Fully updated and revised this guide includes short descriptions and maps of seventeen easy day hikes in the Grand Canyon National Park

Best Easy Day Hiking Guide and Trail Map Bundle Rizzoli Publications

More than four million people visit the Grand Canyon National Park every year, but most visitors choose not to stray beyond the heavily visited trails or to venture below the Canyon's rims. The rim trails and the routes to the inner canyon offer solitude and expose beauty vastly different from what can be seen from the developed areas of the Rims. This edition of the Official Guide to Hiking Grand Canyon provides an overview of all the park's major trails, with notations about difficulty levels, conditions, water sources, distances from point to point and elevation gain and losses.

Hikernut's Grand Canyon Companion Falcon Guides

A guide to the Grand Canyon for rim walkers, day hikers, and serious backpackers, presented from the point of view of geologists. An overview introduces readers to the area's geological history, followed by detailed narratives of 18 hikes. For each hike the authors explore a geological theme, focusing on aspects of the canyon's evolution that are particularly well-illustrated along its length. Basic information such as trail length, elevation change, and difficulty level starts each chapter.

*On Foot in the Grand Canyon* West Winds Press

Taking hikers to some of the most scenic sections of the fabulous Grand Canyon National Park, this book includes short descriptions and maps of seventeen easy day hikes in the park. Hikes in this book are fairly short, usually (but not always) without big hills, and are on well-defined, easy-to-follow trails. Fully updated and revised, this guide is the ultimate companion for those seeking a fun, easy, and scenic hike. This edition also comes with a beautiful map from the experts at National

Geographic!

Dear Diary, I'm in a very unusual place: the bottom of the Grand Canyon. But it feels like we are at the bottom of the world . . . The Parkers, an intrepid family of four, are back for another exciting adventure in Grand Canyon National Park: Tail of the Scorpion. Amid the magnificent beauty of the park, ten-year-old twins James and Morgan and their father brave a steep twenty-one-mile hike from rim to rim. As they face heatstroke, exhaustion, and even a run-in with scorpions, they wonder, "Can we make the grueling climb to the top?" Each book in the exciting Adventures with the Parkers series for kids 8-13 explores a popular national park and is packed with adventure as well as engaging and educational facts about nature, outdoor safety, and much more. Vacation has never been this fun! Books in the Adventures with the Parkers Series: Bryce Canyon and Zion National Parks: Danger in the Narrows Glacier National Park: Going to the Sun Grand Canyon National Park: Tail of the Scorpion Great Smoky Mountains National Park: Ridge Runner Rescue Mount Rushmore, Badlands, Wind Cave: Going Underground Olympic National Park: Touch of the Tide Pool, Crack of the Glacier Rocky Mountain National Park: Peril on Longs Peak Yellowstone National Park: Eye of the Grizzly Yosemite National Park: Harrowing Ascent of Half Dome

**Hiking the Grand Canyon's Geology** Gareth Stevens Publishing LLLP

Find everything you need to know about the Grand Canyon's one best hike, from the rim to the river—and back again. The Grand Canyon's striking geology and overwhelming scale inspires the millions who stand on its South Rim each year. Let expert author Elizabeth Wenk lead you into the canyon's depths on the Bright Angel and South Kaibab trails to the mighty Colorado River, and spend the night at Indian Garden or Bright Angel campgrounds, or Phantom Ranch. While tremendously rewarding, this 16.1-mile loop hike demands much, even of experienced trekkers. Hikers need to prepare for the hot temperatures, lack of shade, long distance, elevation change, and other potential dangers. One Best Hike: Grand Canyon is a step-by-step guide that helps you tackle this trip with confidence. Inside you'll find: Trail-tested details on how to choose hiking partners and an appropriate pace, what to pack, when to go, how to get a permit, and what side trips to consider Advice on proper physical conditioning, including acclimating to the desert heat, staying hydrated, and preventing illness Details about the area's human history and the geologic features, plants, and animals you'll see One Best Hike: Grand Canyon, with its can-do approach, nuts-and-bolts advice, and practical tips, will leave you wondering why you waited so long to embark on this truly special hiking adventure.

**Grand Canyon National Park - Best Easy Day Hikes** James Kaiser

"There's the Grand Canyon as seen from one of the rims. Spectacular. Awe-inspiring. Dramatic. And there's the Grand Canyon below the rims, a very different place steeped in wilderness, bus-sized boulders, tumbling streams, knee-shredding switchbacks, solitude, and the cataract-punctuated Colorado River. The trails in Grand Canyon National Park attract more than 80,000 permitted overnight backpackers annually, as well as an untold number of day hikers and mule riders. Join author Seth Muller on a grand adventure, searching for the Grand Canyon's soul along miles of canyon trails. Muller profiles rangers, artists, volunteers, hikers, ultra-marathoners, mule skinnners, and others who regularly experience the inner canyon, presenting the Corridor Trails in intimate, creative prose that will carry the reader into the depths of the canyon and back out again"--P. 4 of cover.
