If you're looking to read about adventures, look no further. ASIA: An Expat Adventure will take you on a four-year journey through several countries and cultures. It's a true testament to what it's really like to live in another country, what culturalism really is, and how different the world really can be. Tim shoots from the hip in this anthology of all that is wrong (and a few things that are right) about teaching English in the Far East. ASIA: An Expat Adventure is half I Hope They Serve Beer in Hell and half Frommers; it's an essential guide for anybody who wants an insiders view on the agony and the ecstasy (mostly the agony) of ESL life. There are plenty of endearing qualities about Tim's memoirs, not the least of which is his ability to trudge on when others would have bought the next ticket home. As Tim looks back at his beer-soaked escapades through the clarity and

wisdom that hindsight provides, we are granted a view of a man who is as resilient as he is ill-fated, and a world that is as perplexing as it is alluring. Brenan G. Alexander, ESL Teacher, Communications Leader, UBC leaving behind not just his country, but his mind, as he slowly deconstructs his old life (quite literally in some cases, given the numerous surgeries he details) and reassembles the parts into a story worth telling. We all have one. This is his. Enjoy it! Joshua W. Davies, MS Education, LAM Institute, Communications Consultant

The anthology "60 WESTERNS: Cowboy Adventures, Yukon & Oregon Trail Tales, Famous Outlaws, Gold Rush Adventures" encapsulates the essence and ethos of the American frontiers, offering an exploratory journey through the diverse terrains of Western literature. This collection is remarkable not only for the breadth of its geographic and thematic scope but also for the

variety of its literary styles, including adventure tales, reflective narratives, and depictions of historical events. The selected works engage deeply with the complexities of frontier life, reflecting on the themes of bravery, exploration, conflict, and the relentless pursuit of freedom and prosperity. Standout pieces within the collection vividly reanimate the rugged landscapes of the American West, making tangible the untamed spirit of its inhabitants and the period's cultural ethos. The contributing authors and editors to this comprehensive collection bring a wealth of perspectives to the evocation of the Western experience. Comprising icons such as Mark Twain, Jack London, and Willa Cather, among others, the anthology intersects with critical historical, cultural, and literary movements spanning the tumultuous Gold Rush era to the mythic storytelling of the Yukon. The magnitude of contributing talents provides a panoramic view of the West, delving into its legends, its hardships, and its enduring allure. Collectively, their works offer profound insights into the transformation of the American landscape and identity. "60 WESTERNS" invites readers to traverse the rich and varied landscapes of Western American literature. Each story, drawn from a unique voice and perspective, weaves together a broader narrative of struggle, survival, and triumph against the backdrop of some of history's most defining moments and locales. This anthology stands as an indispensable resource for students, historians, and literature aficionados alike, fostering a deeper appreciation for the multifaceted tapestry of Western American culture and the narrative potential it holds. Through engaging with this extensive collection, readers are given the unique opportunity to explore the frontiers of human experience, guided by some of the most influential voices of American literature. *Tales of Scottish Highlands & Moors - 70+ Historical Novels, Adventure Classics & Victorian Romances* Bloomsbury Publishing USA

"A welcome addition for those who teach sports studies... Used as a primer, this book provides readers with excellent introduction to the key sociological concepts, methods, and theories, and, also offers useful examples and contextualised discussions that beginners to the realm of sociology will no doubt appreciate. Beedie has compiled for students a good companion text that could certainly be used in conjunction with more detailed books, and, to guide students through more complex academic texts. Students have certainly appreciated Beedie's efforts to help them apply sociological rigour to analysing their sporting worlds, identities and experiences." - Geoffery Kohe, Worcester University "This should be highly useful for any sports studies students who are encountering the sociology of sport for the first time, even those who have previously studied sociology." - Alison Cain, Hertfordshire University Sociology is central to the study of sport in higher education. This reader-friendly textbook introduces all of the subject's core themes, such as power, diversity and mediation, and relates them to major contemporary social issues such as commercialisation and globalisation. Special emphasis is given throughout to examples drawn from the UK and to the significance of the 2012 Olympics. Theoretical explanation is fully supported by case studies, practical and reflective exercises and guidance on further study.

**Zen Wrapped in Karma Dipped in Chocolate** New World Library

How does a real-life Zen master — not the preternaturally calm, cartoonish Zen masters depicted by mainstream culture — help others through hard times when he's dealing with pain of his own? How does he meditate when the world is crumbling around him? Is meditation a valid response or just another form of

escapism? These are the questions Brad Warner ponders in *Zen Wrapped in Karma Dipped in Chocolate*. During a year that Warner spent giving talks and leading retreats across North America, his mother and grandmother died, he lost his dream job, and his marriage fell apart. In writing about how he applied the Buddha's teachings to his own real-life suffering, Warner shatters expectations, revealing that Buddhism isn't some esoteric pie-in-the-sky ultimate solution but an exceptionally practical way to deal with whatever life dishes out.
