Harry Potter and the

Goblet of Fire Bloomsbury
 Publishing
 A perennial bestseller in

the wizarding world and one of the most popular books in the Hogwarts School library, *Quidditch Through the Ages* contains all you will ever need to know about the history, the rules – and the breaking of the rules – of the noble sport of Quidditch. Packed with fascinating facts, this definitive guide by the esteemed Quidditch writer Kennilworthy Whisp charts the game's history from its early origins in the medieval mists on Queerditch Marsh, through to the modern-day sport loved by so many wizard and Muggle families around the world. With comprehensive coverage of famous Quidditch teams, the commonest fouls, the development of racing brooms, and much more, this is a must-have sporting bible for all Harry Potter fans, Quidditch lovers and players, whether the weekend amateur or the seasoned Chudley Cannons season-ticket holder. This brand new edition of the most famous sports book in the wizarding world pairs J.K. Rowling's original text, with gorgeous jacket art by Jonny Duddle and line illustrations throughout by Tomislav Tomic. A contribution from the sale

of each book will go to Comic Relief. *Uncommon Type* HarperCollins From Harry, himself, to Sir Cadogan, the living portrait, this massive tome details every character created by J.K. Rowling and appearing in the official Harry Potter canon of books, movies and plays. Each entry will highlight one character, with some entries making up a half page, while others might take up a full spread. Readers will find details of when the character was first mentioned, appearance, wizard school, house, patronus, wand, related family members, skills and achievements, personal history and more! With more than 700 characters included, this book is packed from cover to cover. The book will also include genealogical charts and family trees for the major characters, world maps detailing important locations, homes and schools, as well as charts detailing alliances between characters. The content is compiled by the editors of Mugglenet.com, the world's #1 Harry Potter fan site, which has millions of followers. *Dumbledore* Canongate Books

WHEN EVIE TALKS TO ANIMALS . . . THEY TALK BACK. Eleven-year-old Evie has a talent: a supertalent. She can HEAR what animals are thinking. She promises to keep it top secret, but then an evil pet-thief strikes. Every animal in town is in danger and only by DARING TO BE HERSELF can Evie save her furry and feathered friends.

If you have ever asked yourself where the Golden Snitch came from, how the Bludgers came into existence, or why the Wigtown Wanderers have pictures of meat cleavers on their robes, you need *Quidditch Through the Ages*. This invaluable volume is consulted by young Quidditch fans on an almost daily basis. Proceeds from the sale of this book will go to Comic Relief, who will use your money to continue improving and changing lives -- work that is even more important and astonishing than the

three-and-a-half-second capture of the Golden Snitch by Roderick Plumpton in 1921. -- Albus Dumbledore

A Magical Companion to the Harry Potter Stories Media Lab Books

From the creator of modern classic Meerkat Mail comes a very funny woodland story showing the dangers of having too much stuff. *Too Much Stuff* is set in the same forest as Gravett's award-winning *Tidy*, it features a host of gorgeous woodland animals, including Pete the badger. Meg and Ash are a pair of magpies who are building a nest for their perfect eggs. Although they begin their nest construction using the usual mud, sticks and grass, Meg and Ash are soon convinced that their nest doesn't have enough stuff and begin to collect more things to add to an ever-growing pile. From cuckoo clocks to mops and socks, a pram and even a car -- their need for stuff seems endless. Until -- crash! -- the inevitable happens. Emily Gravett's engaging, exquisitely illustrated story will appeal to fans of *Tidy* and of such classics as *The Animals of Farthing Wood*. The perfect story for young eco-warriors . . . and for

everyone.

Evie and the Animals Knopf Books for Young Readers

At the end of high school, Johanna finally begins dating the girl she has loved from afar, but Reeve is as much trouble as she claims to be as she and her twin brother damage Johanna's self-esteem, friendships, and already precarious relationship with her sister.

Hogwarts Library: The Illustrated Collection

Random House Books for Young Readers

'There will be three tasks, spaced throughout the school year, and they will test the champions in many different ways ... their magical prowess - their daring - their powers of deduction - and, of course, their ability to cope with danger.' The Triwizard Tournament is to be held at Hogwarts. Only wizards who are over seventeen are allowed to enter - but that doesn't stop Harry dreaming that he will win the competition. Then at Hallowe'en, when the

Goblet of Fire makes its selection, Harry is amazed to find his name is one of those that the magical cup picks out. He will face death-defying tasks, dragons and Dark wizards, but with the help of his best friends, Ron and Hermione, he might just make it through - alive! Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

Very Good Lives

Scholastic Incorporated
A TRULY WILD
ADVENTURE! Twelve-year-old Evie has a talent. She can HEAR what animals are thinking and she can TALK to them with her mind. When Evie goes on a trip to the Amazon rainforest, her powers are put to the test. She makes friends with pink river dolphins, must save an injured sloth, and discovers the secret life of a jaguar. Soon she sees that the jungle is in serious and deadly danger, and comes up with a rather risky plan to help save it . . . A brilliant new story from

bestselling author Matt Haig, featuring Evie from *Evie and the Animals* and with illustrations by the award-winning Emily Gravett.

The Time-travelling Caveman Pottermore Publishing

The electrifying number one bestselling adventure from the author of *The Christmasaurus* and *The Creakers* and star of BBC's *Strictly Come Dancing* Tom Fletcher! Franky can't wait to move to his new town - although he wishes he didn't have to leave his best friend Dani behind. But everything changes after the storm, when strange green lightning and powerful thunder crash down on the town. From that night on, the kids who live on Franky's street start to change. One by one, they become a little odd. A little unusual. A little... magical. Franky's always wanted to be part of an amazing gang - just like his hero, super-spy Zack Danger! And soon, he realises that there's real danger in store for himself and his new friends. And so the Danger Gang is born...

Raincoast Books
'Give me Harry Potter,' said Voldemort's voice, 'and none shall be

harmed. Give me Harry Potter, and I shall leave the school untouched. Give me Harry Potter, and you will be rewarded.' As he climbs into the sidecar of Hagrid's motorbike and takes to the skies, leaving Privet Drive for the last time, Harry Potter knows that Lord Voldemort and the Death Eaters are not far behind. The protective charm that has kept Harry safe until now is broken, but he cannot keep hiding. The Dark Lord is breathing fear into everything Harry loves and to stop him Harry will have to find and destroy the remaining Horcruxes. The final battle must begin - Harry must stand and face his enemy... Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

The Secrets of the Immortal Nicholas Flamel (Books 1-3)

Scholastic
Eleven-year-old Danny O'Neill has never been what you'd call adventurous. But when he wakes the morning after a

storm to find his house empty, his parents gone, and himself able to hear the thoughts of a dying tree, he has no choice but to set out to find answers. He soon learns that the enigmatic Book of Storms holds the key to what he seeks . . . but unraveling its mysteries won't be easy. If he wants to find his family, he'll have to face his worst fears and battle terrifyingly powerful enemies, including the demonic Sammael himself. In the beautifully imagined landscape of Ruth Hatfield's *The Book of Storms*, magic seamlessly intertwines with the everyday, nothing is black and white, and Danny is in a race against time to rescue everything he holds dear.

The Danger Gang Media Lab Books

As featured in the first year set texts reading list in *Harry Potter and the Philosopher's Stone*, 'Fantastic Beasts and where to find them' is an extensive introduction to the magical beasts that exist in the magical, non-Muggle world. Some of the animals featured in the A-Z you will have already met in the existing Harry Potter books: for example Hippogriff, Flobberworm,

Kappa - others you certainly won't: read on to find out exactly what a Chizpurfle is, why there are so few Erumpents, or why one should always beware of the sinister Lethifold... As Albus Dumbledore says in his introduction, this set text book by Newt Scamander has given the perfect grounding to many a Hogwarts student. It will be helpful to all Muggles out there too... On reading the book you will also find that Harry, Ron and (in one instance) Hermione - couldn't resist graffitiing the book, and adding their own personal hand-written opinions. Did you know that : there are 700 ways of committing a foul in Quidditch? The game first began to evolve on Queerditch Marsh? What Bumping is? That Puddlemere United is oldest team in the Britain and Ireland league? (founded 1163) All this information and much more could be yours once you have read this book: this is all you could ever need to know about the history, the rules - and the breaking of the rules - of the noble wizarding sport of Quidditch.

J.K. Rowling, one of the

world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, *VERY GOOD LIVES* presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

Quidditch Through the Ages

Combine the thought-provoking time travel of *When You Reach Me* with the humorous storytelling of Lemony Snicket, and you get a wholly original journey through time, space, and the depths of the human heart. This is a story of things that are not possible. It's not possible for Amy to see spirits. (She does.) It's not possible that Amy and Moo can communicate using only their minds. (They do.) It's not possible to time-travel. (Yet.) And

it's definitely not possible that witches exist. (Seriously?) None of these things are possible. (Until now . . .)

Actionable Steps to Nurture Yourself and the Planet Pottermore Publishing

The final collection of short stories from the incredible Sir Terry Pratchett! Imagination is an amazing thing. It can take you to the top of the highest mountain, or

down to the bottom of the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them

on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.
