One of the New York Times's Ten Best Books of the Year: These traditional stories of Italy, retold by a literary master, are "a treasure" (Los Angeles Times). Filled with kings and peasants, saints and ogres—as well as some quite extraordinary plants and animals—these two hundred tales bring to life Italy's folklore, sometimes with earthy humor, sometimes with noble mystery, and sometimes with the playfulness of sheer nonsense. Selected and retold by one of the country's greatest literary icons, "this collection stands with the finest folktale collections anywhere"

(The New York Times Book Review). "For readers of any age . . . A masterwork." —The Wall Street Journal "A magic book, and a classic to boot." —Time

The Killer in My Eyes Knopf Books for Young Readers

In this potent examination of family and memory, Jon McGregor charts one man's voyage of self-discovery. Like Kazuo Ishiguro's *The Remains of the Day*, *So Many Ways to Begin* is rich in the intimate details that shape a life, the subtle strain that defines human relationships, and the personal history that forms identity. David Carter, the novel's protagonist, takes a keen interest in history as a boy. Encouraged by his doting Aunt Julia, he begins collecting the things that tell his story: a birth certificate, school report cards, annotated cinema and train tickets. After finishing school, he finds the perfect job for his lifetime obsession-curator

at a local history museum. His professional and romantic lives take shape as his beloved aunt and mentor's unravels. Lost in a fog of senility, Julia lets slip that David had been adopted. Over the course of the next decades, as David and his wife Eleanor live out their lives-struggling through early marriage, professional disappointments, the birth of their daughter, Eleanor's depression, and an affair that ends badly- David attempts to physically piece together his past, finding meaning and connection where he least expects it.

My Brilliant Friend New York Review of Books

THE #1 FRENCH BESTSELLER MORE THAN 3 MILLION COPIES SOLD WORLDWIDE The feel-good #1 bestselling French novel about a woman whose mission to cure her "routine-itis" leads her to lasting joy and true fulfillment, for fans of *The Alchemist* and *Hector and the Search for Happiness*. At thirty-eight and a quarter years old, Paris native Camille has everything she needs to be happy, or so it seems: a good job, a loving husband, a wonderful son. Why then does she feel as if happiness has slipped through her fingers? All she wants is to find the path to joy. When Claude, a French Sean Connery look-alike and routinologist, offers his unique advice to help get her there, she seizes the opportunity with both hands. Camille's journey is full of surprising escapades, creative capers, and deep meaning, as she sets out to transform her life and realize her dreams one step at a time...

The book that inspired Marie Kondo's *The Life Changing Magic of Tidying Up*, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and what to discard so

you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life. *Italian Folktales* Hay House, Inc

Poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that 'our birth is but a sleep and a forgetting' of our previous existence in Spirit. Dr. Wayne W. Dyer and co-author Dee Garneshad often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine- our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of his acquaintance with our Source if being. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the globe to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which boys and girls speak about

their remembrances from the time before they were born. Children share their dialogues with God, talk about long-deceased family members they knew while in the dimension of spirit, verify past-life recollections, give evidence that they themselves had a hand in picking their own parents and the timing of their sojourn to Earth, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm. This fascinating book encourages all of us, not just parents, to take a much more active role in communicating with our planet's new arrivals . . . and to realise that there is far more to this earthly experience than what we perceive with our five senses.

There Are Places in the World Where Rules Are Less Important Than Kindness Verso Books

A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite literally—change it. *The Novel Cure* is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read as the antidote.

The Day of the Owl Grove/Atlantic

In *The Skin*, Curzio Malaparte extends the great fresco of European society he began in *Kaputt*. There the scene was Eastern Europe, here it is Italy during the years from 1943 to

1945; instead of Germans, the invaders are the American armed forces. In all the literature that derives from the Second World War, there is no other book that so brilliantly or so woundingly presents triumphant American innocence against the background of the European experience of destruction and moral collapse.

From the acclaimed author of *BOYFRIEND MATERIAL* and *HUSBAND MATERIAL* comes a deeply emotional romance about finding love when (and where) you least expect it. Laurie Dalziel is worn down and washed up, and for him, the Scene is all played out. Six years from his last meaningful relationship, he's pushing forty and tired of pretending nothing has changed. Then he meets Toby Finch. Young. Fearless, fierce, and vulnerable. Everything Laurie can't remember being. Toby doesn't know who he wants to be or what he wants to do, but he knows that he wants Laurie. The problem is, while Laurie will surrender his body, he won't surrender his heart. Because Toby is too young, too intense, too easy to hurt. And what they have—no matter how right it feels—can't last. It can't mean anything. It can't be real. This dynamic, emotional LGBTQIA+ romance contains never-before-seen content and exclusive bonus material. *The World of SPIRES: Glitterland*, book 1 *Waiting for the Flood*, book 2 *For Real*, book 3 *Pansies*, book 4

MANUAL OF THE WARRIOR OF LIGHT. Enchanted Lion
Recognized as a master of Italian cinema, Vittorio De Sica is perhaps best known and most respected for his critically acclaimed neorealist films of the period 1946-55. As this anthology reveals, however, his production was remarkably multifaceted. The essays included here - some newly

commissioned, some reprinted, and others in translation - look at De Sica's varied career from many perspectives. Structured chronologically, the volume begins by introducing readers to De Sica's early popularity as an actor and singer during the years of Italian Fascism, and to his initial directorial efforts before the end of World War II. It was not until the postwar era, however, that De Sica made his mark in film history. Special attention is given to this critical phase of his career, which encompasses the neorealist films that made him famous: "Shoeshine", "Bicycle Thieves", "Miracle in Milan", and "Umberto D." When the neorealist movement waned after 1955, De Sica returned to his roots in Neapolitan comedy for a series of commercially successful films starring Sophia Loren and Marcello Mastroianni. Memorable works from this period include "Two Women" and "Marriage Italian Style" as well as "Yesterday, Today, and Tomorrow", which won De Sica an Academy Award in 1965. In one of his final films, "The Garden of the Finzi Continis", he returned to the subject of World War II and to the human tragedy characteristic of his best neorealist productions. This fine anthology offers a comprehensive critical survey that covers the entire scope of De Sica's career, and is an excellent resource for students, critics and film enthusiasts.

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own

language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of *The Grammar of Fantasy* is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, *The Grammar of Fantasy* gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

A delightful intellectual feast from the bestselling author of *Seven Brief Lessons on Physics*, *The Order of Time*, and *Anaximander*

One of the world's most prominent physicists and fearless free spirit, Carlo Rovelli is also a masterful storyteller. His bestselling books have introduced millions of readers to the wonders of modern physics and his singular perspective on the cosmos. This new collection of essays reveals a curious intellect always on the move. Rovelli invites us on an accessible and enlightening voyage through science, literature, philosophy, and politics. Written with his usual clarity and wit, this journey ranges widely across time and space: from Newton's alchemy to Einstein's mistakes, from Nabokov's lepidopterology to Dante's cosmology, from mind-altering psychedelic substances to the meaning of atheism, from the future of physics to the power of uncertainty. Charming, pithy, and elegant, this book is the perfect gateway to the universe of one of the most influential minds of our age.

1775-The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.

For the 10th anniversary of the #1 New York Times bestseller, a new release complete with a brand-new Manifesting Scavenger Hunt. E-Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. It says prove. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. For years, you've been hoping and praying that spiritual principles are true. E-Squared lets you know it for sure. NEW in this edition: A note from Pam Grout on the 10th anniversary of E-Squared, plus a brand-new Manifesting Scavenger Hunt with even more opportunities to prove your manifesting mojo. "I absolutely love this book. Pam has combined a writing style as funny as Ellen DeGeneres with a wisdom as deep and profound as Deepak Chopra's to deliver a powerful message and a set of experiments that will prove to you beyond a doubt that our thoughts really do create our reality." — Jack Canfield, co-creator of the New York Times best-selling Chicken Soup for the Soul® series

When he is diagnosed with cancer, in the silence of the hospital room broken only by the swish of cars outside, Italian writer Tiziano Terzani realizes that his whole life has been one long ride on a merry-go-round where he has always journeyed without a ticket. Now, for the first time, the ticket collector has come to

demand his dues. At first, Terzani turns to Western medicine for a cure, but a question soon begins to haunt him: is cancer, as the doctors say, an enemy that needs to be destroyed, or is it a friend one can talk to? Travelling had always been a way of life for him, so he decides to make another trip, in search of a solution - to India. This final ride turns out to be very different though. And more difficult. Because every step, every choice - often between reason and faith, between science and magic - is inextricably linked to his own survival. As he crisscrosses the country from an ashram in Coimbatore to a hut in Almora, the external journey in search of a cure transforms into an inner journey and a return to the divine roots of man. Then, one day, as he looks at the sun rising over the mountains, he stumbles upon the one truth that has eluded him: death is as desirable and eternal as life itself. A bestseller in Europe, this is a book about modern medicine and alternative cures, and the quest to understand the true meaning of mortality.

From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible *Twilight* saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view.

"People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

White as Silence, Red as Song Bloomsbury Publishing USA

Written 75 years ago, *Desiderata* achieved fame as the anthem of the sixties' hippie-dom - the subject of many millions of posters and handbills - and famously narrated by Les Crane in his 1971 song version of the poem. Over the years *Desiderata* has provided a kind and gentle philosophy, a refreshing perspective on life's bigger picture. This new presentation of the prose poem will bring it to the attention of a new generation. The origins of *Desiderata* were, for many years, shrouded in mystery. Once thought to have originated from St. Paul's Church in Baltimore, Maryland in the seventeenth century it was later discovered that American poet Max Ehrmann had written it in 1927. Presented in a refreshingly modern design, *Desiderata* will appeal to a younger generation looking to find the meaning of life, and to baby-boomers who'll recall *Desiderata* from their youth.

'Absolutely breathtaking' Christy Lefteri, Sunday Times bestselling author of *The Beekeeper of Aleppo*. We all have something to tell those we have lost . . . On a windy hill in Japan, in a garden overlooking the sea stands a disused phone box. For years, people have travelled to visit the phone box, to pick up the receiver and speak into the wind: to pass their messages to loved ones no longer with us. When Yui loses her mother and daughter in the tsunami, she is plunged into despair and wonders how she will ever carry on. One day she hears of the phone box, and decides to make her own pilgrimage there, to speak once more to

the people she loved the most. But when you have lost everything, the right words can be the hardest thing to find . . . Then she meets Takeshi, a bereaved husband whose own daughter has stopped talking in the wake of their loss. What happens next will warm your heart, even when it feels as though it is breaking... *The Phone Box at the Edge of the World* is an unforgettable story of the depths of grief, the lightness of love and the human longing to keep the people who are no longer with us close to our hearts.
