### **Scared Selfless**

HarperCollins

From the author of  
Expecting Better, The  
Family Firm, and The  
Unexpected an  
economist's guide to the  
early years of parenting.  
"Both refreshing and

useful. With so many  
parenting theories driving  
us all a bit batty, this is  
the type of book that we  
need to help calm things  
down." —LA Times "The  
book is jampacked with  
information, but it's also a  
delightful read because  
Oster is such a good  
writer." —NPR With  
Expecting Better, award-  
winning economist Emily  
Oster spotted a need in

the pregnancy market for  
advice that gave women  
the information they  
needed to make the best  
decision for their own  
pregnancies. By digging  
into the data, Oster found  
that much of the  
conventional pregnancy  
wisdom was wrong. In  
Cribsheet, she now  
tackles an even greater  
challenge: decision-  
making in the early years

of parenting. As any new parent knows, there is an abundance of often-conflicting advice hurled at you from doctors, family, friends, and strangers on the internet. From the earliest days, parents get the message that they must make certain choices around feeding, sleep, and schedule or all will be lost. There's a rule—or three—for everything. But the benefits of these choices can be overstated, and the trade-offs can be profound. How do you make your own

best decision? Armed with the data, Oster finds that the conventional wisdom doesn't always hold up. She debunks myths around breastfeeding (not a panacea), sleep training (not so bad!), potty training (wait until they're ready or possibly bribe with M&Ms), language acquisition (early talkers aren't necessarily geniuses), and many other topics. She also shows parents how to think through freighted questions like if and how to go back to work, how to think about toddler

discipline, and how to have a relationship and parent at the same time. Economics is the science of decision-making, and *Cribsheet* is a thinking parent's guide to the chaos and frequent misinformation of the early years. Emily Oster is a trained expert—and mom of two—who can empower us to make better, less fraught decisions—and stay sane in the years before preschool. *Sesame Beginnings: Potty Time!* (Sesame Street) Penguin

In this newly modernized edition of the classic, bestselling book on toilet training, you'll discover the scientifically proven Azrin-Foxx method that's been used by millions of parents worldwide. This clear and accessible guide remains the go-to book on toilet training for a reason. With a newly modernized take on the same proven, easy-to-follow steps, you'll learn how to let go of stress and have your child confidently using the toilet—without assistance or a reminder—in only a

couple of hours. Inside you will find a wealth of helpful information, including: - Step-by-step instructions taking you and your child from pre-training all the way through to the Potty Training Diploma - A method that unlocks your child's sense of pride, independence, and accomplishment - Supply lists, reminder sheets, and frequently asked questions With more than two million copies sold, Toilet Training in Less Than a Day is the only guide you'll ever need to

make potty training a rewarding and successful experience for both you and your toddler. *Potty Training in 3 Days* Allen & Unwin Fill the oopsies with laughter. This contemporarily illustrated guide for choosing appropriate toileting locations has graphics and repetition that will make your toddlers laugh out loud and learn early letters along the way. Oh, and we've added captions for the adult reader! Whatever it takes to get you through the seriously

taxing business of toilet training - we're here to help you breeze through with a smile on your face. Author of 'Losing Kate' Kylie Kaden has this to say about 'Places to Poop' - 'Laugh out loud funny for parents, and clear and engaging for kids. A hilarious romp that doesn't sugar the realities of parenting!' Highly recommended.  
*The Tiny Potty Training Book* Workman Publishing  
 Most new parents think of diapers as a smelly, expensive, and unavoidable necessity.

The good news is that it's possible—even practical—to raise your kids without diapers. In *Diaper Free!*, Ingrid Bauer shows how you can: \* Save thousands of dollars \* Reduce landfill waste (single-use disposable diapers are responsible for one third of the non-biodegradable waste in landfills) \* Avoid diaper rash \* Use the “Four Tools for Diaper Freedom” to enhance your relationship with your baby and deepen communication. Based on extensive research, case studies,

and the author's own experience, *Diaper Free!* is a warm and helpful companion at every stage, from the first magical days of your baby's life, to complete toilet independence. BACKCOVER: “The true solution to the diaper dilemma. . . . Packed with information, examples, and support. A valuable addition to the library of any pregnant or new mother.” —Teresa Pitman, La Leche League International

 AN INSTANT NEW YORK

TIMES BESTSELLER • A REESE'S BOOK CLUB PICK  
Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming.

Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family

actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to

develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

*The Things They Carried*  
Big Steps

Age 1-3 Boys & Girls  
Moving our children from potty to toilet can be almost as difficult as getting them on the potty in the first place. With warmth and sensitivity, author Yvonne Jones guides little boys and girls

through the challenges and rewards of transitioning from a potty to a grown-up toilet. A helpful "Note to Parents" is included. "An adorable book that builds confidence and sets the stage for a successful transition." Colleen Brunetti, M.Ed., C.H.C., Potty Time Specialist  
"Throughout the book, there are constant reminders that trying something new is fun. And good. And brave. And how being a Big Kid feels awesome." Jamie Glowacki, Author of "Oh

Crap Potty Training" "Hip, Hip, Hooray! Teeny Totty is the BEST at 'showing' how to use the BIG Potty!" Teri Crane, Author of "Potty Train Your Child In Just One Day" To learn more about the author and Teeny Totty, visit [www.LoewenHerz-Creative.com/Teeny-Totty](http://www.LoewenHerz-Creative.com/Teeny-Totty)  
*Diaper Free* Daniel Tiger's Neighborhood In  
From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised

and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally,

between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can

solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good. [Not So Mumsy](#) Workman Publishing  
"The Gentle potty training book is a practical guide to helping your child through one of the most important developmental

stages of early childhood. Avoiding strict timelines, rewards and plans that are based solely on a child's gender, Sarah Ockwell-Smith advocates an approach that is based on your child's unique developmental stage - because the gentlest, easiest and most effective potty training happens when you work with your child as a team."--  
 Publisher description.  
*How to Toilet Train Your Cat* Piatkus Books  
 A toddler's step-by-step guide to using the potty, including how to get rid of

wild elephants and dinosaurs when trying to poop, lyrics to the potty song, and why using too much toilet paper is a bad idea.

Places to Poop Andrews McMeel Publishing  
 This kit gives parents the tools that they need to successfully and confidently toilet train their son in six easy steps.

 'Not So Mumasy encapsulates motherhood's new mood; edgy, powerful, honest

and strong.' - Marie Claire Magazine  
 Yes, you are a mum, but you're still you!  
 For mamas everywhere, this is your Mother's Group in a book.  
 Parenting is hard, but it's also beautiful. For women who have embraced motherhood but also yearn to retain a sense of self and style, *Not So Mumasy* has been a pioneering site driving the Modern Mama movement. Bridging the gap between pre-mama life and the whole new world of leaky boobs and pureed banana, Marcia Leone

(aka Not So Mumsy) has always shared her journey with honesty and humour, providing a warm and inclusive support network for like-minded women. With powerfully uplifting perspectives from inspirational mamas across the world, including Jaime King, Teresa Palmer, Megan Gale and Tammin Sursok, Not So Mumsy will help you navigate pregnancy, your first year and beyond with style, humour and confidence.

**Busy Toddler's Guide to Actual Parenting**

Loewenherz-Creative Just 60 years ago, over 92% of American children were potty trained by 18 months. After disposable diapers and the related message to wait for "readiness" hit the scene, American kids are now potty training at about 3 years old, leaving parents wondering: When is it okay to potty train? and How do I do it? The Tiny Potty Training Book answers all of these questions and more, empowering parents with accurate information and step-by-step guidance to

potty train with confidence at any age. With this book parents can complete potty training in an average of 7 days, without force, coercion, sticker charts, or bribery. Toddlers 18 months and up will gain mastery and dignity through the swift and gentle method laid out in this book, complete with troubleshooting section and access to private support.

[Toilet Time for Girls Sound Book](#) Tiny World Company (back panel) Hannah and Henry sing "Bye-Bye

Diapers!" " Hannah and Henry are two happy kids with an exciting story to tell--and they want to share it with little boys and girls everywhere! They're graduating from diapers and learning to use the potty. Toddlers can follow along with their growing-up adventure . . . and then use this package's miniature doll and toy potty to reenact Hannah's or Henry's potty training story as part of their own potty training program. Kids will have fun as they learn to use the potty with their "Bye-

Bye Diapers Potty Pack"--and Moms and Dads will love it too. Check this package's bottom panel for complete list of potty training items inside (bottom panel) Hannah's Bye-Bye Diapers Potty Pack Featuring The Potty Book & DVD for Girls Hannah Doll Teddy Bear & Potty"  
*Fair Play: Reese's Book Club* Dorling Kindersley Ltd  
 Paul Kunkel's foolproof, tried-and-true 21 day program teaches any litter-trained cat to use a toilet instead of a litter

box. It doesn't require anything fancy—a toilet, a stack of magazines or newspapers, masking tape, plastic wrap, a supply of cat litter, and a litter box—and it's the perfect program for anyone who wants a happier, healthier cat. The program begins with you placing the litter box next to the toilet, and ends with your beloved cat using the toilet—just like any other member of the family. For life. Along the way, owners learn why toilet-training is beneficial to cats. In well-

researched, totally updated, fact-filled text, Kunkel traces the history of this mysterious animal, and explains why many cats equate the smell of a litter box with danger; why the fragrances, deodorants, dyes, and disinfectants found in most litters are detrimental to your cat's well-being; and why the decision to transition to the toilet is one that will benefit both you and your cat. No more litter box, no more litter, no more cleaning—and no more smell!

*The Gentle Potty Training Book* Barron's Educational Series  
Together ZiZi and Mommy explore the joys, challenges and frustrations when transitioning from being a baby into becoming a Big Girl. Potty Training is not a one-size-fits-all process, and everyone experiences it differently. Potty-Training Day; celebrates that space in between where your little one is curious and ready and as a parent you are eager and scared for what a potty-trained baby really

means.

Boys' Potty Time Random House

Get toddlers ready for preschool with an illustrated story that helps them use the potty with confidence! Provide your toddler with the gentle support and encouragement they need during potty training. Let's Go to the Potty is an engaging, story-driven guide for toddlers who are ready to break free from diapers. Playful pictures help them understand what potty training will look and feel like, and a

short, rhyming potty song teaches them how to talk to you about their potty needs. Made for toddlers—Get toddlers involved in the potty-training process with easy-to-understand, kid-friendly language and illustrations. On-the-job potty training—Your little one can enjoy this book while on the potty, helping them develop positive feelings about the potty and reinforce their learning. Support for all toddlers—This inclusive, gender-neutral approach to toddler potty books

makes it easy for any toddler to see themselves in the story. Watch diapers fall by the wayside thanks to one of the best potty-training books for toddlers. *Ask a Manager* Brimax Helping make toilet training easy for children, these novelty books take a fun approach to a serious development stage.
