### **Poems of Walt Whitman** Copper Canyon Press

In the spirit of his Love Poems collections, as well as his wildly popular New Yorker pieces, New York Times bestseller and Thurber Prize-winner John Kenney returns with a hilarious new collection of poetry--for office life. With the same brilliant wit and biting realism that made Love Poems for Married People, Love Poems for People with Children, and Love Poems for Anxious People such hits, John Kenney is back with a brand new collection that tackles the hilarity of life in the office. From waiting in line for the printer and revising spreadsheet after spreadsheet, to

lukewarm coffee, office politics, and the daily patterns of your most annoying--and lovable--coworkers, Kenney masterfully captures the warmth and humor of working the "9 to 5" in today's modern era.

### *Love Poems for the Office* BRILL

Snowdrop just came into the world. His days are gloomy and hard. And if that wasn't enough, a thistle also makes his days difficult. Time passes slowly, and he is voiceless, and upset during the long day, but when Belluna appears in his life, Snowdrop finds a purpose. Love. But bad things await Snowdrop as the pain makes its way into his heart.

### **Āṅṅā! and Her Path of Love** BoD - Books on Demand

As a boy Yeats dramatized himself as a sage, magician or poet, and when fellow poet Katharine Tynan first met him in 1885 he

seemed to her all dreams and gentleness. His lifelong interest in the myths, legends and folk history of his native Ireland, his fascination with magic and the occult, the theatre, language, politics, love and friendship are all prevalent in this collection of poems. He was a visionary poet and uses symbols to evoke rather than to describe, and in 1923 he was awarded the Nobel Prize for Literature. The book is illustrated by a range of predominantly Irish painters, including the poet's younger brother, Jack B. Yeats.

*Love Poems for Anxious People* Pavilion Books, Limited

In trailblazing poet, essayist, teacher and activist June Jordan's poems, love is a vision of revolutionary solidarity, crossing borders both emotional and literal with an outstretched hand. Haruko traces the faltering arc of a passionate love affair with another woman while *Love Poems* encompasses relationships with men and women, political resistance, the need for self-care in a demanding, uncaring world and apocalyptic visions of the eruption of Mount Vesuvius that destroyed Pompeii and Herculaneum. A contemporary of Alice Walker, Toni Morrison and Audre Lorde, June Jordan's spectacular poetry remains profoundly politically potent, lyrically inventive and breathtakingly romantic. First published in 1994, Haruko/ *Love poems* is a vitally important modern classic.

**Meteor Shower** Open Hand Publishing, LLC

In the spirit of his New York Times bestseller *Love Poems for Married People* and *Love Poems for People with Children*, as well as his wildly popular New Yorker pieces, Thurber Prize-winner John Kenney presents a hilarious new collection of poetry for anxious people. With the same brilliant wit and hilarious realism

that made *Love Poems for Married People* and *Love Poems for People with Children* such hits, John Kenney is back with a brand new collection of poems, this time taking on one of the most common feelings in our day-and-age: anxiety. Kenney covers it all, from awkward social interactions and insomnia to nervous ticks and writing and rewriting that email.

**B** Hachette Books

Poems written during a year when the poet was not working but dreaming of beauty and life. Now the poet writes as a hobby not every day but still filled with dreams and poetic themes. These poems are from an earlier edition but with new poems added for further pleasure.

*The Seer* State University of New York Press

Using simple, accessible and direct language, the poems of this book display a profound concern for humanity and challenge the proposition that anything is ordinary. Miller opens people's minds, shaking them to think and to be free.

*Wedding Showers* Al Konda

Here, Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent - or innocent enough. Reddy strikes out from this historical moment on an exploration of love, contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal.

*Peonies into Sambal: A collection of Poems & Poems* Cambridge University Press

A collection of poems about childhood, family, nature, and other subjects, written by young people ranging in age from eight to eighteen.

*Just Another Epic Love Poem* Gibbs Smith

During the Tang dynasty (618–907), changes in political policies, the religious landscape, and gender relations opened the possibility for Daoist women to play an unprecedented role in religious and public life. Women, from imperial princesses to the daughters of commoner families, could be ordained as Daoist priestesses and become religious leaders, teachers, and practitioners in their own right. Some achieved remarkable accomplishments: one wrote and transmitted texts on meditation and inner cultivation; another, a physician, authored a treatise on therapeutic methods, medical theory, and longevity techniques. Priestess-poets composed major works, and talented priestess-artists produced stunning calligraphy. In *Gender, Power, and Talent*, Jinhua Jia draws on a wealth of previously untapped sources to explain how Daoist priestesses distinguished themselves as a distinct gendered religious and social group. She describes the life journey of priestesses from palace women to abbesses and ordinary practitioners, touching on their varied reasons for entering the Daoist orders, the role of social and religious institutions, forms of spiritual experience, and the relationships between gendered identities and cultural representations. Jia takes the reader inside convents and cloisters, demonstrating how they functioned both as a female space for self-determination and as a public platform for both religious and social spheres. The first comprehensive study of the lives and roles of Daoist priestesses in Tang China, *Gender, Power, and Talent* restores women to the landscape of Chinese religion and literature and proposes new methodologies for the growing field of gender and religion.

This study of the poetry of Francisco de Quevedo combines a stylistic analysis with a philosophical interpretation in the broad sense.

*Making Love Modern* Serpent's Tail

This book is a translation and study of the poems of a ninth-century woman saint and mystic. The Introduction is designed to make the translations accessible to a non-specialist audience, while the Notes provide insights into the poems and useful explications of allusions and convention with which readers who do not possess a specialized knowledge of Tamil Vaisnava bhakti may be unfamiliar.

*Love Poems From The Universe* is an interstellar collection of love poems, written about the life we live and the journey we take through this universe. Cherish an exciting adventure to the stars and back. Enjoy travelling through space-time, meeting loved ones and transcending through nebula clusters that will entwine your thoughts with the divine. I hope you enjoy this new anthology, these poems represent the powerful emotions of love and will bathe your mind full of pulsating endorphins. *Love Poems* This book of love combines a range of sonnets, love, erotic and family poems to complete this third anthology by D. J. Irvine. The poetry within these pages is written in different styles, lengths and scenes to help take you off into a different dimension. The ebook version of the book is composed using text only, while the paperback is packed with beautiful photography. Both versions

have a very different feel to capture the reader's imagination. A Little About The Author As I type these words onto this blank canvas, flashes of high definition pictures project through the front of my mind. My four sons faces, smile with delight and remind me of my journey on this tiny rock we call Earth. They have helped me carve out most of the pansophy that awaits your lucid being. My wife is a lush-emerald-glen found in the highlands of Scotland because she can break any storm that ignites around the family home. Emma is the peacekeeper, carer and nurtures our growing minds with love and tranquillity. If things seem tough or we need a moment of serenity, you can find us walking the vanilla beaches of Norfolk. We let the sea crash between our toes while gorging on fish and chips in a moment where time seems infinite. Growing up in a town called Wellingborough gave me a wealth of life experience I still use to this very day. I'm the oldest brother of five siblings, and we grew up in a little council house. We learned to stick together, help out, cook, clean, get ourselves to school and enjoy each others company. The laughs and tears we all shared helped fabricate this book into existence. My brothers and sisters look up to me, mainly because I'm the oldest, and I always had to set the rules around the house. My door is still open, and I keep in touch and talk to them all, primarily through all the highs and lows of life. With this being my third book on Amazon; I look forward to all the criticism, reviews, remarks, suggestions and outrageous profanities. Thank you for the purchase, and I hope you enjoy the impenetrable obscurities within.

The TALIBAN and the SOLDIER Penguin

Professor Durrant explores the alignment of Wordsworth's poems with the world-view of the scientist, he was supposedly hostile to. *Gender, Power, and Talent* BRILL

A collection of poems of love and romance. Love can make us

tongue-tied, unsure of what to say, even when our hearts are filled with feeling. Whether you are a newcomer to poetry or harbor a lifelong passion for verse, it also contains a sampling of Elizabeth Barrett Browning's love sonnets.

*Concordance to the Works of Alfred Tennyson, Poet Laureate*

Simon & Schuster Books For Young Readers

The stimulating mix of academics and practising poets that have contributed to this volume provides an unusual and illuminating integration of critical and creative practice and a vibrantly diverse approach to questions of poetry and sexuality. Each section of essays is complemented by poems which creatively illustrate or develop the theme with which the essays critically engage. Rather than being limited to a specific genre, tradition, time or place, this collection seeks to make a virtue of contrast, comparison and juxtaposition. The collection is arranged into sections that range broadly across the thematic ground of dichotomies, traditions and revisions, microscopic and macroscopic perspectives, women and embodiment, and the notion of play and performance. Positioning eighteenth-century tinkers ballads alongside medieval Hebrew lyrics and the Blues of Gorgeous Puddin', or making Dionysus rub shoulders with Sharon

Olds and Mrs Rochester provides new perspectives on familiar material and valuable insights into more obscure work and the nature of sensual poetry as a mode of expression. As the editors suggest, the essays and poems presented collectively argue that writings about sexuality are always already about the way poets see and represent our bodies, the world and poetic language itself.

**The Love Poetry of Francisco de Quevedo** Al Konda

*Please Come Off-Book* queers the theatrical canon we all grew up with. Kantor critiques the treatment of queer figures and imagines a braver and bolder future that allows queer voices the agency over their own stories. Drawing upon elements of the Aristotelian dramatic structure and the Hero's Journey, *Please Come Off-Book* is both a love letter to and a scathing critique of American culture and the lenses we choose to see ourselves through.

*Please Come Off-Book* IndyPublish.com

Korea's traditional love poetry is little known in the West. This anthology contains examples of all genres: vernacular to long lyrical poems. A witty informative commentary links the poems and sets them in context.
