REILLY ROBERSON

A Busy Year Dragonfly Books

Egg is a graphic novel for preschoolers about four eggs, one big surprise, and an unlikely friendship, by Caldecott Medalist and New York Times-bestselling author Kevin Henkes. Egg is not only a perfect Easter gift, but also a classic read-alone and read-aloud that will appeal all year long. This masterful and stylistically original picture book introduces young children to four eggs. One is blue, one is pink, one is yellow, and one is green. Three of the eggs hatch, revealing three baby birds who fly away. But the green egg does not hatch. Why not? When the three birds return to investigate, they're in for a big surprise! What will happen next? With a compelling mix of comic-like panels, wordless pages and spreads, and a short text featuring word repetition, surprise, and suspense, Egg is an ideal book for emergent readers, as well as for sharing in a group. Egg is sure to inspire creativity and storytelling in preschoolers, as they anticipate the page turns and

determine their own endings! Kevin Henkes is the bestselling author of Lilly's Purple Plastic Purse, Waiting, and Kitten's First Full Moon, among many other beloved titles.

An Extraordinary Egg Knopf Books for Young Readers

The beloved farming fable from four-time Caldecott Honor winner Leo Lionni! While a farmer tends his field of wheat, six hungry crows watch and wait in a nearby tree. When the wheat ripens, the

farmer builds a scarecrow to frighten them off, but these ingenious crows are not so easily scared. Bringing this original fable to life with brilliant collages, Leo Lionni deftly draws parallels between animal and human behavior that children can readily appreciate. And once again he shows us that compromise can work magic.

Now for something completely different from *Mini Grey*! A mother hen tells her chicks about the egg that wanted to fly. "The egg was young. It didn't know much. We tried to tell it, but of course it didn't listen." The egg loves looking up at the birds (yes, it has eyes). It climbs 303 steps (yes, it has legs) to the top of a very tall tower—and jumps. It feels an enormous egg rush. "Whee!" it cries. "I am flying!" But it is not flying, it is falling. Hold your tears, dear reader—there is a sunny ending for this modern-day Humpty Dumpty. Impossible to categorize, *Egg Drop* is *Mini Grey* at her zaniest.
