, as the story races to its inexplicable conclusion.

Chronicle of a Death Foretold Lulu.com

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

This previously unpublished work is essential reading for anyone who has followed Marco Frascari's scholarship and teachings over the last three decades. It also provides the perfect introduction for anyone new to his writings. As ever, Frascari does not offer prescriptive tools and frameworks to enact his theories of drawing and imagination; instead, he teaches how to build one's own through individual practice. An illuminating introduction places the text in a wider context, providing the reader with a fascinating and important context and understanding to this posthumous work.

Frascari's sketchbooks are reproduced faithfully in full colour to provide the reader with a remarkable insight into the design process of this influential mind.

Marco Frascari's Dream House Farrar, Straus and Giroux

"Here is a life story so unbelievable, it could only be true." —Sandra

Cisneros, bestselling author of *The House on Mango Street* From bestselling author of the remarkable memoir *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined

to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure. [This Chair Rocks](#) Pearson Education
At the 2019 Macy's Thanksgiving Day Parade, TODAY show anchor, Al Roker, had a hilarious run-in with a giant stick of butter that sent social media into a frenzy. With #butterman trending on Twitter, celebrities and noncelebrities alike remarked on the scene, which for many was the highlight of the parade. From that event, Donny Willis (a.k.a. the "Butter Man") has been featured on the TODAY show and a variety of other media

outlets. Borrowing from that experience and many others in his life, Donny seeks to answer questions like: Can big dreams actually become reality? If so, do we just stumble into these dreams, or can we do something to nudge them along? Is it just sheer luck, or is there a science to making dreams come true? As you walk alongside Donny on his journey unveiling the growth cycle of a dream, you will discover practical ideas you can apply to your own life as you head toward a better tomorrow.

The Last Lecture Laurel Leaf

FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's

world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Dreams from My Father

Celadon Books

Luminous new photography showcases contemporary and historic homes in the beloved Spanish Style in Southern California, while offering, as well, a rare look at the original inspirations to the style, born in Andalusia, Spain. The great appeal of Spanish Style homes lies in their aura of romance and drama, a sense of story, of magic, as well as in their very comfortable and engaging proportions and the great livability of the interior spaces. Deep shadow, arched doorways, trickling courtyard fountains, climbing bougainvillea on wrought-iron window grilles, wood-beamed ceilings, and white plaster walls are all hallmarks of the style. Here, through a

celebration of contemporary and historic homes in Southern California, as well as existing historic precedents in Andalusia, Spain--most notably the intricately detailed Casa de Pilatos in Seville and the Alhambra of Granada--The Spanish Style House presents the definitive picture of the style as it exists today. Featured homes include the George Washington Smith-designed Casa Blanca (1928)--a fantasy made real in stone and stucco replete with the romance of old Morocco in its horseshoe arches, domes, and evocative tile murals--and a Marc Appleton-designed beach house (2007) in Del Mar, California, which is a dream on the sea and an eloquent testament to the virtues of the style for today.

Anne Frank's Tales from the Secret Annex Rizzoli Publications

Netflix's series adaptation of One Hundred Years of Solitude premieres December 11, 2024! One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning

career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and

lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of

the history of the human race.

HUD Challenge Prufrock Press

Of Mice and Men es una novela escrita por el autor John Steinbeck. Publicado en 1937, cuenta la historia de George Milton y Lennie Small, dos trabajadores desplazados del rancho migratorio, que se mudan de un lugar a otro en California en busca de nuevas oportunidades de trabajo durante la Gran Depresión en los Estados Unidos.
