A Unique Approach -
Genre, Context, and
Culture Understanding the
40 Parables of Jesus Christ
takes the approach of
understanding Jesus'
parables by examining
the genre, scriptural
context, and historical
culture. The goal of this
approach is to "reveal"
theology from the Bible,
as opposed to trying to
find verses to support a
belief. This is the
difference between letting
the Bible tell us what is
true, versus someone
trying to find evidence for
what they want to
believe. When we allow
the Bible to teach us what
to believe, we can better
set aside our own biases
and become more
receptive to God's truths.
Importance of Context
and Culture Parables are a
particular genre of
literature that are
characterized by typically
having only one meaning.

The meaning of Jesus'
parables can generally be
determined by the point
Jesus makes to introduce
or end them. However,
sometimes the point is
obscure due to culture, or
the meaning is missed
due to a failure to
carefully consider the
context. Learn From the
Greatest Teacher This
book lists all the parables
of Jesus Christ, including
supplemental information
necessary for
understanding them. Each
parable has a summary of
what is being said, along
with the meaning Jesus
Christ is teaching. Some
of the questions that this
book will answer include:
Why does Jesus speak in
parables? What is the
meaning of the "talents"
in the talents/pounds
parable? What is the real
focus of the prodigal son?
What did Jesus mean by
treasures new and old?
Who is the man without a
wedding robe in the
wedding banquet
parable? Why is the
dishonest manager
praised for his
shrewdness? What does
Jesus really mean by
counting the costs? The
answers to these
questions, and more, are
answered by carefully

examining the contextual
and historical evidence.
Also included is a chapter
revealing scriptural
evidence that proves that
Jesus Christ is God, as
well as important
supplementary material
for understanding these
parables.

**The Parables of Jesus
Christ:** Wm. B. Eerdmans
Publishing

Much has changed in the
more than two decades
since the first edition of
this book appeared.
Parable scholarship
continues to be a dynamic
area of New Testament
research, and a number of
important studies were
published and significant
developments have
occurred during those
years. Jesus's parables,
these simple but profound
stories, continue to
challenge us, and, even
after many readings,
continue to reveal new
insights.

The Parables of Jesus
Chosen Books

The classic works of C. H.
Dodd and Joachim
Jeremias set the direction
for nearly all further
parable studies in this
century. Embodied in both
scholar's approaches are
at least two assumptions
that, for the most part,

have gone unchallenged: (1) Parables make one and only one main point. (2) They are not allegories. But can these assumptions be supported by the evidence? In this introductory text, Craig Blomberg surveys and evaluates contemporary critical approaches to the parables, challenging the prevailing consensus and making his own important new contribution to parable studies. Within proper definitions and limits, he argues, the parables are in fact best seen as allegories. In support of his thesis, he not only sets forth theoretical considerations but devotes attention to all the major parables, providing brief interpretations that highlight the insights to be gained from his distinctive method. A concluding chapter examines the implications of the parables for Christology and our understanding of the kingdom of God. This groundbreaking book will be of value not only to students but to pastors and other serious readers of Scripture.

The Parables Christian Faith Publishing, Inc. Like yeast, parables are explosive stories of Jesus that invade our lives and

transform us into citizens of the kingdom of God. But they are also cryptic, and that's where this book is useful. More than an explanation or interpretation of each parable, this definitive work is primarily an exercise in hermeneutics. In it, readers are taken through a process of discovering which sayings of Jesus are parables, problematic questions related to counting and categorizing them, and Jesus' rationale for speaking in parables. The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us. The final chapter presents parable-related hermeneutical guidelines, and the book ends with seven extensive Appendices and two Indexes. It is a "must read" for every biblical scholar!

The Parables of Jesus Booktango

Jesus comes to life in this fascinating modern biography excerpted from The Urantia Book. Many of these historical stories are familiar to readers of the New Testament but dozens are new, including the missing years not found in the Bible. Here you discover Jesus

presented as never before, both as divine Son and human hero whose matchless life inspires, comforts, and transforms you. It is beautifully written in modern, page-turning prose and complemented with 106 paintings from 35 renowned artists, including 42 originally commissioned works you will see for the first time. The paintings run the gamut of fine art celebrating the life of Christ, both classic and modern. These artists poured their souls into these portraits of higher spiritual reality. Our deep appreciation and humble gratitude go out to each one of them. These paintings illustrate Jesus' life journey from his humble birth and childhood to adolescence and manhood; from private to public ministry and on to his death, resurrection, and ascension. The artwork celebrates his diverse life as son, father-brother, carpenter, boat designer and builder, tutor, translator, caravan conductor, teacher, healer, minister, and friend. No one knows what Jesus looked like, but these artists painted their soulful interpretations to spark our imagination of

these scenes from the Master's life. Our intent is to give you a visual communion with Jesus that complements the enthralling narrative. This impeccably designed book provides relevant and empowering spiritual insights, helping you navigate the challenging yet promising conditions of the 21st century. We live in an exciting era of unprecedented improvements in our material lives brought about by scientific, industrial, and social achievements. Yet despite all this progress, many souls feel lonely and displaced. We need God and have an innate thirst for spiritual answers because of that "still, small voice" that lives within us. Finding God by living the personal religion of Jesus satisfies that thirst. The search for the genuine Jesus continues to intrigue humanity. Since the Bible only records an estimated 50 days of his life, it follows that there is more to his story. You will find it here in this detailed history of the Master's entire life, including the public ministry recorded in the Gospels. It provides a coherent and seamless biography of this magnificent personality

who continues to shape spiritual progress in our world. The story of Jesus is one of the most enthralling chapters in human history. The closing passage of the Apostle John's gospel speaks to a life larger than even the world itself. How fitting that the last words of his gospel should be the first words of this book: "But there are also many things which Jesus did; were every one of them to be written, I suppose that the world itself would not contain the books that would be written." In John's day the Word was made flesh. In these days the Word is made book. The Untold Story of Jesus reveals the living Christ to members of the church that bears his name, as well as to worshipers of all world religions. It is sure to become a favorite volume for all who seek God. The Parables of Jesus Wipf and Stock Publishers A clear and thorough introduction to the best known of Jesus' teachings, this much-needed text examines what parables are, why Jesus taught in parables, and the purpose and place of parables in the Gospel narratives. Invaluable for the beginning seminary or college students and for

church study groups, this enlightening work reveals the meaning of the parables when they were first given, their meaning for the Gospel writers, and their meaning for us today.

Parables of Jesus Tate Publishing

A fresh look at the meaning of Jesus' parables for Christian living today. The parables recorded in the Gospels are central for an understanding of Jesus and his ministry. Yet the parables are more than simple stories; they present a number of obstacles to contemporary readers hoping to fully grasp their meaning. In this volume, thirteen New Testament scholars provide the background necessary to understand the original context and meaning of Jesus' parables as well as their modern applications, all in a manner easily accessible to general readers. Contributors: Stephen C. Barton Craig A. Evans Richard T. France Donald A. Hagner Morna D. Hooker Sylvia C. Keesmaat Michael P. Knowles Walter L. Liefeld Richard N. Longenecker Allan W. Martens Klyne R. Snodgrass Robert H. Stein Stephen I. Wright

All the Parables of

Jesus Church Publishing, Inc.

Each of the 27 sections of *The Parables* offers a brief but concise and thoughtful summary of a single parable, examining not only the Gospel texts but the way in which these texts have been interpreted in commentaries by the Fathers and used in the traditional liturgical texts. These simple but rich commentaries will profit any reader in search of guidance through the spiritual and moral ambiguities of the modern world.

The Parables in the Gospels Wipf and Stock Publishers

Have you ever read the parables in the Bible and wondered, "What is this all about?" Parables can be hard to understand, but this book will help as you read it and the parable alongside of the chapters. The book examines not just the parable itself but the context it was given in, both historical and scriptural, as well as giving some crucial keys to understanding the text itself. The author is confident you will be blessed in your understanding of God's heavenly stories and their earthly meanings.

[What Are They Saying About the Parables?](#)
[Second Edition](#)

Westminster John Knox Press

The Parables of Jesus Christ: A Brief Analysis is an in depth look at Christ's teachings through Parables. Approximately one-third of the words spoken by Christ in the New Testament come in the form of parables. This book attempts to relate those parables for modern readers.

[Conversations with Scripture](#) Kregel Publications

A comprehensive study of Jesus's parables that emphasizes personal reflection and application Jesus's parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo. Prayerfulness was pictured by a persistent widow. The joy of salvation in the homecoming of a lost son. Love of neighbor by a marginalized Samaritan. If we're not careful, we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance. Drawing on scholarship on the parables as well as theological, pastoral, and

practical insights, Douglas Webster guides the reader through each of Jesus's parables, pointing out the important nuances that allow us to understand them and be transformed by them. Reflection questions at the end of each chapter can be used for personal or group study, and an appendix for pastors provides guidance for preaching the parables. Pastors, Bible teachers, and serious students of Scripture will find this tour through Jesus's parabolic teaching to be a feast for both the mind and the soul.

[Right Parables, Wrong Perspectives](#) iUniverse
IN THIS KINGDOM, NOT EVEN THE ROYALS ARE IMMUNE TO DANGER With a sexy FBI agent posing as her suitor, Princess Laila of Qamsar is home for the wedding of her brother the Emir. In truth, the beautiful royal and Harris Truman are on an undercover mission: to find the infamous terrorist her brother is suspected of aiding. But once the festivities begin, Laila faces a bigger threat than Al-Adel. Her secret meetings with Harris pose a danger to her safety—and her heart. To gain his love and live in freedom as his equal is

her ardent desire. But will she betray her traditions for a man whose kisses are part of a charade? Out of the Treasure Wm. B. Eerdmans Publishing

Amos Wilder is widely known as a pioneer of an indigenously North American approach to biblical interpretation which takes language to be an expression not only of psychological but also of sociological and concrete reality. Recording the history of his interest in eschatological language, Wilder further advances the literary and rhetorical criticism of Scripture, especially by alerting interpreters to the deeper modes of language and communication often overlooked. The essays in this volume, recaptured and edited to clarify their relatedness, are presented in two groups. The first group includes essays that situate the parables of Jesus within the broader context of the biblical narrative. The second is a series of essays dealing with the problem of adequately interpreting the "kingdom language" of Jesus. The book includes an essay in which Wilder chronicles and advances his long interest in the task of doing justice to the

imaginative dimension of biblical language. Wilder develops a contemporary hermeneutic that combines the full range of historical-critical methods with approaches generated by various modern disciplines which attempt to do full justice to the interrelationship of language and reality. The preface by James Breech offers an exposition of the main features of Wilder's hermeneutic, together with a discussion of Wilder's understanding of parabolic narrative and Jesus' symbolics. Jesus's Truth Thomas Nelson

This book contains informal expositions on several biblical parables to derive from them some principles for Christian living. The first chapter focuses on several relevant preliminary issues, such as the nature, purpose, and interpretation of parables. It then discusses the parables themselves in the subsequent chapters. *The Untold Story of Jesus* Hendrickson Publishers

The Parables of the New Testament is a classic Christian text written by William Bacon Stevens and presented a beautiful biblical interpretation of the parables of Jesus. The book presents biblical

commentary and author's notes on each parable. There are more than 20 parables of Jesus: The Sower, The Ten Virgins, The Rich Fool, The Prodigal Son, The Rich Man and Lazarus, The Good Samaritan, The Pearl of Great Price, The Mustard Seed, The Pharisee and the Publican, and more ..

Interpreting the Parables Peeters Publishers

"This great new book by Brad H. Young is a decisive step in the right direction. Like his previous books, this innovative work on the parables shows that Jesus is both a foundation of the Christian faith and at the same time an integral part of Second Temple period Judaism. Jewish thought is not—as is often claimed—merely a background for Jesus but is in reality the original context and natural framework of his message. Few people have recognized this basic fact, not only because of inveterate Christian inhibitions but also because it is a very rare case that a New Testament scholar can break the language barrier and move freely in the Hebrew and Aramaic sources of early Judaism proficiently, as Young is

able to do. Similarly, Jewish scholars often do not use their advantage in this area of research and sometimes cannot move freely in the Christian material because even they are not always free from their own inherited inhibitions. All who are involved in the study of Judaism, however, as well as everyone seeking a better understanding of Jesus, will be challenged by Young's creative and solid research." -- Foreword.

...no researcher will be able to work efficiently on the parables without Kissinger; and no serious theological library can be without it. --THE EXPOSITORY TIMES
The Parables of Jesus
Bible Study Books
Parables of Jesus are stories about everyday life, ranging from a person's worldview to economic justice in society. This book

examines most parables of Jesus from a critical literary perspective. Twenty-three narrative parables in the Synoptic Gospels are rearranged by their source: Markan parables, Q parables, Matthean unique parables, Lukan unique parables. Each parable invites readers to reengage Jesus's stories in the contemporary world.

The Parables of Jesus

Vincent Cheung

Out of the Treasure" is a major new study of the parables of Jesus, as these are presented in the Gospel according to Matthew. It grapples with what these fascinating, yet familiar, tales meant for Jesus' own audience, for Matthew's readership and for the men and women of our own times. Jan Lambrecht, S.J., is Professor Emeritus of New Testament and former dean (1985-1990) of the Faculty of Theology of the Catholic University of

Leuven. Since 1984 he has been a member of the Pontifical Biblical Commission. His last book-length publication on the parables was "Once More Astonished : The Parables of Jesus" (New York : Crossroad, 1981).

the Parables of Jesus]

Rose Publishing

This book traces the history of Ugaritic studies and their impact on the study of the Bible. From the first discoveries in the late 1920s through the end of the millennium, Ugaritic studies have revolutionized the modern understanding of the Bible. The stories told in this book combine analysis of the major trends and intellectual approaches taken in various periods with firsthand accounts of the major Ugaritic and biblical scholars drawn from personal interviews and letters, including previously unknown sources from several archival collections.
