The new fourth edition includes an online study plan that will help you track your progress and learn more about the HiSET. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts-Reading, Language Arts-Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Expert Guidance Online center with information about getting started and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit hiset.ets.org or contact your state's department of education. The previous edition of this book was titled HiSET Exam, Third Edition.

More people get into medical school with a Kaplan MCAT course than all major courses combined. Now the same results are available with Kaplan's MCAT Biology Review. This book features thorough subject review, more questions than any competitor, and the highest-yield questions available. The commentary and instruction come directly from Kaplan MCAT experts and include targeted focus on the most-tested concepts plus more questions than any other guide. Kaplan's MCAT Biology Review offers: UNPARALLELED MCAT KNOWLEDGE: The Kaplan MCAT team has spent years studying every document related to the MCAT available. In conjunction with our expert psychometricians, the Kaplan team is able to ensure the accuracy and realism of our practice materials. THOROUGH SUBJECT REVIEW: Written by top-rated, award-winning Kaplan instructors. All material has been vetted by editors with advanced science degrees and by a medical doctor. EXPANDED CONTENT THROUGHOUT: While the MCAT has continued to develop, this book has been updated continuously to match the AAMC's guidelines precisely—no more worrying if your prep is comprehensive! MORE PRACTICE THAN THE COMPETITION: With questions throughout the book and access to one practice test, Kaplan's MCAT Biology Review has more practice than any other MCAT Biology book on the market. ONLINE COMPANION: Access to online resources to augment content studying, including one practice test. The MCAT is a computer-based test, so practicing in the same format as Test Day is key. TOP-QUALITY IMAGES: With full-color, 3-D illustrations, charts, graphs and diagrams from the pages of Scientific American, Kaplan's MCAT Biology Review turns even the most intangible, complex science into easy-to-visualize concepts. KAPLAN'S MCAT REPUTATION: Kaplan gets more people into medical school than all other courses, combined. UTILITY: Can be used alone or with other companion books in Kaplan's MCAT Review series.

The Condition of Education 2020 summarizes important developments and trends in education using the latest available data. The report presents numerous indicators on the status and condition of education. The indicators represent a consensus of professional judgment on the most significant national measures of the condition and progress of education for which accurate data are available. The Condition of Education includes an "At a Glance" section, which allows readers to quickly make comparisons across indicators, and a "Highlights" section, which captures key findings from each indicator. In addition, The Condition of Education contains a Reader's Guide, a Glossary, and a Guide to Sources that provide additional background information. Each indicator provides links to the source data tables used to produce the analyses.
