SINGLETON YULIANA

Hunter x Hunter, Vol. 21 VIZ Media LLC

Gon might be a country boy, but he has high aspirations. Despite his Aunt Mito's protests, Gon decides to follow in his father's footsteps and become a legendary Hunter. The Hunter hopefuls begin their journey by storm-tossed ship, where Gon meets Leorio and Kurapika, the only other applicants who aren't devastated by bouts of seasickness. Having survived the terrors of the high seas, Gon and his companions now have to prove their worth in a variety of tests in order to find the elusive Exam Hall. And once they get there, will they ever leave alive...? -- VIZ Media

Hunter x Hunter, Vol. 32 Kana

Gon, Killua, Leorio and Kurapika are finally reunited. Kurapika tells the gang that he made a Nen covenant to strengthen his ability by setting limits on it--all for the bargain price of his death if he ever uses Chain Jail against anyone who's not a Spider. Meanwhile, the Mafia is researching the members of the mysterious and deadly Troupe, but even the most foolproof database contains no information on them. But there's only one place where goons can avoid registration: Meteor City, the junkyard of the world! -- VIZ Media

The First Book of Moses, Called Genesis

The Chimera Ant king is born, bursting from the stomach of the queen--a violent birth for a violent being. He makes his first move on the neighboring country by manipulating its dictator to summon all the citizens to a ceremony at the capital. There he plans to Nen-baptize them, which will kill 99 percent of the population. The remaining one percent will have their Nen awakened, thus providing a healthy snack for the new king that not only tastes good but greatly increases his power. Can Gon and Killua find a way to stop this brutal Ant king? -- VIZ Media

But Leorio is all out of luck, and loses precious time for his team. It's up to Killua to save the day with a gruesome display of his assassin

skills. With time running out, it takes ingenuity and brute force to beat the clock and the test. The fourth exam finds the team stranded on an island for a battle royale. Can Gon get the best of Hisoka, or will he be...eliminated? -- VIZ Media

Hunter x Hunter, Vol. 13 Vintage

From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a "profoundly disturbing and gorgeously rendered" novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The princes begin to move against each other as the Succession War continues on the Whale Ship when Second Prince Camilla attempts to assassinate First Prince Benjamin. Meanwhile, something fishy is going on in Thirteenth Prince Marayam's room. The Spiders appear and make their move as well! Will Kurapika be able to keep up with the madness and murders taking place on the ship?! -- VIZ Media

No Country for Old Men VIZ Media LLC

The "brilliant, funny, meaningful novel" (*The New Yorker*) that established J. D. Salinger as a leading voice in American literature--and that has instilled in millions of readers around the world a lifelong love of books. "If you really want to hear about it, the first thing you'll probably want to know is where I was born, and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth." The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days.
