**100 Side Hustles** St. Martin's Press  
 Make Money and Live Better The Side Hustle is for people who want or need to earn some extra money outside of their day jobs. Maybe you need a few extra dollars to make ends meet. Maybe you want to pay off debt. Maybe you want to save for a rainy day or for your children's education. Maybe you just want to treat yourself to a nice vacation or a new car without feeling guilty about it. Maybe you're looking for a way out of the corporate world, an escape plan. That's the ultimate financial freedom, right? That's how I got started down this entrepreneurial path, and it's the best choice I ever made. You're willing to work for it because your future is worth working for. But your time is limited, and you may not know where to start. There are a million and one ways to "make money online" and everyone wants to sell you their "proven system for Internet riches." It's hard to tell what's a scam and what's legit. Real-World Examples This book offers real-world examples of how regular people just like you and me are earning side hustle income outside of traditional employment.

Many have even turned these part-time ventures into full-time businesses, throwing off the shackles of their corporate overlords for good. And the cool thing is, there are no special technical skills or prerequisites to get started with any of the ideas presented. Most don't require any big scary upfront investment. (If you're a fan of Chris Guillebeau, Pat Flynn, or Tim Ferriss, you'll love this!) Why Side Hustle? > Build Skills Build Security Build Income Build Freedom My Story After college, I did what you're supposed to do: I got a job. The problem was almost immediately I found myself looking for a way out. It wasn't that I hated the work or my coworkers, but it just wasn't what I wanted to do with my life. The thought of spending my next 30 years there was terrifying. So evenings and weekends I turned my attention online. I'd been dabbling with building rudimentary websites, learning online advertising channels, and even running my own small marketing campaigns for other companies' products to test the waters. And that's what The Side Hustle is about—finding a low-risk way to make more money. Most entrepreneurship books assume you have limitless time and limitless startup capital, but I know from talking to thousands of side hustlers, that's simply not the reality. I started small and lean, but steadily built up my side hustle until I could say good-bye to corporate work. You can do it, too. I'll show

you how. What's Inside? If you're looking for a get-rich-quick-scheme or the secret to overnight success, you won't find it here. But what you will find are the "Big 3" side hustle business models you can take action on right away. I've interviewed hundreds of profitable side hustlers on The Side Hustle Show to figure out how their businesses work, how they make money, and most importantly, how you can replicate their success. In this book, you'll meet these real-world side hustlers who built and sustained businesses they care about. They faced the same fears and uncertainties you're wrestling with, but made something happen. Now it's your turn. What are you waiting for? The timing will never be perfect. Scroll up and hit the "Buy Now" button to grab your copy now!

#### **Small Favor** Penguin

In this novel in Jim Butcher's #1 New York Times bestselling series, an old debt puts Chicago wizard Harry Dresden in harms way... Harry's life finally seems to be calming down. The White Council's war with the vampiric Red Court is easing up, no one's tried to kill him lately, and his eager apprentice is starting to learn real magic. For once, the future looks fairly bright. But the past casts one hell of a long shadow. Mab, monarch of the Sidhe Winter Court, calls in an old favor from Harry. Just one small favor he can't refuse...one that will trap Harry Dresden between a nightmarish foe and an equally deadly ally, and one that will strain his skills—and loyalties—to their very limits. And everything was going so well for once...

waiting for? Scroll up and download your copy now!

#### *Fate's Edge* Little, Brown Books for Young Readers

A frank, smart and captivating memoir by the daughter of Apple founder Steve Jobs. Born on a farm and named in a field by her parents—artist Chrisann Brennan and Steve Jobs—Lisa Brennan-Jobs's childhood unfolded in a rapidly changing Silicon Valley. When she was young, Lisa's father was a mythical figure who was rarely present in her life. As she grew older, her father took an interest in her, ushering her into a new world of mansions, vacations, and private schools. His attention was thrilling, but he could also be cold, critical and unpredictable. When her relationship with her mother grew strained in high school, Lisa decided to move in with her father, hoping he'd become the parent she'd always wanted him to be. *Small Fry* is Lisa Brennan-Jobs's poignant story of childhood and growing up. Scrappy, wise, and funny, young Lisa is an unforgettable guide, marveling at the particular magic of growing up in this family, in this place and time, while grappling with her feelings of illegitimacy and shame. Part portrait of a complex family, part love letter to California in the seventies and eighties, *Small Fry* is an enthralling story by an insightful new literary voice.

#### Penguin

The author of the New York Times Bestseller *THE \$100 STARTUP*, shows how to launch a profitable side hustle in just 27 days. To some, the idea of quitting their day job to start a business is exhilarating. For others, it's terrifying. After all, a job that produces a steady paycheck can be difficult to give up. But in a time when businesses have so little loyalty to employees that the very notion of "job security" has become a punchline, wouldn't it be great to have an additional source of income to fall back on? And wouldn't it be great to make that happen without leaving your day job? Enter the Side Hustle. Based on detailed information from hundreds of case studies, Chris Guillebeau provides a step-by-step guide that anyone can use to create and launch a profitable project in less than a month. Designed for the busy and impatient, this plan will have you generating income immediately, without the risk of throwing yourself head first into the world of entrepreneurship. Whether you just want to make some extra money, or start something that may end up replacing your day job entirely, the side hustle is the new job security. When you generate income from multiple sources, it gives you options, and in today's world, options aren't just nice to have: they're essential. You don't need entrepreneurial experience to launch a profitable side hustle. You don't need a business degree, know how to code, or be an expert marketer. And you certainly don't need employees or investors. With this book as your guide, anyone can learn to build a fast track to freedom.

#### *The Glass Castle* John Wiley & Sons Incorporated

Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review *A Confederacy of Dunces* is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

#### *The Warmth of Other Suns* Bryck Media, LLC

Elmira Bayrasli's worldview was turned upside down when a woman in Bosnia told her, "thanks for the help. But we need work and jobs, not foreign aid." That prompted Bayrasli to embark on a worldwide quest to find how talented people have overcome

insurmountable obstacles to build high-growth businesses that are driving wealth and building communities, regions and countries. Through seven remarkable stories, Elmira Bayrasli shows why the next Steve Jobs and the next Apple, Google or Facebook is as likely to come from Nigeria, Pakistan or Mexico as Silicon Valley. She discovers that what distinguishes techies in Silicon Valley from women selling bamboo stools in Bangladesh isn't their sophistication but simply the conditions that are necessary to sustain and scale business ideas. In the absence of these obstacles, global entrepreneurship can flourish. Bayrasli paints compelling stories of extraordinary entrepreneurs creatively battling corruption, lack of infrastructure, capital shortages and underdeveloped supplier and customer networks. She offers solutions that can be utilized by entrepreneurs everywhere, and shows why micro-finance, social entrepreneurship, and foreign aid are not enough. Most importantly, she shows how the key to building successful entrepreneurial ecosystems is to provide the framework that enables start-ups to scale.

*Steve Jobs* Grove Press

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

**Side Jobs** Currency

Collects the shorter works featuring Chicago's own professional wizard, Harry Dresden, including an all-new never-before-published novella. By the #1 best-selling author of *Changes*.

Icon Steve Jobs Grove/Atlantic, Inc.

Draws on more than forty interviews with Steve Jobs, as well as interviews with family members, friends, competitors, and colleagues to offer a look at the co-founder and leading creative force behind the Apple computer company.

**Princes' Fury** Subterranean

"Jacob Kidwell, a young man seemingly on the rise, is found dead at the bottom of his stairs. There is strange, unexplained bruising which doesn't coincide with his fall. Could his death simply have been an accident or was it something more sinister? That is the question that Major Crimes Detectives Quinn Delaney and Marci Burkett must answer. While they search for the truth, someone else is also determined to uncover what really happened to Kidwell. He's sticking his nose where it doesn't belong and it's getting noticed by the wrong people and causing problems for Delaney and Burkett. Secrets, lies, and double crosses are exposed as the detectives work to discover the truth about Jacob Kidwell's life. All the while, Quinn Delaney struggles to hide his own secret that threatens to derail the investigation and potentially his career." -- Amazon.com

We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy!

*The Death of Ivan Ilych* Ten Speed Press

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an "unrecognized immigration" within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic.

Cerulean Sins Phoemixx Classics Ebooks

*The Death of Ivan Ilych* Leo Tolstoy - Ivan Ilyich lives a carefree life that is "most simple and most ordinary and therefore most terrible". Like everyone he knows, he spends his life climbing the social ladder. Enduring marriage to a woman whom he often finds too demanding, he works his way up to be a magistrate, thanks to the influence he has over a friend who has just been promoted, focusing more on his work as his family life becomes less tolerable. While hanging curtains for his new home one day, he falls awkwardly and hurts his side. Though he does not think much of it at first, he begins to suffer from a pain in his side. As his discomfort grows, his behavior towards his family becomes more irritable. His wife finally insists that he visit a physician. The physician cannot pinpoint the source of his malady, but soon it becomes clear that his condition is terminal. Confronted with his diagnosis, Ivan attempts every remedy he can to obtain a cure for his worsening situation, until the pain grows so intense that he is forced to cease working and spend the remainder of his days in bed. Here, he is brought face to face with his mortality and realizes that, although he knows of it, he does not truly grasp it. During the long and painful process of dying, Ivan dwells on the idea that he does not deserve his suffering because he has lived rightly. If he had not lived a good life, there could be a reason for

his pain; but he has, so pain and death must be arbitrary and senseless. As he begins to hate his family for avoiding the subject of his death, for pretending he is only sick and not dying, he finds his only comfort in his peasant boy servant, Gerasim, the only person in Ivan's life who does not fear death, and also the only one who, apart from his own son, shows compassion for him. Ivan begins to question whether he has, in fact, lived a good life. In the final days of his life, Ivan makes a clear split between an artificial life, such as his own, which masks the true meaning of life and makes one fear death, and an authentic life, the life of Gerasim. Authentic life is marked by compassion and sympathy, the artificial life by self-interest. Then "some force" strikes Ivan in the chest and side, and he is brought into the presence of a bright light. His hand falls onto his nearby son's head, and Ivan pities his son. He no longer hates his daughter or wife, but rather feels pity for them, and hopes his death will release them. In so doing, his terror of death leaves him, and as Tolstoy suggests, death itself disappears.

The 2-Hour Job Search, Second Edition National Geographic Children's Books

'People don't like dealing with people who raise the dead. Don't ask me why, but we make them nervous.' There's something about Leo Harlan that I don't like. He's asked me to reanimate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the secret to an ancient crime that not everyone wants to be remembered.

Turn Coat Ten Speed Press

Accused of treason against the Wizards of the White Council, Warden Morgan goes in search of Harry Dresden in a desperate attempt to clear his name and stop the deadly punishment from taking place in this latest thrilling addition to the Dresden Files series.

**The Side Hustle** CreateSpace

Audrey Callahan left behind her life in the Edge, and she's determined to stay on the straight and narrow. But when her brother gets into hot water, the former thief takes on one last heist and finds herself matching wits with a jack of all trades... Kaldar Mar-a gambler, lawyer, thief, and spy-expects his latest assignment tracking down a stolen item to be a piece of cake, until Audrey shows up. But when the item falls into the hands of a lethal criminal, Kaldar realizes that in order to finish the job, he's going to need Audrey's help...

**A Confederacy of Dunces** Heinemann

Now a New York Times bestseller and a major docuseries The 2017 American Book Award Winner from the Before Columbus Foundation A Washington Post notable nonfiction book for 2016 A Goodreads Best of 2016 Nonfiction Finalist A Kobo Best Book of 2016 Includes an update from Rabia on Adnan's vacated murder conviction in summer 2016 Serial only told part of the story... In early 2000, Adnan Syed was convicted and sentenced to life plus

thirty years for the murder of his ex-girlfriend Hae Min Lee, a high school senior in Baltimore, Maryland. Syed has maintained his innocence, and Rabia Chaudry, a family friend, has always believed him. By 2013, after almost all appeals had been exhausted, Rabia contacted Sarah Koenig, a producer at This American Life, in hopes of finding a journalist who could shed light on Adnan's story. In 2014, Koenig's investigation turned into Serial, a Peabody Award-winning podcast with more than 500 million international listeners But Serial did not tell the whole story. In this compelling narrative, Rabia Chaudry presents new key evidence that she maintains dismantles the State's case: a potential new suspect, forensics indicating Hae was killed and kept somewhere for almost half a day, and documentation withheld by the State that destroys the cell phone evidence -- among many other points -- and she shows how fans of Serial joined a crowd-sourced investigation into a case riddled with errors and strange twists. Adnan's Story also shares Adnan's life in prison, and weaves in his personal reflections, including never-before-seen letters. Chaudry, who is committed to exonerating Adnan, makes it clear that justice is yet to be achieved in this much examined case.

**Women Living Well** John Wiley & Sons

An all-new Dresden Files story headlines this urban fantasy short story collection starring the Windy City's favorite wizard. The world of Harry Dresden, Chicago's only professional wizard, is rife with intrigue—and creatures of all supernatural stripes. And you'll make their intimate acquaintance as Harry delves into the dark side of truth, justice, and the American way in this must-have short story collection. From the Wild West to the bleachers at Wrigley Field, humans, zombies, incubi, and even fey royalty appear, ready to blur the line between friend and foe. In the never-before-published "Zoo Day," Harry treads new ground as a dad, while fan-favorite characters Molly Carpenter, his onetime apprentice, White Council Warden Anastasia Luccio, and even Bigfoot stalk through the pages of more classic tales. With twelve stories in all, Brief Cases offers both longtime fans and first-time readers tantalizing glimpses into Harry's funny, gritty, and unforgettable realm, whetting their appetites for more to come from the wizard with a heart of gold. The collection includes: • "Curses," from Naked City, edited by Ellen Datlow • "AAAA Wizardry," from the Dresden Files RPG • "Even Hand," from Dark and Stormy Knights, edited by P. N. Elrod • "B is for Bigfoot," from Under My Hat: Tales from the Cauldron, edited by Jonathan Strahan. Republished in Working for Bigfoot. • "I was a Teenage Bigfoot," from Blood Lite III: Aftertaste, edited by Kevin J. Anderson. Republished in Working for Bigfoot. • "Bigfoot on Campus," from Hex Appeal, edited by P. N. Elrod. Republished in Working for Bigfoot. • "Bombshells," from Dangerous Women, edited by George R. R. Martin and Gardner Dozois • "Jury Duty," from Unbound, edited by Shawn Speakman • "Cold Case," from Shadowed Souls, edited by Jim Butcher and Kerrie Hughes • "Day One," from Unfettered II, edited by Shawn Speakman • "A Fistful of Warlocks," from Straight Outta Tombstone, edited by David Boop • "Zoo Day," a brand-new novella, original to this collection
