Perfect for self-studiers or students, this Farsi language education book takes a user-friendly and clear approach. Farsi is the language of Persia (present-day Iran)--the mellifluous mother tongue of famed 13th-century poet Rumi, whose works are still among the best-selling poems in America today. Farsi for Beginners is a complete language course by experienced teacher Dr. Saeid Atoofi which can help you to speak the language and understand this beautiful work of art in its original,

as well as open doors to Persian culture. Whether for pleasure, travel or business, language learners will find these lessons clear and easy to follow. By the end of this course, you'll be able to understand short sentences, express your basic needs, and read and write the 32-letter Farsi alphabet. Farsi for Beginners contains the following essential features: Downloadable native-speaker audio recordings help you to pronounce Farsi accurately. Dialogues and

stories about a family traveling to contemporary Iran. Idioms, sayings and poems introducing you to the cultures in which Farsi is used. Extensive exercises with answer keys to guide your learning process. Photos and insider cultural tips teach you about Persian culture. Nearly one million Iranian-Americans live in the U.S. today, and a part of Los Angeles is referred to as "Tehrangeles". Farsi is also considered a "critically needed" language by the U.S. government. Learning

Persian with Farsi for Beginners and its accompanying audio disc, can open opportunities for travel, for work, or simply to meet new people and understand their lives in a totally new way.

Basic Persian Innovative Language Learning How to speak, Read and Write Persian (FARSI) is a practical, quick and convenient method to learning the language of ninety million people. Whether one is planning to visit Iran, Afghanistan or Tajikistan, has friends who speak the language

or is interested in the Persian language's rich literature, this book will help you. The course is divided into twenty simple, clear and concise lessons, which include all aspects of the spoken and written language. Grammar, pronunciation, spelling and helpful phrases are covered. How to Speak, Read and Write Persian can be used effectively as a self-teacher or as a textbook. An answer key is included in the back for those learning independently. How to speak, read and

write Persian includes: 2,6000 word Persian-English dictionary; 3 ninety-minute audio-cassettes for pronunciation read by native speakers. No prior knowledge of Persian is necessary.

than you ever thought possible! Can you learn Farsi language without learning the alphabet? Yes, you can! In fact, anyone can learn to speak Farsi language without reading its script. Now, you can learn Farsi language the way the children do. They can't read or write, they just pick the language up through immersion and context. Many Farsi learners think that it would probably be difficult (or impossible) to become fluent in spoken Farsi without being able to read

the alphabet. In this book, you will learn that it's perfectly possible to reach a good conversational level without being able to read. Many Farsi speakers use the Roman alphabet when writing in their dialect. This book uses the same method. You would technically be illiterate in Farsi, but you could learn to speak and listen. Designed for Farsi learners, this comprehensive and innovative book makes Farsi language more accessible to students by removing the formidable

barrier of the Farsi alphabet. Learn to Speak Farsi in 30 days helps you learn speak Farsi faster than you ever thought possible. You only need to spend about 2 - 3 hours daily in your 30-day period in order to learn Farsi language at intermediate level. Whether you are just starting to get in touch with the Farsi language, or even if you have already learned the basics of the language, this book can help you accelerate the learning process and put you on the right track.

Each section of the book contains 6 pages covering a comprehensive range of topics. Each day includes vocabulary, grammar and reading lessons. It gives learners easy access to the Farsi vocabulary and grammar as it is actually used in a comprehensive range of everyday life situations and it teaches students to use Farsi for situations related to work, social life, and leisure. Topics such as greetings, family, weather, sports, food, customs, etc. are presented in interesting unique ways using real-

life information. Effortlessly and confidently follow the step-by-step instructions in this book to achieve the highest level of fluency to make you speak Farsi like a native speaker. *Learn to Speak Farsi in 30 days* is the only book you'll ever need to master Farsi language!  NEW YORK TIMES
 BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir. This Random House Reader's

Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! "Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America."—San Francisco Chronicle. In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country

beyond her father's glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas's wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who

combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete

mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh's parents laugh uproariously at Bob Hope on television, although they don't get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* "Heartfelt

and hilarious—in any language.”—Glamour “A joyful success.”—Newsday “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—Los Angeles Times Book Review “Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two

cultures.”—The Providence Journal “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—Milwaukee Journal Sentinel “[Funny in Farsi] brings us closer to discovering what it means to be an American.”—San Jose Mercury News *Farsi Grammar in Use* Createspace Independent Publishing Platform Basic Persian: A Grammar and Workbook comprises
