 In December 1950, the German Expressionist Max Beckmann set out from his Manhattan apartment to see his Self-Portrait in Blue Jacket, on view at The Met, when he suffered a fatal heart attack. Inspired by the poignant circumstances of the artist's death, Max Beckmann in New York focuses on 40 beautifully illustrated

works that Beckmann painted in the city during the last 16 months of his life, as well as earlier works in New York collections. An informative and accessible essay by art historian Sabine Rewald, as well as detailed catalogue entries for each work and generous excerpts from the artist's letters, diaries, and ephemera, illuminate Beckmann's difficult and tumultuous life and make

this an essential volume for anyone interested in the artist. *The Good, the Bad, and the Ugly Vol 1* WaterBrook

A landmark

history of one

hundred years

of war waged

against the

Palestinians

from the

foremost US

historian of

the Middle

East, told

through

pivotal events

and family

history In

1899, Yusuf

Diya al-

Khalidi, mayor

of Jerusalem,

alarmed by

the Zionist call

to create a

Jewish

national home

in Palestine,

wrote a letter

aimed at

Theodore

Herzl: the

country had

an indigenous

people who

would not

easily accept

their own

displacement.

He warned of

the perils

ahead, ending

his note, "in

the name of

God, let

Palestine be

left alone."

Thus Rashid

Khalidi, al-

Khalidi's

great-great-

nephew,

begins this

sweeping

history, the

first general

account of the

conflict told

from an

explicitly

Palestinian

perspective.

Drawing on a

wealth of

untapped

archival

materials and

the reports of

generations of

family

members—ma-

yors, judges,

scholars,

diplomats,

and

journalists—Th

e Hundred

Years' War on

Palestine

upends

accepted

interpretations

of the conflict,

which tend, at

best, to

describe a

tragic clash

between two

peoples with

claims to the

same

territory.

Instead,

Khalidi traces

a hundred

years of

colonial war on the Palestinians, waged first by the Zionist movement and then Israel, but backed by Britain and the United States, the great powers of the age. He highlights the key episodes in this colonial campaign, from the 1917 Balfour Declaration to the destruction of Palestine in 1948, from Israel's 1982 invasion of Lebanon to the endless and futile peace process.

Original, authoritative, and important, The Hundred Years' War on Palestine is not a chronicle of victimization, nor does it whitewash the mistakes of Palestinian leaders or deny the emergence of national movements on both sides. In reevaluating the forces arrayed against the Palestinians, it offers an illuminating new view of a conflict that continues to this day.

I Love Jesus, But I Want to Die Dynamite
Ending poverty and stabilizing climate change will be two unprecedented global achievements and two major steps toward sustainable development. But the two

objectives cannot be considered in isolation: they need to be jointly tackled through an integrated strategy. This report brings together those two objectives and explores how they can more easily be achieved if considered together. It examines the potential impact of climate change and climate policies on poverty reduction. It also provides guidance on how to create a “win-win” situation so

that climate change policies contribute to poverty reduction and poverty-reduction policies contribute to climate change mitigation and resilience building. The key finding of the report is that climate change represents a significant obstacle to the sustained eradication of poverty, but future impacts on poverty are determined by policy choices: rapid, inclusive, and climate-

informed development can prevent most short-term impacts whereas immediate pro-poor, emissions-reduction policies can drastically limit long-term ones.

"Warm, funny, and a visual delight, Steenz's take on Heart of the City is next-level."

-Dana Simpson, Phoebe and Her Unicorn

This first book collection of Heart of the City comics by the strip's new creator, Steenz, is packed with outstanding art, a diverse cast of characters, and engaging, positive storylines about friendship, pop culture, ghost stories, and a wide range of real-world issues. Heart Lamarr is a girl with big dreams who lives in Philadelphia with her single mom. She has her sights set on a life of theater, but

she runs into plenty of drama off-stage, too. Luckily, her best friends Dean, Kat, and Charlotte form a stellar supporting cast to help Heart navigate the challenging world of school plays, cliques, rumors, and everything else middle school throws at them. Archie 1000

Groening, The toastmaster of trick-or-treat, whips up a witches'

brouhaha of crazed clown cars, possessed cereal boxes, haunted hospitals, afterlife-binding cocktail napkin I.O.U.s, ring-driven fellowships, neighborly vampires, and costumed comic book guys. Add a revenge-filled bottle of Amontillado, and a rippingly good yarn from merry and bloody olde England, and you have a pleasingly putrid and asphyxiatingly amusing tome

of tonsil-tickling terror and Halloween howl-arity with *The Simpsons*. *The Literary Gazette* The Complete Hate is a three-volume set that includes the original 1990-1998 30-issue run, the nine subsequent Hate Annuals, and tons of other Hate-related comics, illustrations, and ephemera created for books, magazines, comics, toys, and other merchandise. Bagge combined his

cartoony drawing style with uncomfortably real Gen X characters, and the comic books resonated with readers. Book One (Hate 1-15), focuses on young Buddy Bradley's travails in early 1990s Seattle. Book Two focuses on Buddy and his girlfriend Lisa Leavenworth's move back to Buddy's native New Jersey (and a switch from black-and-white to full color). Book Three features the

final arc of Bagge's magnum opus, as Buddy and Lisa become parents (and buy a garbage dump).

Shock Waves

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized." —Kay Warren,

cofounder of Saddleback Church. What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your

world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that

made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-

filled life in
Christ, even

when healing
doesn't look

like what you
expect.
