## HARRY MAYO

**Batman: The Dark Prince Charming** Europe Comics  
 Three years have passed in Puerto Blanco, and there has been no news of the Barracuda. Emilio, still passing himself off as a woman, has been learning the art of fencing from Mr Flynn. Maria, now married to the slave merchant Ferrango, makes her husband's existence a living hell. As for Raffy, being left behind by his pirate father has hit him hard. But when an old enemy of Flynn's sails into the harbour, their lives are turned upside down again.

*Bang!* Europe Comics

"Girls, living in the country will be your chance," her parents tell her. And so Catherine Meurisse spends her childhood outdoors. Construction all around her: an old farmhouse renovated into a home, trees planted, a garden created, dreams cultivated. They dig, they graft, they plant a rosebush "adopted" from Montaigne, a fig tree from Rabelais. They observe the tumult of the outside world: new developments in industrial agriculture, the citification of rural France... With her characteristic humor, Catherine Meurisse has composed a witty poem dedicated to the countryside where her vocation as an artist first took form. The Great Outdoors, like Lightness, her previous album, is a testament to her conviction that nature and art —everything that grows, everything that lives against all opposition— always offer us a chance.

*Lament of the Lost Moors* National Geographic Books

This deluxe graphic novel collects Andreas' classic Lovecraftian horror trilogy in English for the first time ever. Cromwell Stone is one of thirteen men who lived though a mysterious sea voyage. The problem is she's not the only one who's after it...

Bigby Wolf has been around for a good long while, and he's investigated pretty much every crime imaginable—but even an immortal Fable like him can still stumble across a once-in-a-lifetime case. As the sheriff of the magical New York City neighborhood known as Fabletown, Bigby is hot on the trail of the killer who beheaded a princess and then unleashed a horde of gangsters and monsters to cover his tracks. But even as Bigby reels from attempts on his life and watches his trail of suspects go cold, an old evil reappears to wreak havoc once more. Is the urban legend known as Bloody Mary to blame? Or is she just one more tortured pawn in an even bigger game, with an even more crooked opponent waiting to make his move? The acclaimed adaptation of the hit mystery from Telltale Games—inspired by Bill Willingham's best-selling Vertigo series FABLES—concludes in this second volume of FABLES: THE WOLF AMONG US, written by Matthew Sturges and Dave Justus and featuring a powerful pack of artists, including Travis Moore, Shawn McManus, Eric Nguyen and Steve Sadowski. **Djinn - Volume 6 - The Black Pearl** Europe Comics

Voici venu le temps de Supermurgeman, le super héros que la Hollande et les États-Unis nous envient. Armé de sa Supermurgebière®, notre justicier va lutter contre le monopole de la SOFROCO-GEDEC afin de nous ouvrir les portes de la perception. Mais poursuivi par Alexandre Legrand, Monsieur Chocolat et les concurrentes dénudées de la Loi de la Jungle, émission culturelle de Real T.V., notre sympathique héros aura bien du mal à faire triompher la justice et le bon goût. Chef d'oeuvre d'humour trash et déjanté, ce premier tome des Nouvelles Aventures de Supermurgeman va pousser Superman vers une retraite bien méritée. Supermurgeman a commencé sa carrière de super héros masqué dans les pages du Psyckopat puis en album aux Requins Marteaux pour un premier album nominé à Angoulême et au prix René Goscinny. Mathieu Sapin, compagnon d'atelier de Messieurs Blain, Sfar et Sattouf, décide de conquérir le monde et signe donc chez un grand éditeur prestigieux qui donnera une visibilité planétaire à ce nouvel épisode des

aventures de Supermurgeman. La Loi de la jungle, histoire complète, est donc le récit du combat sans merci que vont se livrer notre héros masqué et Alexandre Legrand, le terrible élu, allié à la Sofroco – Gedec, gigantesque PME aux ramifications internationales qui étend chaque jour un peu plus son emprise sur la planète afin de s'appropriier le marché de la supermurgebière.

*Ordinary Victories - Volume 3 - Precious Things* 9th Cinebook

The year is 1934. Rasputin holds the reins of government. When the Czar is mortally wounded in an ambush, the mad monk turns to his Council of Dark Mages and his former mentor, Baba Yaga. Together, they concoct a plan that involves trench warfare mechas, mind-to-mind transfers, and the long-lost heir to the Romanoff throne: Kyril Noskov, a hero of the war that's been raging since 1914, to which generations of Russian youth have been sacrificed. Roulot and Rodier's reimagining of a Russia that never was blends science fact and dark fantasy into a spellbinding fable of the price of power.

*Djinn - Volume 3 - The Tattoo* National Geographic Books

The agents of the organisation that was hunting for XIII have finally captured him, along with his friends, but he's still refusing his captors' job offer.
