BECKER MACK

James Joyce's Dubliners Springer
 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE MAN BOOKER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS In the National Book Award-winning Let the Great World Spin, Colum McCann thrilled readers with a marvelous high-wire act of fiction that The New York Times Book Review called “an emotional tour de force.” Now McCann demonstrates once again why he is one of the most acclaimed and essential authors of his generation with a soaring novel that spans continents, leaps centuries, and unites a cast of deftly rendered characters, both real and imagined. Newfoundland, 1919. Two aviators—Jack Alcock and Arthur Brown—set course for Ireland as they attempt the first nonstop flight across the Atlantic Ocean, placing their trust in a modified bomber to heal the wounds of the Great War. Dublin, 1845 and '46. On an international lecture tour in support of his subversive autobiography, Frederick Douglass finds the Irish people sympathetic to the abolitionist cause—despite the fact that, as famine ravages the countryside, the poor suffer from hardships that are astonishing even to an American slave. New York, 1998. Leaving behind a young wife and newborn child, Senator George Mitchell departs for Belfast, where it has fallen to him, the son of an Irish-American father and a Lebanese mother, to shepherd Northern Ireland's notoriously bitter and volatile peace talks to an uncertain conclusion. These three iconic crossings are connected by a series of remarkable women whose personal stories are caught up in the swells of history. Beginning with Irish housemaid Lily Duggan, who crosses paths with Frederick Douglass, the novel follows her daughter and granddaughter, Emily and Lottie, and culminates in the present-day story of Hannah Carson, in whom all the hopes and failures of previous generations live on. From the loughs of Ireland to the flatlands of Missouri and the windswept coast of Newfoundland, their journeys mirror the progress and shape of history. They each learn that even the most unassuming moments of grace have a way of rippling through time, space, and memory. The most mature work yet from an incomparable storyteller, *TransAtlantic* is a profound meditation on identity and history in a wide world that grows somehow smaller and more wondrous with each passing year. Look for special features inside. Join the Random House Reader's Circle for author chats and more. “A dazzlingly talented author's latest high-wire act . . . Reminiscent of the finest work of Michael Ondaatje and Michael Cunningham, *TransAtlantic* is Colum McCann's most penetrating novel yet.”—O: The Oprah Magazine

“One of the greatest pleasures of *TransAtlantic* is how provisional it makes history feel, how intimate, and intensely real. . . . Here is the uncanny thing McCann finds again and again about the miraculous: that it is inseparable from the everyday.”—The Boston Globe “Ingenious . . . The intricate connections [McCann] has crafted between the stories of his women and our men [seem] written in air, in water, and—given that his subject is the confluence of Irish and American history—in blood.”—*Esquire* “Another sweeping, beautifully constructed tapestry of life . . . Reading McCann is a rare joy.”—The Seattle Times “Entrancing . . . McCann folds his epic meticulously into this relatively slim volume like an accordion; each pleat holds music—elation and sorrow.”—The Denver Post

Dubliners 100 Standard Ebooks

Mr. Duffy is a bank cashier and recluse living in Dublin, who purposely avoids contact with other people—until he meets Mrs. Sinico at a concert. While Mr. Sinico believes their relationship to be purely platonic, Mrs. Sinico indicates otherwise. Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Ulysses Vintage

One of the most controversial of all works to survive from ancient Rome, the Augustan History is our main source of information about the Roman emperors from 117 to 284 AD. Written in the late fourth century by an anonymous author, it is an enigmatic combination of truth, invention and humour. This volume contains the first half of the History, and includes biographies of every emperor from Hadrian to Heliogabalus - among them the godlike Marcus Antonius and his grotesquely corrupt son Commodus. The History contains many fictitious (but highly entertaining) anecdotes about the depravity of the emperors, as the author blends historical fact and faked documents to present our most complete - albeit unreliable - account of the later Roman Caesars. **An Evening of Long Goodbyes** Canongate Books
 Acclaimed as one of the funniest and most assured Irish novels of recent years, *An Evening of Long Goodbyes* is the story of Dubliner Charles Hythloday and the heroic squandering of the family inheritance. Featuring drinking, greyhound racing, vanishing furniture, more drinking, old movies, assorted Dublin lowlife, eviction and the perils of community theatre, Paul

Murray's debut novel is a tour de force of comedic writing wrapped in an honest-to-goodness tale of a man- and a family - living in denial . . .

DUBLINERS (Illustrated Version) Broadview Press

A beautiful and accessible collection of quotes and short extracts taken from the major works of James Joyce: *Dubliners*, *A Portrait of the Artist as a Young Man*, *Ulysses* and *Finnegans Wake*, with additional quotes from Joyce's poetry & letters. Best-Loved Joyce is a collection of the writer's wit and wisdom on truth, love, family, art, literature, music, living, religion, mortality, history, politics, and Ireland. Grand-nephew Bob Joyce's introduction focuses on the life, works and the man.

Dubliners Random House

James Joyce's *Dubliners* is a vivid and unflinching portrait of "dear dirty Dublin" at the turn of the twentieth century. These fifteen stories, including such unforgettable ones as "Araby," "Grace," and "The Dead," delve into the heart of the city of Joyce's birth, capturing the cadences of *Dubliners'* speech and portraying with an almost brute realism their outer and inner lives. *Dubliners* is Joyce at his most accessible and most profound, and this edition is the definitive text, authorized by the Joyce estate and collated from all known proofs, manuscripts, and impressions to reflect the author's original wishes.

Chamber Music Viking Adult

This collection of fifteen short stories by Irish author James Joyce examines how one's surroundings can shape and influence a person. Although initially considered too edgy for publication, *Dubliners* later became a classic as readers began to appreciate Joyce's realistic fiction. In each story, Joyce documents the daily lives and hardships of fictional Dublin citizens. Joyce's collection progresses from the struggles of childhood to the struggles of adulthood. This collection includes one of Joyce's most famous short stories, "The Dead," which depicts the ways memories of the past can intrude upon the present. Joyce provides a glimpse into twentieth-century Irish culture and history in this unabridged short story collection, first published in 1914.

Dubliners (Illustrated) Macmillan

"The Dead is one of the twentieth century's most beautiful pieces of short literature. Taking his inspiration from a family gathering held every year on the Feast of the Epiphany, Joyce pens a story about a married couple attending a Christmas-season party at the house of the husband's two elderly aunts. A shocking confession made by the husband's wife toward the end of the story showcases the power of Joyce's greatest innovation: the epiphany, that moment when everything, for character and reader alike, is suddenly clear.

Joyce's Style of 'scrupulous Meanness' in His Literary Work "Dubliners" Simon and Schuster

Dubliners 100 invites new and established Irish writers to create 'cover versions' of their favourite stories from James Joyce's Dubliners.

Dubliners (English Edition) (Illustrated) Penguin UK
Since the publication of Richard Ellmann's James Joyce in 1959, Joyce has received remarkably little biographical attention. Scholars have chipped away at various aspects of Ellmann's impressive edifice but have failed to construct anything that might stand alongside it. The Years of Bloom is arguably the most important work of Joyce biography since Ellmann. Based on extensive scrutiny of previously unused Italian sources and informed by the author's intimate knowledge of the culture and dialect of Trieste, The Years of Bloom documents a fertile period in Joyce's life. While living in Trieste, Joyce wrote most of the stories in Dubliners, turned Stephen Hero into A Portrait of the Artist as a Young Man, and began Ulysses. Echoes and influences of Trieste are rife throughout Ulysses and Finnegans Wake. Though Trieste had become a sleepy backwater by the time Ellmann visited there in the 1950s, McCourt shows that the city was a teeming imperial port, intensely cosmopolitan and polyglot, during the approximately twelve years Joyce lived there in the waning years of the Habsburg Empire. It was there that Joyce experienced the various cultures of central Europe and the eastern Mediterranean. He met many Jews, who collectively provided much of the material for the character of Leopold Bloom. He encountered continental socialism, Italian Irredentism, Futurism, and various other political and artistic forces whose subtle influences McCourt traces with literary grace and scholarly rigour. The Years of Bloom, a rare landmark in the crowded terrain of Joyce studies, will instantly take its place as a standard work.

Dubliners Other Press, LLC

A fresh and varied reappraisal of the remarkable collection of stories that make up Joyce's Dubliners.

James Joyce's Dubliners Delphi Classics

Universally known for his groundbreaking prose - especially for the monumental novel Ulysses and its depictions of Dublin at the turn of the twentieth century - James Joyce started off as a writer of lyrical poetry, a genre which he never abandoned in his lifetime and which informs and enriches the rest of his literary production. This volume, which includes Joyce's first published book, Chamber Music, as well as his later collection Pomes Penyeach and several other uncollected poems, reveals a lesser-known facet of the great modernist's artistic career and a glimpse into his poetical sensibility.

Chamber Music and Other Poems Penguin UK

Dubliners is a collection of 15 short stories by James Joyce, first published in 1914. The fifteen stories were meant to be a naturalistic depiction of the Irish middle class life in and around Dublin in the early years of the 20th century. The stories were written at the time when Irish nationalism was at its peak, and a search for a national identity and purpose was raging; at a crossroads of history and culture, Ireland was jolted by various converging ideas and influences. They center on Joyce's idea of an epiphany: a moment where a character has a special moment of self-understanding or illumination. Many of the characters in

Dubliners later appear in minor roles in Joyce's novel Ulysses. The initial stories in the collection are narrated by children as protagonists, and as the stories continue, they deal with the lives and concerns of progressively older people. This is in line with Joyce's tripartite division of the collection into childhood, adolescence and maturity.

Dubliners by James Joyce - Delphi Classics (Illustrated) Coyote Canyon Press

Dubliners is a collection of fifteen short stories by James Joyce, first published in 1914. They form a naturalistic depiction of Irish middle class life in and around Dublin in the early years of the 20th century. The stories were written when Irish nationalism was at its peak, and a search for a national identity and purpose was raging; at a crossroads of history and culture, Ireland was jolted by various converging ideas and influences. They centre on Joyce's idea of an epiphany: a moment where a character experiences a life-changing self-understanding or illumination, and the idea of paralysis where Joyce felt Irish nationalism stagnated cultural progression, placing Dublin at the heart of this regressive movement. Many of the characters in Dubliners later appear in minor roles in Joyce's novel Ulysses. The initial stories in the collection are narrated by child protagonists, and as the stories continue, they deal with the lives and concerns of progressively older people. This is in line with Joyce's tripartite division of the collection into childhood, adolescence and maturity.

Dubliners Wordsworth Editions

Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 2, University of Ulster (Faculty of Arts), course: Proseminar Irish Author Studies, 5 entries in the bibliography, language: English, abstract: When in 1914 James Joyce wanted to have his literary work Dubliners published by the British publisher Grant Richards, it was not at all as easy as Joyce had imagined. Before Richards could accept the work changes had to be applied that were accompanied by an exchange of various letters between author and publisher. The reason for Richard's hesitation to publish the book in its first version was the very accuracy of its language. Literary conventions would have been shocked by Joyce's accurate and entirely realistic description of social situations and psychological states. In his letter to Grant Richards Joyce tries to justify his style, and it is thus that he speaks of 'scrupulous meanness' for the first time. The term 'meanness' connotes stinginess or the lack of generosity. Joyce uses it to describe the economy of language applying to his stories. However, the interpretation demands a more complicated understanding of the term. 'Scrupulousness' is a crucial element both in Joyce's use of language, and in the structure and form of the stories. 'Scrupulous meanness' refers to a most complex and heavily allusive style that determines the reading of Dubliners. From the minimum of words Joyce succeeds to extract the maximum effect so that the very economy of his style gives Dubliners such concentration and resonance that it "passes through realism into symbolism" (Dubliners, 1991, p. xix). Joyce puts this style forward as a means to express his moral intent. This essay aims to

examine James Joyce's method of 'scrupulous meanness' in two short stories chosen from the collection of Dubliners: 'The Sisters' and 'The Dead'. In addition, Joyce's attempt of conveying a temper of death and hopelessness shall find access into t

Joyce Annotated GRIN Verlag

Declared by their author to be a chapter in the moral history of Ireland, this much-acclaimed collection of 15 tales features timeless insights into the human condition.
