Four Seconds to Lose

Forge Books

This Repairman Jack book from F. Paul Wilson, Bloodline, the eleventh in the series, follows the New York Times bestseller, Harbingers. Jack has been on hiatus

since the events in Harbingers. With his lover Gia's encouragement he dips a toe back into the fix-it pool. Christy Pickering's eighteen-year-old daughter is dating Jerry Bethlehem, a man twice her age. Christy sensed something shady and sinister about him, so she hired a private investigator to look into his past. But the PI isn't

returning her calls. Will Jack find out why? Jack learns there's a very good reason for the unreturned calls: The PI is dead, a victim of a bizarre water-torture murder. As Jack delves into Jerry Bethlehem's past he learns that the man is not who he says he is. Who—and what—he is will have a devastating effect on Jack's life and future,

adding another piece to the puzzle of who he really is and why he's been drafted into this cosmic shadow war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the second installment of the bestselling Glittering Court series,

Richelle Mead goes beyond the glitz and glamour, delving into the dark, political underbelly of their world through the eyes of one girl who dares to fight for her freedom. A refugee of war, Mira was cast out of her home country and thrust into another, where the conditions were inhospitable at best. In a life-altering twist of fate, she is given the chance to escape once more, and she takes it, joining the Glittering Court. For a select group of girls, the Glittering Court offers a

shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it means further persecution, not only from her fellow Glittering Court jewels, but from her suitors, as well--men she would potentially be expected to give her life to. By day, she goes through the motions, learning the etiquette and customs that will help to earn her anonymity, even making a couple true friends in the process, the forthright ladies' maid Adelaide and the

ambitious laundress Tamsin. But by night, Mira hatches a different plan entirely--one that, if exposed, could get her hanged in the highest court of Adoria. Midnight Jewel is the extraordinary story of a girl with few options who courageously forges a new path, finding love, passion, lifelong friendships, and maybe even a way to freedom. *Vampire Academy* Kensington Publishing Corp.

The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X series.
Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the gods, both inside the Republic of

United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin’s old friend and rival, going into Arcadia, the RUNA’s dangerous neighboring country. Here, in a society

where women are commodities and religion is intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin’s concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter’s

connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret.

to lose them. Owning a strip club isn't the fantasy most guys expect it to be. Taking her clothes off for men makes her stomach curl, but Charlie tells herself that at least she's putting her acting and dancing skills to good use. And though her fellow dancers seem eager to nab their sexy, sophisticated, and genuinely caring boss,

she's not interested. After all, Charlie Rourke doesn't really exist—and the girl pretending to be her can't get distracted by romance.
