### The Humane Gardener

\*Howell Book House

The beloved classic about friendship—a Newbery Honor Book! Frog and Toad are best friends—they do everything together.

When Toad admires the flowers in Frog's garden, Frog gives him seeds to grow a garden of his own. When Toad bakes cookies, Frog helps him eat them. And when both Frog and Toad are scared, they are brave together. School Library Journal called this story collection from Arnold Lobel "a masterpiece of child-styled humor and sensitivity." Winner of the Newbery Honor award, Frog and Toad Together is a Level Two I Can Read book, geared for kids who read on their own but still need a little help.

Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors,

including a Newbery Honor, a Caldecott Honor, ALA Notable Children's Book, Fanfare Honor List (Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book.

### Frogs and Toads

Turtleback Books

A frog who loves to burp learns the value of good manners.

*African Dwarf Frogs as Pets* Simon & Schuster Books For Young Readers Tree Frogs are widely available in most pet stores that carry herps.

This informative guide is written by an experienced amphibian breeder and devotes specific chapters to the most notable species and species groups of these popular pets, including dumpy tree frogs, red-eyed tree frogs, monkey frogs, and Amazonian milk frogs.

### *Frog and Toad Storybook*

*Treasury* Harper Collins What could be happier than a book with a dancing cake, a candy parade, and a hug monster? A book with all those things (and more) plus YOU! Your happy, happy thoughts will make this book super happy happy! But something seems off. Could it be that frowny frog? Perhaps we could shake some sense

into him, or slap a Post-it over his face. No? Well then, maybe its time for that frog to SCRAM! Hooray! He's gone! Time for a happy dance! Wait, what's wrong? Now NO ONE seems happy! Let's see if we can't do something to truly make this the happiest book ever. In his most interactive book yet, Bob Shea proves that happiness is more than just a piece of chocolate cake. (Though that comes pretty close!)

### **Five Happy Frogs** TFH Publications

The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Frogs and toads are perennial favorite pets. They include easy-to-care for breeds and intriguing, exotic varieties. For both first-time pet owners and life-long hobbyists, frogs and toads can make fascinating pets, but it is essential to learn how to care for them properly. With colorful photos, charts, and tables, this guide covers the basics, including: \* Choosing your frog or toad \* Creating and maintaining your pet's new habitat \* Fe.

*The Book of Frogs*

Candlewick Press  
Updated for 2020, this book describes and compares the physical characteristics, habitat, behavior, life cycle, diet, and reproduction of these amazing amphibians.

Toad Heaven CreateSpace

In the hysterically funny sequel to *Toad Rage*, Limpy is on a quest to find toad heaven. A place where cane toads won't be blown up with bike pumps or bashed over the head with folding chairs. Limpy's determined to find this place if it takes him the rest of his life, but his plans are waylaid when he's kidnapped by some sinister-looking humans and tossed into a bucket. Will Limpy be able to save cane toads? Will he be able to find toad heaven? First he has to get out of the bucket. . . .

**Frogs and Toads**

Random House Books for Young Readers  
From Caldecott Medalist Arnold Lobel (1933-1987) comes a brand-new collection of rhyming stories about frogs and toads. Discovered by his daughter, Adrienne Lobel, *The Frogs and Toads All Sang* has the same warmth, compassion, and humor that is found in his best-loved work. Brimming with sweet

silliness, this new book reminds us why Arnold Lobel's characters continue to be so popular years after debut.

Frog Vs Toad Xulon Press

*Happy Hoppy the Frog* is a whimsical children's tale that follows the adventurous day of Happy Hoppy who doesn't like his "froggy"

characteristics. The tale captures the belief that each person, and creature, was created for a purpose and to help others around them.

*Happy Hoppy* coming to the aid of other animals displays this truth to readers and encourages them to learn and appreciate what gifts have been given to them. *Happy Hoppy* finds that life has meaning and purpose when we help others. In keeping with that purpose, every *Happy Hoppy the Frog* book sold we will help an incredible organization, Mental Health Grace Alliance. MHGA is a mental health recovery and support organization for those living with mental illness and their families.

**Excuse Me!** Outskirts Press

*Everything You Need to Know About Frogs and Other Slippery Creatures* is a fascinating read - not

only do you discover the basics of reptile and amphibian anatomy, you also learn about the lives and times of a great number of creatures: see how they survive in lakes and rivers, forests and deserts, and how they have adapted to the most inhospitable habitats. *Everything You Need to Know About Frogs and Other Slippery Creatures* provides ideas for things to make, games to play, quizzes, and shocking facts to share with your friends. It's everything you need to know, and everything you WANT to find out.

*The Frogs and Toads All Sang* Harper Collins

Harry is a very happy frog. He wants everyone to be happy, so Harry cheers up other frogs and teaches them why they should be happy.

**The Happiest Book**

**Ever** Random House Books for Young Readers  
The authoritative information and advice you need, illustrated throughout with full-color photographs--now revised and redesigned to be even more reader-friendly! Frogs and toads are perennial favorite pets. They include easy-to-care for breeds and intriguing, exotic varieties. For both first-

time pet owners and life-long hobbyists, frogs and toads can make fascinating pets, but it is essential to learn how to care for them properly. With colorful photos, charts, and tables, this guide covers the basics, including: \* Choosing your frog or toad \* Creating and maintaining your pet's new habitat \* Feeding and caring for your frog or toad \* Keeping your pet healthy You'll also learn about the varieties of frogs and toads, and about their existence in the wild.

### **Frog and Toad**

**Together** Disney-Hyperion

Limpy the toad has a vision. A world where cane toads and humans play mudslides together and help each other with the shopping. But how does a young cane toad discover the ancient secret of living in peace with humans?

### **Do You Know Toads?**

Faith Kidz

"Frog is a frog and Toad is a toad. They are clearly totally different from each other. So when an unlucky fly mistakes Frog and Toad for two frogs, the two are determined to set the record straight. After all, Toad is obviously stronger, while Frog is unmistakably the superior

hopper . . . and before long, things start to get a bit heated among the amphibian population in the swamp. But when the two rivals have a close encounter with a snappy alligator, both Frog and Toad see the benefit of joining forces. Perhaps they're not so different after all?"--Publisher's description.

### *Five Happy Frogs*

Dragonfly Books

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback. Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the

hilarious sequels—I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. ★ "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin

of the Center for Children's Books  
**Days with Frog and Toad** Bloomsbury Publishing USA  
 Meet Hoppy the Happy Frog Its wet...its muddy...its loaded with insects. Yet there is one smiling frog who doesn't seem to be bothered by it all. Hoppy the Happy Frog is our first look at a frog who believes if you smile and laugh your day will be happy no matter what you face in your life. Meet Hoppy's friends and follow them as they try to figure out what makes him so different. The answer they discover is something we can all use in our lives.

**The Happy Frog** Harper Collins

When Grandfather Frog sets out to see the Great World, he discovers it is a dangerous place and is happy to return to the Smiling Pool.

Frog and Toad Are Friends Penguin

Did you know... toads continue to grow throughout their entire lives? certain toads can live up to 17 years? toads live the first half of their lives in water, and the second half on the ground? the marine toad can reach 9 inches in length? Find out all sorts of interesting things about toads and enjoy a chuckle

along the way.

**Days with Frog and Toad** Chronicle Books

Q. How many frogs does it take to change a light bulb?A. Five! Four to sit around, and one to hop to it.Counting is fun!Reading aloud to your young child is a great way to promote early literacy skills, and reading counting books may also help your child learn about numbers and counting while boosting literacy skills. Reading and counting aloud to your child helps them to realize the purpose of counting, and it is an invaluable investment in their development."Five Happy Frogs" is amusing and brilliantly illustrated, counting book, that combines both reading and math skills, This book is an adaptation of a counting song, Five Happy Frogs (c)2018, written by the author, Erik Dunton. This little ditty explores one happy day at the pond, full of counting and fun. With its lyrical text and colorfully illustrated pages, your child will love to read over and over again.So cuddle up, read aloud, and count away! One. Two. Three. Four. Five Happy Frogs!
