MALIK JAMAL

The Dark Story of Eminem
Omnibus Press

The Dark Story of Eminem is the best-selling, ground-breaking biography of Marshall Mathers, tracing his fierce rise from the schools and factories of Detroit to global superstardom – Now updated to investigate the violent death of his best friend Proof, his debilitating drug addiction, four-year disappearance from the public view and his triumphant comeback album Recovery. In researching this phenomenal story, Nick Hasted spent much time in Detroit, tracking down

friends and foes of Marshall Mathers. In racially-divided Detroit the future rapper experienced first-hand the social conflicts that would fuel his later radicalism. From the depths of being a suicidal no-hoper, he triumphed against his class and triumphed against prejudice; despite being continually reviled, sued and criticised, Marshall Mathers forged his way to becoming a defining cultural force of the early millennium. This unflinching portrait also lays bare Eminem's relationships with his much-hated mother, his teenage soul-mate Kim Scott, his mentors Dr. Dre and The Bass Brothers, and his own protégé 50 Cent. Never before has a book delved so deep and poignantly into this

troubled figure. "A serious and even handed account." – Q magazine
"This is the best of a sudden flurry of biographies charting the rise of this brilliant, troubled Detroit rapper." – Daily Telegraph
Blues Master

The Blues Master video tapes I, II, and III are now available on a single DVD. These three programs provide more than 3 1/2 hours of blues guitar technique by the master and a lot of great music with his entire band. This set makes a great gift! Special DVD features include a tuning segment, an interactive "Getting to Know Lucille" feature, additional video theory tips, a performance only option, and interactive motion menus.
