Les récrés d'Agan, Eudes, Rufus, Alceste, Joachim, Maixent, Clotaire, Geoffroy et du Petit Nicolas ont-elles lieu entre les cours ou pendant les cours ? C'est souvent la question que se posent le Bouillon, le surveillant, M. Mouchabière, le directeur de l'école, et la maîtresse... Toujours est-il qu'avec cette bande de terribles copains, personne n'a vraiment le temps de s'ennuyer ! Le Petit Nicolas et ses copains font à nouveau les quatre cents coups !

Son of the Mob 2: Hollywood Hustle Phaidon

A little French boy recounts the many escapades that he and his classmates indulge in as they make their way through a year at primary school.

Dare to Disappoint Gallimard-Jeunesse

The user interface is the bridge between players and the game universe, it is the bidirectional flow of information from realtime simulation systems to the player's mind. As games have evolved, so has the need to develop intuitive, responsive and visually stunning ways for the player to interact with the game universe. User Interface Programming for Games aims to give programmers the core knowledge behind modern user interface development, provide useful techniques and recipes for well known user interface elements and insights into many of the different areas in which user interface programmers ultimately venture in the development cycle of a game. The best tool programmers can have at their disposal is a solid understanding of the mathematics and graphics programming concepts that are the foundation under any user interface system, this book explains it in a way that is relevant to user interface and game programmers alike.

Le Petit Nicolas ... Adapted by Ann Dubs ... Illustrated by Sempé. (English School Edition.). Phaidon Press

Hi! I'm Charlie (DON'T call me Charlotte - ever!). History is boring, right? Wrong! The Victorians weren't all deadly dull and drippy. Lottie certainly isn't. She's eleven - like me - but she's left school and has a job as a nursery maid. Her life is really hard, just work work work, but I bet she'd know what to do about my mum's awful boyfriend and his wimpy little son. I bet she wouldn't mess it all up like I do . . .

The Musicians Phaidon Press

La maîtresse est inquiète, le photographe s'éponge le front, le Bouillon devient tout rouge, les mamans ont mauvaise mine, les papas font les guignols, le directeur part à la retraite, quant à l'inspecteur, il est reparti aussi vite qu'il était venu. Pourtant, à l'école ou en famille, Geoffroy, Agan, Eudes, Rufus, Clotaire, Maixent, Alceste, Joachim... et le Petit Nicolas sont presque toujours sages. Les premières aventures du Petit Nicolas par deux auteurs de génie. Un chef-d'œuvre

d'humour et de tendresse, à ne pas lire si vous n'aimez pas rire !

Nicholas and the Gang Phaidon Press

D'abord, il y a eu l'hôtel Beau-Rivage, à Bains-les-Mers, et les nouveaux copains: Blaise, Fructueux, Mamert, Irénée, Fabrice et Côte. Puis un essai manqué de germination de haricot avant de repartir avec la colonie du Camp Bleu où l'on s'amuse drôlement. Elles sont vraiment terribles, les vacances du Petit Nicolas ! Dc quoi épater Marie-Edwige à la rentrée... Avec le Petit Nicolas, vous ne risquez pas de vous ennuyer: ses vacances sont un festival de drôlerie et de tendresse, grâce au génie de deux grands auteurs !

French Short Stories for Beginners Phaidon Press Limited

Growing up on the Aegean Coast, Ozge loved the sea and imagined a life of adventure while her parents and society demanded predictability. Her dad expected Ozge, like her sister, to become an engineer. She tried to hear her own voice over his and the religious and militaristic tensions of Turkey and the conflicts between secularism and fundamentalism. Could she be a scuba diver like Jacques Cousteau? A stage actress? Would it be possible to please everyone including herself? In her unpredictable and funny graphic memoir, Ozge recounts her story using inventive collages, weaving together images of the sea, politics, science, and friendship.

Nicholas on Holiday Sempe Media

The fast-paced, funny sequel to the best-selling *Son of the Mob*. Vince Luca is in heaven . . . he's off to Los Angeles, to attend the University of Santa Monica's film school. College should be fantastic, and he is more thrilled about being 3,000 miles away from his mob family. As it turns out, college brings its own problems: from other film students moving in on his girl, to a kleptomaniac

roommate, to having to get a job on campus to help pay tuition. It's a fair amount to handle, though nothing Vince couldn't easily manage — if he didn't keep finding himself with unexpected guests from the East Coast. It seems Vince's dad may just be ready to expand operations to L.A. With the popularity of shows such as "The Sopranos," the mafia is a topic of intrigue for young adults. The fast-paced plot, hilarious dialogue and Korman's keen understanding of teen issues, made this a bestseller and a critical success.

Renowned New Yorker cover illustrator Jean-Jacques Sempé illustrates the quirky charm of France's countryside and small towns with his signature style and gentle sense of humor and irony. His drawings are famed for their striking use of pen and ink, their inimitable style, and most of all for their satire and tragicomic vision. The 78 drawings in this charming portfolio are sweet and sentimental. They somehow manage to be gentle even when the topic is difficult. They probe the quirkiness of life in provincial France and wordlessly pinpoint the quintessential features of modern French life, creating a world peopled by bemused psychoanalysts, baffled lovers, dreamy couples, and long-faced aquiline-nosed depressives yearning for universal truths. Not only is the volume a tribute to France, but it celebrates those who are ready to see the comic and lighthearted beyond life's problems and their own egos.

A giant crater has been dug right into the center of the Tree, moss and lichen have invaded the branches, and one tyrant controls it all. Leo Blue, once Toby's best friend, is holding Toby's beloved Elisha prisoner, hunting the Grass People with merciless force, and inflicting a life of poverty and fear on the Tree People. But after several years among the Grass People, Toby has returned to fight back. And this time he's not alone: a resistance is forming. In the much-anticipated sequel to the award-winning *TOBY ALONE*, the compelling eco-adventure reaches its gripping conclusion.
