*The 1984 Show* Simon and Schuster

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Who Are You, Really?* Harry N. Abrams

Fiction. Through its profile of Mercury de Sade, a computer programmer obsessed with the erotic potential of alien life, EXTRATERRESTRIAL SEX FETISH introduces a new perversion into the lexicon of sexual pathologies: exophilia, an abnormal attraction for aliens. "What Kubrick did to the science fiction film, EXTRATERRESTRIAL does to the science fiction novel...a kind of 2001: A Space Sodomy"--Dr. H. Floyd. "If the Marquis de Sade invented an astonishing new branch of mathematics, in which series and sets of bodies were subject to formal operations of pain and degradation, EXTRATERRESTRIAL is the first to apply this new math to cosmology.a kind of 120 Days of Saturn"--P. de Curval. Supervert 32C is a media company

that utilizes the techniques of vanguard aesthetics to research the pathology of novel perversions.

*Why Study History?* IOS Press

Six dangerous outcasts. One impossible heist. Leigh Bardugo's Six of Crows duology - comprising Six of Crows and Crooked Kingdom - is a gripping and memorable fantasy epic, perfect for fans of George R. R. Martin, Laini Taylor, and Holly Black. Read it before you see it! Set in the same world as the stunning Shadow and Bone trilogy, characters in these books will be brought to life on-screen in the Netflix original series, Shadow and Bone, coming soon! Six of Crows Criminal prodigy Kaz Brekker is offered a chance at a deadly heist that could make him rich beyond his wildest dreams - but he can't pull it off alone. A convict with a thirst for revenge. A sharpshooter who can't walk away from a wager. A runaway with a privileged past. A spy known as the Wraith. A Heartrender using her magic to survive the slums. A thief with a gift for unlikely escapes. Kaz's crew is the only thing that might stand between the world and destruction - if they don't kill each other first. Crooked Kingdom Double-crossed and badly weakened, Kaz's crew is low on resources, allies, and hope. As powerful forces from around the world descend on Ketterdam to root out the secrets of the dangerous drug known as Jurda Parem, old rivals and new enemies emerge to challenge Kaz's cunning and test the team's fragile loyalties. A war will be waged on the city's dark and twisting streets - a battle for revenge and redemption that will decide the fate of the Grisha world. Read all the books in the Grishaverse! The Shadow and Bone Trilogy (previously published as The Grisha Trilogy) Shadow and Bone Siege and Storm Ruin and Rising The Six of Crows Duology Six of Crows Crooked Kingdom The King of Scars Duology King of Scars Rule of Wolves The Language of Thorns: Midnight Tales and

Dangerous Magic The Lives of Saints Also available: Six of Crows: Collector's Edition Crooked Kingdom: Collector's Edition Shadow and Bone: Collector's Edition Praise for the Grishaverse "A master of fantasy." - The Huffington Post "Utterly, extremely bewitching." - The Guardian "The best magic universe since Harry Potter." - Bustle "This is what fantasy is for." - The New York Times Book Review "[A] world that feels real enough to have its own passport stamp." - NPR "The darker it gets for the good guys, the better." - Entertainment Weekly "Sultry, sweeping and picturesque . . . Impossible to put down." - USA Today "There's a level of emotional and historical sophistication within Bardugo's original epic fantasy that sets it apart." - Vanity Fair "Unlike anything I've ever read." - Veronica Roth, bestselling author of Divergent "Bardugo crafts a first-rate adventure, a poignant romance, and an intriguing mystery!" - Rick Riordan, bestselling author of the Percy Jackson series

In this inclusive, illustrated history and guide to skin care and beauty, journalist and founder of Very Good Light David Yi teaches us that self-care, wellness, and feeling beautiful transcends time, boundaries, and binaries—and that pretty boys can change the world Chanel and Goop might have seemed ahead of the curve when they launched their men’s beauty and wellness lines, but pharaohs were exfoliating, moisturizing, and masking eons earlier. Thousands of years before Harry Styles strutted down the red carpet with multicolored fingernails, Babylonian army officials had their own personal manicure sets. And BTS might have become an international sensation for their smoky eyes and perfect pouts, but the Korean Hwarang warriors who put on a full face before battle preceded them by centuries. Pretty Boys unearths diverse and surprising beauty icons who have redefined what masculinity and gender expression look like throughout history, to empower us to live and look our truths. Whether you're brand new to beauty, or you already have a ten-step routine, Pretty Boys will inspire and teach you how to find your best self through tutorials, beauty secrets, and advice from the biggest names in the beauty industry, Hollywood, and social media. From Frank Ocean’s skin-care routine to Clark Gable’s perfectly styled hair, Rami Malek’s subtle eyeliner to a face beat to the gods à la Boy George or Kimchi the drag queen, K-Beauty to clean beauty, Pretty Boys will completely change the way we all see gender expression and identity.

**Sex, Lies, and Videotape** Univ of California Press

This work presents a hilarious, charming, and astonishing account of one Westerner's life-altering rambles across Iran and the secret counterculture world he discovers. 24 color illustrations.

*Kaapse bibliotekaris* Macmillan

A complete introduction to the rich cultural legacy of Rome through the study of Roman art ... It includes a discussion of the relevance of Rome to the modern world, a short historical overview, and descriptions of forty-five works of art in the Roman collection organized in three thematic sections: Power and Authority in Roman Portraiture; Myth, Religion, and the Afterlife; and Daily Life in Ancient Rome. This resource also provides lesson plans and classroom activities."--Publisher website.

*Dinner at the Homesick Restaurant* Cambridge University Press

Are you ready to get Dirty Sexy with a Saint? Clay Kincaid knows he's more a sinner than a saint. Especially when it comes to women. With a rough and damaged past that has left him jaded, he doesn't do committed relationships. But he does like sex?the hotter and harder, the better. He likes it fast and filthy, which is why he refuses to even touch someone as sweet and guileless as Samantha Jamieson. Until he discovers that she likes it just as down and dirty as he does. Let the sinning begin . . .

**VideoHound's Golden Movie Retriever** Supervert 32C Inc.

Even demons have limits. Crina is on the verge of reaching hers. Father branded a traitor. Check. Employers going behind her back. Check. Threats on her life. Check. The shitlist goes on and on. So, really, the last thing Crina needs in her life is another denizen of the Shadow World. Even if he does offer protection in exchange for her deadly services. Because everyone has an agenda. And pledging herself to someone she'd rather see in her bed than on the throne isn't without consequences.

**New York Magazine** Gale Cengage

Protest Politics in the Marketplace examines how social media has revolutionized the use and effectiveness of consumer activism. In her groundbreaking book, Caroline Heldman emphasizes that consumer activism is a democratizing force that improves political participation, self-governance, and the accountability of corporations and the government. She also investigates the use of these tactics by conservatives. Heldman analyzes the democratic implications of boycotting, socially responsible investing, social media campaigns, and direct consumer actions, highlighting the ways in which such consumer activism serves as a countervailing force against corporate power in politics. In Protest Politics in the Marketplace, she blends democratic theory with data, historical analysis, and coverage of consumer campaigns for civil rights, environmental conservation, animal rights, gender justice, LGBT rights, and other causes. Using an inter-disciplinary approach applicable to political theorists and sociologists, Americanists, and scholars of business, the environment, and social movements, Heldman considers activism in the marketplace from the Boston Tea Party to the present. In doing so, she provides readers with a clearer understanding of the new, permanent environment of consumer activism in which they operate.

A New York Timesbestseller for the last three years in a row, Leonard Maltin's comprehensive film guide remains the biggest, best, and most authoritative in the field. The 2008 edition features more than 300 new entries, a completely updated index of leading actors and directors, Leonard's personal list of "Fifty More Films You May Have Missed," and sources for buying and renting DVDs.

[Time Out Film Guide](#) Touchstone

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

**VideoHound's Golden Movie Retriever 1999** Barrytown Limited

Generalized hypermobility has been known since ancient times, and a clinical description of Ehlers-Danlos syndrome (EDS) is said to have first been recorded by Hippocrates in 400 BC. Hypermobility syndromes occur frequently, but the wide spectrum of possible symptoms, coupled with a relative lack of awareness and recognition, are the reason that they are frequently not recognized, or remain undiagnosed. This book is an international, multidisciplinary guide to hypermobility syndromes, and EDS in particular. It aims to create better awareness of hypermobility syndromes among health professionals, including medical specialists, and to be a guide to the management of such syndromes for patients and practitioners. It is intended for use in daily clinical practice rather than as a reference book for research or the latest developments, and has been written to be understandable for any healthcare worker or educated patient without compromise to the scientific content. The book is organized as follows: chapters on classifications and genetics are followed by chapters on individual types, organ (system) manifestations and complications, and finally ethics and therapeutic strategies, with an appendix on surgery and the precautions which should attend it. A special effort has been made to take account of the perspective of the patient; two of the editors have EDS. The book will be of interest to patients with hypermobility syndromes and their families, as well as to all those healthcare practitioners who may encounter such syndromes in the course of their work.

Don't miss the JOE PICKETT series—now streaming on Paramount+ The first novel in the thrilling series featuring Wyoming game warden Joe Pickett from #1 New York Times bestselling author C. J. Box. Joe Pickett is the new game warden in Twelve Sleep, Wyoming, a town where nearly everyone hunts and the game warden—especially one like Joe who won't take bribes or look the other way—is far from popular. When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. There had to be a reason that the outfitter, with whom he's had run-ins before, chose his backyard, his woodpile to die in. Even after the "outfitter murders," as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

[Extraterrestrial Sex Fetish](#) Harper Collins

Dear Friends investigates the social conditions that made these photographs possible and examines both their abandonment and subsequent retrieval by those who cherish them as rare historical visual evidence of love between men.

**New York** Random House
