Humphrey, the Lost Whale Owlkids

A child and a whale embark on a beautiful journey together in this lyrical, gorgeously illustrated picture book about friendship, hope, and love for the world around us in the vein of *The Fisherman & the Whale* and *Cynthia Rylant's Life*. Where land becomes sky and sky becomes sea, I first saw the whale and the whale

first saw me. A child joins a friendly whale for a magical journey of discovery. They sail the blue ocean, dance with dolphins, and tail-splash seagulls. But the child also sees an ocean filled with plastic trash. And that inspires a promise of help, for the whale and all earth's creatures.

Killer Whale Eyes Little Gestalten

It is year 93 of the Sand Exile, but the implications of that calendar are only now sinking in for Chakuro. Imperial soldiers from the Allied Empire have appeared out of nowhere with orders to kill all the "criminals" of the Mud Whale! The Committee of Elders

knows why this is happening but still won't explain it to the young Marked of the island. And the elders would rather see the Mud Whale sink forever to the bottom of the Sea of Sand than leave them all at the mercy of the empire. -- VIZ Media

Ida and the Whale Simon and Schuster

In this beautiful story of kindness and empathy, loneliness and love, one creature finds that the help he needs is just a song and a sigh away. Whale's beautiful song winds its way through the ocean, reaching the farthest of faraways. His song is one of happiness and hope, magic and

wonder--and Whale's fellow sea creatures are calmed, cheered, and lulled by it. But though Whale sings his tender song day after day, night after night, Whale wonders why he has no song to fill his empty heart. So when he lets out a mournful sigh, the ocean carries it like a wish through its fathoms, bringing it to just the right place. Filled with stunning art and poetic language, this poignant story reminds us that being kind and helping a friend in need is sometimes the

most beautiful thing of all. In this lyrical picture book with subtle conservation themes, a girl helps

rescue a whale who has washed ashore. Here is a beautifully written, moving story that will appeal to all animal lovers, and to those interested in protecting our oceans and marine life. Emma lives in a crooked house in an old whaling town, and often takes her dog, Nemo, to the beach. On their walks, they find amazing treasures, like shells and stones and sea glass—and even a loggerhead turtle. But one day, they find something completely unexpected: a baby

whale, washed ashore. Emma empathizes with the animal's suffering, imagining what the whale is thinking and feeling. When the tide starts to come in, Emma pushes as the water swirls and rises, and eventually the whale swims free, back to her mother.
