LANG MAURICIO

Warriors and Witches and Damn Rebel Bitches Sourcebooks, Inc.

"This powerful story shouldn't be missed." Publishers Weekly (starred) "A fiercely readable, potent memoir of a survivor who refuses to be silenced. . . . An inspirational page-turner." Kirkus Reviews (starred) An incandescent and inspiring memoir from a courageous young woman who, after she was forced to flee to Canada from her home in The Gambia, became the first woman to publicly call the country's dictator to account for sexual assault—launching an unprecedented protest movement in West Africa. In 2015, Toufah Jallow was a nineteen-year-old dreaming of a scholarship. Encouraged by her mother, she entered a presidential competition designed to identify and support the country's smart young women, and she won. Which brought her to the attention of Yahya Jammeh, the country's dictator, who styled himself as a pious yet progressive protector of women. At first, he behaved in a fatherly fashion towards his winner, but then he proposed marriage. When Toufah turned him down, he drugged and raped her. She could not tell anyone what happened. Not only was there no word for rape in her native language, if she told her parents, they would take action and incur Jammeh's wrath. Wearing a niqab to hide her identity, she gave his security operatives the slip and fled to Senegal, eventually making her way to safety in Canada. Then Jammeh was deposed. In July 2019, Toufah Jallow went home to testify against him in a public hearing, sparking marches of support and a social media outpouring of shared stories among West African women. Each bold decision Toufah made helped secure the future Jammeh had tried to steal from her, and also showed her a new path of leadership and advocacy for survivors of sexual violence.

Mala's Cat Arcturus Publishing

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

Sophie's World REBEL VEGAN LIFE

Previously published as *Honey Cake*. An approachable introduction to World War II for ages 7–10. David Nathan's home in Copenhagen has always been filled with laughter, family, and his father's famous pastries. But life has changed since Nazi soldiers arrived. Sweets are scarce. His parents are worried. And even though David wants to be brave, the soldiers and their new rules have made everyone nervous. Then one day, David is asked to keep a very special secret. It could get him into trouble . . . maybe even danger. But if David shows courage, this secret could save many lives. History Stepping Stones now feature updated content that emphasizes Common Core and today's renewed interest in nonfiction. Perfect for home, school, and library bookshelves!

The Travelling Cat Chronicles Penguin

A vibrant, heartwarming graphic novel about two irresistible cat friends on a journey to find their forever home—a journey inspired by the magic of art and storytelling. Cilla and Betto are two friends who need a place to call home. The docks in Valletta are too wet, and the scraps of food too scarce. The city's streets are too busy, and the humans too unreliable. But what about the quiet garden from old kitten tales—a place where all cats are welcome, and the humans are always kind? Could the stories really be true? As Cilla and Betto embark on a grand adventure to find out, they begin to spin a tale of their own—one that will take them through the art and stories of many journeyers who came before, and that will bring them to a surprising destination.

Rebel Animals At-Risk: Stories of Survival Simon and Schuster

Some of our most intriguing history is missing. Perhaps there has been a conspiracy, a cover-up? Or maybe some stories have been lost, forgotten or were just too embarrassing to talk about at the time? But now they are back, revealed in all their glory: secret passages, events, societies, loves, identities and even dark secrets of the grave. After much sleuthing, Justin Pollard takes us into undisclosed historical waters to discover why the city of Burlington isn't on the map; how 'Agent

Pickle' saved the lost treasure of Bonnie Prince Charlie; what Sir Thomas Overbury knew in 1613 that got him murdered with a poisoned enema and how Virginia Woolf sweet-talked her way aboard HMS Dreadnought dressed as Abyssinian Prince. Secret Britain also reveals the tragic love story behind the Rolls Royce mascot; how agent Garbo managed to get an MBE and an Iron Cross; the sinister properties of the Hand of Glory; the lost smuggling ship Peggy; the Mystery Runner of Nos Galan; the extraordinary history of the Fairy Flag of Dunvegan; London's only Nazi war memorial and the secrets of the WWII Monopoly board.

Sylvia Pankhurst Scholastic UK

Boys can be anything they want to be! This timely book joins and expands the gender-role conversation and gives middle-grade boys a welcome alternative message: that masculinity can mean many things. You won't find any stories of slaying dragons or saving princesses here. In *Stories for Boys Who Dare to Be Different*, author Ben Brooks-with the help of Quinton Winton's striking full-color illustrations-offers a welcome alternative narrative: one that celebrates introverts and innovators, sensitivity and resilience, individuality and expression. It's an accessible compilation of 75 famous and not-so-famous men from the past to the present day, every single one of them a

rule-breaker and stereotype-smasher in his own way. Entries include Frank Ocean, Salvador Dali, Beethoven, Barack Obama, Ai Weiwei, Jesse Owens, and so many more-heroes from all walks of life and from all over the world.

Bella the Brave Scholastic Nonfiction

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.
