Pray Big for Your Child Crossway Neuropsychologist Offers Hope to Those Struggling with Depression As a board-certified neuropsychologist, Dr. Michelle Bengtson sees the devastation of depression. Early on, she practiced the most effective treatments and prescribed them for her clients. But when she experienced

depression herself, she found that the treatments she had recommended were lacking. Her experience showed her the missing component in treating depression. In Hope Prevails, Dr. Bengtson writes with deep compassion, blending her training and faith, to offer readers a hope grounded in God's love and grace. She helps readers understand what depression is, how it affects

them spiritually, and what, by God's grace, it cannot do. The result is an approach that offers the hope of release, not just the management of symptoms. For those who struggle with depression and those who want to help them, *Hope Prevails* offers hope for the future. *God's Perfect Will* Lexham Press Moore's topical prayer guide encourages Christians to overcome spiritual

strongholds by incorporating key Scriptures into daily prayer. *Hope Prevails* NavPress Publishing Group Prayer expert Will Davis Jr. shows parents how to develop a prayer strategy for their kids. Includes a powerful prayer guide and reminders to help parents pray for their children throughout the day. **How to Pray** HarperChristian + ORM When was the last time we

truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us

to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

Polycarp and Paul Revell

Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew

Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life, it allows you to set goals and purposely seek after what God has created you to do. Andrew teaches you that the number one way that we learn to follow God's will is to simply put God first.

When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. It's one thing to find God's will and start moving in the right direction, but it's something else to stay at it over the long haul. Anybody can start, but it's the people who finish that really make a difference. Finishing is more important than starting,

and it is only through faith and patience that you inherit God's promises.

Walking in the Spirit

Multnomah
The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand

what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God

Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more

than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. “This is a unique and precious book that everybody should read more than once.” —J.I. PACKER, Regent College, Vancouver, British Columbia

How to Find, Follow, Fulfill God's Will
 WestBow Press
 This is a

Scriptural based book on prayer. It cites over 200 references in both the New and Old Testaments. The Bible has much to say about prayer. It is a very important topic. This book answers many questions that believers have about prayer. Why their prayers are not answered. Which prayers are always answered. It explains how to pray. Where to pray. How often one should pray. When to

decline praying and numerous Scriptural details that can help an individual's prayer life. Prayer is a significant part of a believer's relationship with the Father. It also discusses the things that have produced ineffective prayers. The key problem with most people's prayers is unforgiven sins. The solution is both simple and complex: sincerely praying

forgiveness prayers. The author identifies three basic prayers that when prayed correctly and sincerely are always answered in the affirmative. God expects us to be honest with Him. The key is Jesus' prayer in the Garden of Gethsemane: Matthew 26:39-44 When Jesus was facing a terrible death on the cross He asked if possible that the Father would spare Him.

Nevertheless, He gave believers the example that they should always ask that the Father override our wants in favor of His will being done! Prayer is not reciting a series of magic words that cause things to happen! God is sovereign! He can do anything that He chooses to do. The Holy Bible mentions some of the answers that He has already pre-determined. He is

consistent and does everything in agreement with His written Word. God is perfect. If He were to change He would be other than perfect! **Gospel Workers** Thomas Nelson "This little book is explosive and powerful." R. Albert Mohler, Jr. When you pray, does it ever feel like you're just saying the same old things about the same old things? Offering us the

encouragement and the practical advice we're all looking for, Donald S. Whitney, best-selling author of *Spiritual Disciplines for the Christian Life*, outlines an easy-to-grasp method that has the power to transform our prayer life: praying the words of Scripture. Simple, yet profound, *Praying the Bible* will prove invaluable as you seek to commune with your heavenly Father in prayer each

and every day. Sign up for a free 5-day email course on praying the Bible at crossway.org/PraytheBible.

Praying God's Will for My Life

Revell
This volume addresses the question of the Apostle Paul's literary and theological influences on Polycarp of Smyrna. To this end, the most detailed analysis in

print of Polycarp's dependence on earlier literature--both biblical and extra-biblical--is undertaken in the first part of the book. This general analysis forms the basis for the study of three questions: 1) Is Polyarp an imitator of Paul? 2) Whom does Polycarp think is the author of the Pastoral Epistles? 3) To what degree is Polycarp influenced by the theology of Paul? This volume will be of particular

interest to anyone studying the Apostolic Fathers, the reception of Paul in the second century, the concept of imitation, and the authorship of the Pastoral Epistles. Praying the Bible Penguin

Walking in the Spirit is a journey into what the Bible teaches about life in the Holy Spirit. Author Kenneth Berding uses the apostle Paul and his words in Romans 8 to model what it looks like to live both empowered and set free by the Spirit. Written at an accessible level, Berding speaks to a wide audience as he seeks to connect readers to the life of the Spirit. His practical guide covers a variety of

topics, showing readers how to set their minds on the things of the Spirit, put to death the deeds of the body, be led by the Spirit, know the fatherhood of God, and hope and pray in the Spirit. Berding applies the Bible to life through many of his own personal experiences, helping readers make connections to their own spiritual journeys. Discussion questions for each chapter
