KELLEY PRANAV

Abbracci d'autunno. Cercando nuove primavere. Ediz. illustrata Hachette UK

A little girl chases her giant pumpkin all over town with some help along the way. It's the perfect bedtime story to read with your little pumpkin.

[Open This Little Book](#) Houghton Mifflin Harcourt

Like The Man Who Mistook His Wife for a Hat, this is a fascinating voyage into a strange and wonderful land, a provocative meditation on communication, biology, adaptation, and culture. In Seeing Voices, Oliver Sacks turns his attention to the subject of deafness, and the result is a deeply felt portrait of a minority struggling for recognition and respect — a minority with its own rich, sometimes astonishing, culture and unique visual language, an extraordinary mode of communication that tells us much about the basis of language in hearing people as well. Seeing Voices is, as Studs Terkel has written, "an exquisite, as well as revelatory, work."

****WITH AUDIO NARRATION**** Step into the exquisite miniature world of the mice of Brambly Hedge in this beautiful new edition of the classic picture book.

Tooth Monsters Createspace Independent Publishing Platform

The purpose of this book is to expound and defend the great powers of the child, and to help teachers to a new outlook which will change their task from drudgery to joy, from repression to collaboration with nature...the first two years of life are the most important... So here begins a new path, wherein it will not be the professor who teaches the child, but the child who teaches the professor

[Japanese Cuisine](#) HarperCollins UK

Follows the activities of the Brambley Hedge community of field mice in autumn.

[Le donne di Toulouse-Lautrec. Ediz. illustrata](#) Columbia University Press

What will you find when you open this little book? A fun story? Sweet characters? Enticing pictures? Yes! But much more. Open this book and you will find...another book...and another...and another. Debut author Jesse Klausmeier and master book creator Suzy Lee have combined their creative visions to craft a seemingly simple book about colors for the very youngest readers, an imaginative exploration of the art of book making for more sophisticated aficionados, and a charming story of friendship and the power of books for all.

[Letters from Prison](#) Vintage Canada

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but

Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

Little Goose's Autumn Candlewick Press

Little Goose's Autumn is a second stunning story from an exciting picture book pairing and the uplifting tale of a lively young goose finding her place in the world. As summer fades to autumn, a lively young goose feels a change in the air and senses she has something important to do - but what? The beavers are chopping wood, the squirrels are storing nuts in the ground and the bears are busy building a den. The plucky little goose tries to join in, but without great success. She realizes her wings weren't built for chopping wood, or burying food, or building a den, but they were built for something magnificent - they were built for flight . . . A beautiful, lyrical and hopeful story about finding your wings and your place in the world. Written by star picture book author, Elli Woollard with wonderful illustrations by rising talent, Briony May Smith, whose artwork brings an autumnal landscape of mountains and forests to life with truly breathtaking beauty.

Autunno Pan Macmillan

Dracula: Large Print by Bram Stoker The world's best-known vampire story begins by following a naive young Englishman as he visits Transylvania to meet a client, the mysterious Count Dracula. Upon revealing his true nature, Dracula boards a ship for England, where chilling and gruesome disasters begin to befall the people of London...

Synopsis coming soon.....

Dracula Knopf Books for Young Readers

"A father and daughter explore their neighborhood, talking and asking questions as they go." -- T.p. verso.

Delle prose e poesie liriche di Dante Alighieri prima edizione, illustrata con note di diversi. [Edited by A. Torri. With Italian translations of the Latin works.] vol. 1, 3-5 Chronicle Books

Hailed by Terry Eagleton in the Guardian as "definitive," this is the only complete and authoritative edition of Antonio Gramsci's deeply personal and vivid prison letters.

Winter Story (Read Aloud) (Brambly Hedge) Touring Editore

While the other field mice work to gather grain and nuts for winter, Frederick sits on a sunny rock by himself. "I gather sun rays for the cold dark winter days," he tells them. Another day he gathers "colors," and then "words." And when the food runs out, it is Frederick, the dreamer and poet, whose endless store of supplies warms the hearts of his fellow mice, and feeds their spirits during the darkest winter days. Frederick's story will warm readers as well in this Caldecott Honor winning fable. Now available as an eBook.

Cielo, mari, terre. Autunno Inverno 2020-2021. Ediz. illustrata Touring Editore

Atlas Obscura says this lushly illustrated New York Times bestselling guide to dozens of dangerous, eerie, and infamous locations is the perfect gift for "those who believe the world is still full of mysteries to investigate." Pick up the acclaimed Atlas of Cursed Places and visit the world's most nerve-racking locations. With pithy historical profiles, vintage full-color maps, and haunting tales that will color your perspective (and send tingles down your spine), this is a clever gift for the intrepid traveler or armchair adventurer who wants to explore destinations both remarkable and daunting. Visit: a coal town where the ground is constantly on fire a Zambian national park where more than 8 million bats darken the skies the infamous suicide location of Aokigahara Forest near Mount Fuji the lesser-known Nevada triangle, in which dozens of aircraft have inexplicably disappeared Beautifully packaged and written with a twisty sense of humor, Atlas of Cursed Places puts your quirky side on the map.

[Olga the Cloud](#)

Olga the cloud's wonderful day comes to an end when, after being chased off the moon where she was trying to nap, she has a terrible time finding the right place to make some rain.

L'autunno della Piccola Oca. Ediz. illustrata

The young girl at the centre of this charming and quirkily-illustrated story hates brushing her teeth and is terrified of the dentist; as far as she's concerned, there's no scarier monster. But when she meets a real monster in her bathroom, she learns how dentists are really heroes and brushing your teeth is very important - so important that even monsters do it! This inventive picture book is brimming with humour and imagination. Parent and child will love to read along together over and over again.

Inverno da scoprire

A magnificently funny first picture book by Danny Baker, the popular comedy writer, journalist, radio DJ and screenwriter. Illustrated by rising star Pippa Curnick. Lucie Goose lives all alone in a house at the edge of the woods. She has never met or spoken to another animal of any sort until... a wolf, bear and lion turn up on her doorstep and go Rraaaarrrrrr! She should start screaming. She should run away. But Lucie Goose isn't very good at being scared. What will she do? Introducing a wonderfully charming and funny new picture book from two remarkable talents.
