The publication may also be used as a course book, or as a supplement to a course book. Also includes changes to IELTS writing rubrics.

**ELLIC 2019** Routledge

This book focuses not on teaching techniques but on the strategic decisions which must be made before a course begins. It provides realistic advice for university and college teachers on how to design more effective courses without underestimating the complexity of the task facing course developers, and offers course designers both an understanding and a framework within which to clarify their own teaching purposes.

*IELTS Academic Practice Tests 2018* Prenada Media

This is an open access book. The 2023 International Conference on Applied Psychology, Modern Education (ICAPME 2023) was held in Kunming, China on 22-24 September 2023. The conference mainly focused on "applied psychology", "modern education" and other research fields to discuss. It aims to provide an international cooperation and exchange platform for experts and scholars in mental health and modern education and enterprise development to share research results, discuss existing problems and challenges, and explore cutting-edge technologies. The conference sincerely invites experts and scholars from domestic and foreign universities and research institutions to participate and authors to submit manuscripts to ICAPME 2023.

**The Cambridge Guide to Second Language Assessment** Taylor & Francis

This book fills a critical gap in a neglected area in current educational research: international teacher education. It focuses on the preparation of teachers of English as an additional language (EAL) in several world regions. The book consists of chapters by researchers in well-established teacher education programs in 11 countries: Brazil, Canada, China, Finland, Greece, New Zealand, Russia, Saudi Arabia, South Korea, Turkey and the United States of America. It takes a cross-national, comparative approach around four major focus areas: policy, research, curriculum and practice, offering critical implications that can help improve EAL teacher education programs in different parts of the world. Teacher education is an area that has great potential for international cross-pollination of ideas and actions, and this book represents an important first step along this road.
