All basic makeup contains foundation, blush, concealer, lipstick, eye line and eye mask. Here you will find some makeup tricks and the step by step, managing to follow the proper order for a perfect result. The first thing is to have a clean and hydrated face, then come

the bases, concealers for dark circles, bases for shadows, bases and eye shadows, if you follow the steps you will make your makeup last all day. One of the main advantages of our written course is that it is for beginners, from the comfort of your home. Just by dedicating several minutes a day you will be able to learn the makeup techniques step by step, where you will acquire with your perseverance, feel more and more confident in the application of makeup. Many times we think that makeup only consists of just applying different cosmetic products on the face, but that is totally false. Makeup is an art that you should never forget. Now, for this you must practice consecutively, this will help you transform any face, and in turn you will

be able to highlight the best features of the face without losing its naturalness. The presentation is extremely important, that is why it is important to master the correct techniques to apply professional makeup, this is essential. For this reason, I decided to write this makeup course for you, step by step. When you finish reading this book, I am sure that you will have learned how to do impeccable makeup, according to the different types of faces that exist, and also according to the occasion that is required. In this QUICK AND EASY LEARN course, you will learn the step by step for the correct application of basic makeup, because you will learn how to apply all the cosmetics you really need, in order to achieve it, since you will be able to make a perfect color combination

for the occasion, as well as the best secrets and tricks of modern makeup. But before starting, it is very important that you always keep in mind three points that you should never forget and that are very important: You must know what type of makeup you have to do, identify if it is for the night, the day, such as casual, gala events, bridal makeup, and more. Ask the color of the clothes to be used, likewise, you must analyze the color of the skin, the color of the eyes and the hair. Important: you have to know how to identify the type of face. Here are some drawings of types of faces, which will help you learn to identify each one of them, keeping in mind that you will not always get one exactly the same as the natural face, but you will be carried away by the most

Female Beauty - World

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success

than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."
