NEW YORK TIMES
BESTSELLER In this
moving memoir, Danielle

Steel tells the story of how she met a dog the size of a mouse with a personality that could light up an entire room. From Minnie's arrival at home in San Francisco to clothes-shopping jaunts in Paris, her adventures provide the perfect backdrop for a heartfelt look at the magic that dogs bring to our lives, and how they become part of the family, making indelible memories. We meet Steel's childhood pug, James; and Elmer, the basset hound who was steadfastly at her

side in her struggling days as a young writer; Sweet Pea—unveiled in a Tiffany box for a dog-loving husband—and all those lucky dogs who shared a household of nine children, other canines, and one potbellied pig. As she reflects on the beloved pets who have brought joy, and sometimes chaos, to her home through the years, Steel also shares her thoughts on the trials and tribulations of bringing a new dog into a household, the challenges of housebreaking and

compatibility, the losses we feel forever. Filled with colorful characters (human and otherwise), delightful photographs, practical wisdom drawn from long experience, and brimming with warmth and insight on every page, *Pure Joy* is a love letter to this special relationship—and one of the most charming books yet from the incomparable Danielle Steel. Praise for *Pure Joy* “The mega-selling [Danielle Steel] shares happy memories of her numerous dogs. . . . Steel

brings readers into her life, recounting delightful moments with her many dogs, the dogs her children have owned, and her newest friend, Minnie, her tiny Chihuahua. . . . Plainly told with honesty and affection, these stories are an affirmation of the timeless connection between humans and their canine companions.”—Kirkus Reviews “Steel doesn’t just love to write blockbusters; she loves dogs. Here’s her valentine to all the dogs she’s raised (looking to be

mostly of the small sort), with lots of black-and-white photos throughout. A heady commercial combo.”—Library Journal *The Prisoner of Heaven* Jonglez Publishing Carlos Ruiz Zafon's haunting gothic mystery, which has long been a cult classic in Spain and is now an international bestseller. "We all have a secret buried under lock and key in the attic of our soul. This is mine." Fifteen-year-old Oscar Draï meets the strange Marina while he's out exploring an old quarter

of Barcelona. She leads Oscar to a cemetery, where they watch a macabre ritual that occurs on the last Sunday of each month. At exactly 10 o'clock in the morning, a woman shrouded in a black velvet cloak descends from her carriage to place a single rose on an unmarked grave. When Oscar and Marina decide to follow her, they begin a journey that transports them to a forgotten postwar Barcelona—a world of aristocrats and actresses, inventors and

tycoons—and reveals a dark secret that lies waiting in the mysterious labyrinth beneath the city streets.

Le cimetière des livres oubliés Penguin

From master storyteller Carlos Ruiz Zafon, author of the international phenomenon *The Shadow of the Wind*, comes *The Angel's Game* — a dazzling new page-turner about the perilous nature of obsession, in literature and in love. The whole of Barcelona stretched out at my feet and I wanted to

believe that when I opened those windows — my new windows — each evening its streets would whisper stories to me, secrets in my ear, that I could catch on paper and narrate to whomever cared to listen... In an abandoned mansion at the heart of Barcelona, a young man, David Martin, makes his living by writing sensationalist novels under a pseudonym. The survivor of a troubled childhood, he has taken refuge in the world of books and spends his nights spinning

baroque tales about the city's underworld. But perhaps his dark imaginings are not as strange as they seem, for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner. Like a slow poison, the history of the place seeps into his bones as he struggles with an impossible love. Close to despair, David receives a letter from a reclusive French editor, Andreas Corelli, who makes him the offer of a lifetime. He

is to write a book unlike anything that has ever existed — a book with the power to change hearts and minds. In return, he will receive a fortune, and perhaps more. But as David begins the work, he realizes that there is a connection between his haunting book and the shadows that surround his home. Once again, Zafon takes us into a dark, gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue, romance, and tragedy. Through a

dizzily constructed labyrinth of secrets, the magic of books, passion, and friendship blend into a masterful story.

But when he sets out to find the author’s other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax’s books in existence. Soon Daniel’s

seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love.

The Brotherhood of Book Hunters
Serpent's Tail
A gorgeous visual celebration of America's public libraries including 150 photos, plus essays

by Bill Moyers, Ann Patchett, Anne Lamott, Amy Tan, Barbara Kingsolver, and many more. Many of us have vivid recollections of childhood visits to a public library: the unmistakable musty scent, the excitement of checking out a stack of newly discovered books. Today, the more than 17,000 libraries in America also function as de facto community centers offering free access to the internet, job-hunting assistance, or a warm place to take shelter. And

yet, across the country, cities large and small are closing public libraries or curtailing their hours of operation. Over the last eighteen years, photographer Robert Dawson has crisscrossed the country documenting hundreds of these endangered institutions. The Public Library presents a wide selection of Dawson's photographs— from the majestic reading room at the New York Public Library to Allensworth, California's one-room Tulare County Free

Library built by former slaves. Accompanying Dawson's revealing photographs are essays, letters, and poetry by some of America's most celebrated writers. A foreword by Bill Moyers and an afterword by Ann Patchett bookend this important survey of a treasured American institution.

Chronicle Books

"A sleek, sophisticated, madly clever chamber mystery" from the international bestselling author—the basis for the

film *Uncovered* starring Kate Beckinsale (The New York Times Book Review). A fifteenth-century painting by a Flemish master is about to be auctioned when Julia, a young art restorer, discovers a peculiar inscription hidden in a corner: Who killed the knight? In the painting, the Duke of Flanders and his knight are locked in a game of chess, and a dark lady lurks mysteriously in the background. Julia is determined to solve the five-hundred-year-old murder, but as she begins

to look for clues, several of her friends in the art world are brutally murdered in quick succession. Messages left with the bodies suggest a crucial connection between the chess game in the painting, the knight's murder, the sordid underside of the contemporary art world, and the latest deaths. Just when all of the players in the mystery seem to be pawns themselves, events race toward a shocking conclusion. A thriller like no other, *The Flanders Panel* presents a

tantalizing puzzle for any connoisseur of mystery, chess, art, and history. “A beguiling puzzle—a game within a game within a game—solved in perplexing but entertaining fashion.”—The Philadelphia Inquirer “For mystery fans who yearn for literate, intelligent, sophisticated whodunits, Spanish author Pérez-Reverte’s highly acclaimed story fills the bill perfectly . . . An inventive plot, gripping suspense, fascinatingly complex characters, and

innovative incorporation of art, literature, and music will enthrall readers looking for something a little different.”—Booklist “This intelligent mystery . . . comes up with a satisfying twist at the end.”—Library Journal *The Berlin Wall* Penguin “A brainy noir . . . [a] winningly cryptic tale . . . a cabinet of wonders written by a novelist whose surname and sensibility fit comfortably on the shelf between Umberto Eco and John Fowles.”—Los Angeles Times “One of the year’s

most literate and absorbing entertainments.” —Kirkus Reviews Jon Fasman’s dizzyingly plotted intellectual thriller suggests a marriage between Dan Brown and Donna Tartt. When reporter Paul Tomm is assigned to investigate the mysterious death of a reclusive academic, he finds himself pursuing leads that date back to the twelfth century and the theft of alchemical instruments from the geographer of the Sicilian court. Now someone is

trying to retrieve them. Interspersed with the present action are the stories of the men and women who came to possess those charmed—and sometimes cursed—artifacts, which have powers that go well beyond the transmutation of lead into gold. Deftly combining history, magic, suspense, and romance—and as handsomely illustrated as an ancient incunabulum—The Geographer's Library is irresistible.

An atmospheric young adult novel from bestselling *The Shadow of the Wind* author Carlos Ruiz Zafón, translated from the original Spanish by acclaimed translator Lucia Graves. It's wartime, and the Carver family decides to leave the capital where they live and move to a small coastal village where they've recently bought a home. But from the

minute they cross the threshold, strange things start to happen. In that mysterious house still lurks the spirit of Jacob, the previous owners' son, who died by drowning. With the help of their new friend Roland, Max and Alicia Carver begin to explore the strange circumstances of that death and discover the existence of a mysterious being called the Prince of Mist—a diabolical character who has returned from the shadows to collect on a debt from the past. Soon

the three friends find themselves caught up in an adventure of sunken ships and an enchanted stone garden—an adventure that will change their lives forever. *Balzac and the Little Chinese Seamstress* Deep Vellum Publishing
The Da Vinci Code meets Stephen Greenblatt's *The Swerve* in this erudite adventure story set at the dawn of the printed book about the outlaw poet François Villon and the power of words to change the world. François Villon, the world's first poet of

modernity, was born in Paris in 1431. He was arrested and condemned to death by hanging in 1462 and exonerated in 1463. Shortly after his release from prison, as far as history is concerned, he disappeared forever. In Raphaël Jerusalmy's thrilling novel, to ensure his release, Villon has accepted a shady deal offered by the Bishop of Paris at the behest of Louis XI. All Villon has to do to earn his freedom is to convince a printer and bookseller to move from Mayence to Paris, telling

him that by doing so he'll be better able to circulate progressive ideas that aren't approved of in Rome. Not surprisingly, Villon's task becomes more complicated that it first seemed. With this riveting tale of plots and counterplots involving secret organizations in Jerusalem, intrigue in France, and brigands in Italy, Raphaël Jerusalmy leaves readers with their hearts racing and their imaginations stirred. The Brotherhood of Book Hunters is an irresistible read for lovers of books,

adventure, and fine writing.

Tita's Diary Farrar, Straus and Giroux
An enchanting literary debut—already an international best-seller. At the height of Mao's infamous Cultural Revolution, two boys are among hundreds of thousands exiled to the countryside for "re-education." The narrator and his best friend, Luo, guilty of being the sons of doctors, find themselves in a remote village where, among the peasants of Phoenix mountain, they

are made to cart buckets of excrement up and down precipitous winding paths. Their meager distractions include a violin—as well as, before long, the beautiful daughter of the local tailor. But it is when the two discover a hidden stash of Western classics in Chinese translation that their re-education takes its most surprising turn. While ingeniously concealing their forbidden treasure, the boys find transit to worlds they had thought lost forever. And after listening to their

dangerously seductive retellings of Balzac, even the Little Seamstress will be forever transformed. From within the hopelessness and terror of one of the darkest passages in human history, Dai Sijie has fashioned a beguiling and unexpected story about the resilience of the human spirit, the wonder of romantic awakening and the magical power of storytelling.

The long-awaited new novel from the author of

the global bestseller and modern classic, *The Shadow of the Wind*. As a child, Daniel Sempere discovered among the passageways of the Cemetery of Forgotten Books an extraordinary novel that would change the course of his life. Now a young man in the Barcelona of the late 1950s, Daniel runs the Sempere & Sons bookshop and enjoys a seemingly fulfilling life with his loving wife and son. Yet the mystery surrounding the death of his mother continues to

plague his soul despite the moving efforts of his wife Bea and his faithful friend Fermín to save him. Just when Daniel believes he is close to solving this enigma, a conspiracy more sinister than he could have imagined spreads its tentacles from the hellish regime. That is when Alicia Gris appears, a soul born out of the nightmare of the war. She is the one who will lead Daniel to the edge of the abyss and reveal the secret history of his family, although at a terrifying price. The

Labyrinth of the Spirits is an electrifying tale of passion, intrigue and adventure. Within its haunting pages Carlos Ruiz Zafón masterfully weaves together plots and subplots in an intricate and intensely imagined homage to books, the art of storytelling and that magical bridge between literature and our lives. 'For the first time in 20 years or so as a book reviewer, I am tempted to dust off the old superlatives and event to employ some particularly vulgar clichés from the

repertoire of publishers' blurbs. My colleagues may be shocked, but I don't care, I can't help myself, here goes. The Shadow of the Wind is a triumph of the storyteller's art. I couldn't put it down. Enchanting, hilarious and heartbreaking, this book will change your life. Carlos Ruiz Zafón has done that exceedingly rare thing - he has produced, in his first novel, a popular masterpiece, an instant classic' Daily Telegraph Twenty-Four Hours in the

Life of a Woman A&C Black

In the tradition of The Orchid Thief, a compelling narrative set within the strange and genteel world of rare-book collecting: the true story of an infamous book thief, his victims, and the man determined to catch him. Rare-book theft is even more widespread than fine-art theft. Most thieves, of course, steal for profit. John Charles Gilkey steals purely for the love of books. In an attempt to understand him better, journalist

Allison Hoover Bartlett plunged herself into the world of book lust and discovered just how dangerous it can be. John Gilkey is an obsessed, unrepentant book thief who has stolen hundreds of thousands of dollars worth of rare books from book fairs, stores, and libraries around the country. Ken Sanders is the self-appointed "bibliodick" (book dealer with a penchant for detective work) driven to

catch him. Bartlett befriended both outlandish characters and found herself caught in the middle of efforts to recover hidden treasure. With a mixture of suspense, insight, and humor, she has woven this entertaining cat-and-mouse chase into a narrative that not only reveals exactly how Gilkey pulled off his dirtiest crimes, where he stashed the loot, and how

Sanders ultimately caught him but also explores the romance of books, the lure to collect them, and the temptation to steal them. Immersing the reader in a rich, wide world of literary obsession, Bartlett looks at the history of book passion, collection, and theft through the ages, to examine the craving that makes some people willing to stop at nothing to possess the books they love.
