The Princess Bitchface Syndrome 2.0 Tyndale House Publishers, Inc.

Dobson and Bauer outline the struggle between value systems in America, the outcome of which will affect the moral welfare of this generation of children. They provide ideas for those who want to counter these negative influences.

Parenting by the Book Tyndale House Publishers, Inc.

Several concerns confront today's families. Some issues are relatively simple, while others are painfully complex. Dobson provides help through the Bible, well-proven "wisdom of the ages" and many year's experience as a psychologist and counselor. In this book, he responds to nearly 500 family-life questions with practicality, Biblical wisdom and Christ-like compassion. Repackage edition of "Solid Answers".

Raising Boys Tyndale Momentum

Does it sometimes feel like your child's moods are controlling you? Have you ever been embarrassed in public by your kids'

behavior, but weren't sure how to handle it? Do you long for a more calm and peaceful home, without yelling and fighting? This is the book for you! In *Temper Your Child's Tantrums*, parenting expert Dr. James Dobson offers the essential keys to correcting a child in a firm, loving, and understanding way.

Night Light for Parents Thomas Nelson

A major publishing event, the collected writings of the groundbreaking scholar who "first coined intersectionality as a political framework" (Salon) For more than twenty years, scholars, activists, educators, and lawyers--inside and outside of the United States--have employed the concept of intersectionality both to describe problems of inequality and to fashion concrete solutions. In particular, as the Washington Post reported recently, "the term has been used by social activists as both a rallying cry for more expansive progressive movements and a chastisement for their limitations." Drawing on black feminist and critical legal theory, Kimberlé Crenshaw developed the concept of intersectionality, a term she coined to speak to the multiple social forces, social identities, and ideological instruments through which power and disadvantage are expressed and legitimized. In this comprehensive and accessible introduction to

Crenshaw's work, readers will find key essays and articles that have defined the concept of intersectionality, collected together for the first time. The book includes a sweeping new introduction by Crenshaw as well as prefaces that contextualize each of the chapters. For anyone interested in movement politics and advocacy, or in racial justice and gender equity, *On Intersectionality* will be compulsory reading from one of the most brilliant theorists of our time.

Love Must Be Tough Scribner

This is the ultimate guide to raising our daughters right—from parenting authority and trusted family counselor Dr. James Dobson. Peer pressure. Eating disorders. Decisions about love, romance, and sex. Academic demands. Life goals and how to achieve them. These are just some of the challenges that girls face today—and the age at which they encounter them is getting younger and younger. As a parent, how are you guiding your daughter on her journey to womanhood? Are you equipping her to make wise choices? Whether she's still playing with dolls or in the midst of the often-turbulent teen years, is she truly secure in her identity as your valued and loved daughter? In the New York Times bestseller *Bringing Up Girls*, Dr. James Dobson will help you face the challenges of raising your daughters to become strong, healthy, and confident women who excel in life.

Dare to Discipline Thomas Nelson

What does it mean to be a man? Moreover, how do you as a father instill that reality in your son? By *Raising a Modern-Day Knight*. The medieval custom of knighthood offers a unique approach to shaping a boy into a strong, godly man. Centuries ago, select boys went through a rigorous, years-long process of clearly defined objectives, goals, and ceremonies—with the hope of achieving knighthood. Along the way, they acquired a boldly masculine vision, an uncompromising code of conduct, and a noble cause in which to invest their lives. They were the heroes of their age. In much the same way, *Raising a Modern-Day Knight* will show how you, too, can confidently guide your son to the kind of authentic, biblical manhood that can change our world.

Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight-in-training, this resource is as insightful as it is practical in raising a boy to be a chivalrous, godly man.

Dr. Dobson's Handbook of Family Advice Tyndale House Publishers, Inc.

As a young adult, you will face crucial questions about identity, education, marriage, career, God's will, and much more. Some of the most dramatic and permanent changes in life will occur during the "critical decade"—those ten years between 16 and 26. Are you prepared to make the right choices? You can be. Like a

trusted friend who understands, Dr. James Dobson candidly addresses the issues that today's young adults face. In his warm, conversational style, he reveals principles to help you make right choices and get the direction you need in order to look forward to a bright and successful future.

Many young children are in desperate need of help. We offer this book as a solution to many of their problems. The result of a \$257,000 federal grant, *School Can Wait*, a thoroughly documented study, cuts through conventional wisdom to underscore the importance of unbroken continuity of parental attachment wherever possible and the dangers of formal schooling until at least age eight to ten. - Back cover.

Building Confidence in Your Child Tyndale House Publishers, Inc.

Picture respectful, responsible, obedient children who entertain themselves without television or video games, do their own homework, and have impeccable manners. A pie-in-the-sky fantasy? Not so, says family psychologist and bestselling author John Rosemond. Any parent who so desires can grow children who fit that description -- happy, emotionally healthy children who honor their parents and their families with good behavior and do their best in school. In the 1960s, American parents stopped listening to their elders when it came to child rearing and began listening instead to professional experts. Since then, raising children has become fraught with anxiety, stress, and frustration. The solution, says John, lies in raising children according to biblical principles, the same principles that guided parents successfully for hundreds of years. They worked then, and they still work now! Through his nationally syndicated newspaper column and eleven books, John has been helping families raise happy, well-behaved children for more than thirty years. In *Parenting by The Book*, which John describes as both a "mission and a ministry," he brings parents back to the uncomplicated basics. Herein find practical, Bible-based advice that will help you be the parent you want to be, with children who will be, as the Bible promises, "a delight to your soul" (Pro. 29-17). As a bonus, John also promises to make you laugh along the way.

What do you do when your previously quiet, loving daughter becomes a restless, rebellious stranger who acts like a responsible adult one day and a rude, selfish brat the next? You stay calm, and consult the experts. By the time they turn thirteen, adolescent girls look like they're ready for anything - but they're not. Our girls are growing up in a society that is rapidly changing and challenging the skills of even the most experienced parents. A roadmap is needed to guide parents through this new landscape, to ensure we bring up happy, healthy young women. This indispensable book focuses on the special trials of raising adolescent girls today, including: · adolescent development in a new society · pressures at school · parenting strategies that work · parenting in the digital age · sex and drugs · mental health. In this fully revised and expanded edition, leading adolescent psychologist Dr Michael Carr-Gregg and researcher Elly Robinson also discuss the single most prolific and influential factor of our times - technology. If you feel like you're losing control when it comes to parenting your daughter, it's time to grab back the reins.

Neil Josten is the newest addition to the Palmetto State University Exy team. He's short, he's fast, he's got a ton of potential - and he's the runaway son of the murderous crime lord known as The Butcher. Signing a contract with the PSU Foxes is the last thing a guy like Neil should do. The team is high profile and he doesn't need sports crews broadcasting pictures of his face around the

nation. His lies will hold up only so long under this kind of scrutiny and the truth will get him killed. But Neil's not the only one with secrets on the team. One of Neil's new teammates is a friend from his old life, and Neil can't walk away from him a second time. Neil has survived the last eight years by running. Maybe he's finally found someone and something worth fighting for.

The Complete Marriage and Family Home Reference Guide

Tyndale House Publishers

Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.
