### The Final Triumph

Cosimo, Inc.

Is the Bible the word of God? This classic of atheistic literature has the answer, and it's a loud and profound NO! American writer JOSEPH WHELESS (1868-1950)

employs all the tools of the logician, from the self-evidence of reason to the words of the very proponents of the attitudes he strives to dismiss, to condemn Christianity as nonsense. Wheless roundly debunks . the patriarchs and the covenants of Yahweh . the wonders of the Exodus . the forty years in the wilderness . the "ten

commandments" and the "law" . the "conquest" of the promised land . the holy priests and prophets of Yahweh . the "prophecies" of Jesus Christ . the inspired "harmony of the Gospels" . the Christian "plan of salvation" . and more. This is a highly provocative work, one that should be explored by believers and doubters

alike. ALSO AVAILABLE FROM COSIMO: Wheless's *Forgery in Christianity* The *Prophetic Literature* Bloomsbury Publishing Respected scholar David Petersen provides a systematic and comprehensive introduction to the prophetic literature. Petersen takes into account the major advances in current research as he examines both the literature of the latter prophets (Isaiah-Malachi) as well as the Hebrew texts that describe the work and

words of Israel's earlier prophets (e.g., Elijah and Elisha in 1 & 2 Kings). Discerning Prophetic Witchcraft Revell The book of Hebrews appeared during a critical time in the history of the early church. The destruction of Jerusalem was impending and many of the believers believed the end of the world was near. However, Paul warned the church against entertaining a false hope, for he knew they were misguided with their beliefs. It was a critical time—the apostles

were passing away, and soon the church would be left alone. It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort. The people needed a clear conception of the work Christ was doing for them in the courts above, and this book explained the delay in His return, and restored their wavering faith. The conditions and problems which the church then had to meet are not unlike those facing the church today. While the early church

was living at the time of the fulfillment of the first part of Christ's prophecy—the destruction of the city of Jerusalem and the temple, we are living at the time of the fulfillment of the second part of the prophecy—the coming of the Lord Jesus in the clouds of heaven. As there was misconceptions of Christ's work in the sanctuary then, so there are those now who likewise err. There is as much need today of a thorough study of the Scriptures as there was then, and more so.

The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem, and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today. All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above. And may it be the blessed privilege of many with "boldness to enter into the holiest by the blood of Jesus, by a new and living

way, which he hath consecrated for us, through the veil, that is to say, his flesh." (Heb. 10:19, 20.) This was the prayer and hope of the author of Hebrews, and this also is the hope of the author of this volume.

### **A Book of Golden Deeds** Arch Books

If you're looking for a new

Lenten experience, here are forty fresh ideas. Some will challenge you to deepen your prayer life; others will open your mind to new ways to serve others. Each of the forty ways includes a reflection to help you understand more about Lent and why it matters. You'll learn how to have a more creative experience of Lent. You'll discover positive, proactive ways to take action instead of the same old routine of giving something up. The result will be spiritual transformation and a

closer walk with Christ—not only during Lent but throughout the year.

*Bible Stories and Poems*

This book is for those pastors who know the great joys and victories of the ministry but also candidly admit to times of discouragement. It's for pastors who want to overcome those periods and build an enduring ministry.--from introduction.

**The Book of the Cave of Treasures** Destiny Image Publishers

Roy L. Heller looks at the prophets Elijah and Elisha in the books of Kings charting a two-fold characterization that portrays these prophetic figures in both positive and negative lights. In the narratives of Kings Elijah and Elisha often parallel other prophetic figures from Israel's history: they perform miraculous signs, they speak in the name of God, and they pronounce judgments upon the nation of Israel for its idolatrous worship. There are, however, other stories which have

troubled readers and scholars alike: Elijah's cowardly running from the threats of Jezebel, his self-pitying complaint to God that he was the only true Israelite left, and Elisha's cursing a group of little boys who, in turn, are slaughtered by two female bears. Scholars have traditionally ignored or belittled the negative stories of the prophets, seeing them as either late additions to the biblical text or as minor, unimportant stories that can easily be dismissed. Heller, however, argues

that the dual characterization of Elijah and Elisha reflects an ambivalent attitude that the narrator of Kings has toward prophecy as a whole, an attitude that is reflected in the book of Deuteronomy itself. This forces readers of the biblical text to pose the question; "how may Israel best know and follow God?" The stories of Elijah and Elisha make the answer clear: the words and lives of the prophets are a possible way for God to reveal how Israel is to live, but those words and

lives must always be considered with a degree of suspicion and must always be evaluated in light of the clear and straightforward teaching of Deuteronomy.

Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. Her work as a priestess in the temple of Baal seems to do the trick. But when a mysterious letter from the

dead prophet Elijah predicts doom for the royal household, Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves?

With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

And in the days of Nimrod, the mighty man (or giant), a fire appeared which ascended from the earth, and Nimrod went down, and looked at it, and worshipped it, and he established priests to minister there, and to cast incense from it. From that day the Persians began to

worship fire...-from "The Fourth Thousand Years" One of the most prolific and respected Egyptologists of the Victorian era, Budge here offers his translation of the 4th-century A.D. Syrian text commonly known as "the Cave of Treasures," a history of the world from the Creation to the crucifixion of Christ and considered by some to be an apocryphal book of the Bible. Budge's extensive notes, linking the work to other ancient writings, as well as the numerous

illustrations, make this unusual work, first published in 1927, an excellent resource for students of ancient civilizations and comparative mythology. SIR E. A. WALLIS BUDGE (1857-1934) was curator of Egyptian and Assyrian antiquities at the British Museum from 1894 to 1924. Among his many works of translation and studies of ancient Egyptian religion and ritual is his best-known project, *The Egyptian Book of the Dead*.

Bestseller An ancient relic is unearthed during an archaeological dig. A Minnesota college professor is keeping a secret that could change the world's history as we know it. For Virgil Flowers, the link between the two is inescapable—and his investigation, more dangerous and far-reaching than he can possibly imagine.

Rain Franciscan Media  
Very accurate, extremely informative, and certainly understandable. As we all know, the revelation of Jesus Christ as recorded

by John the Apostle is one of the most intriguing and fascinating books in the bible. However, *Revelation Rightly Revealed* (R3) conducts a precise yet comprehensive study of John's apocalypse. R3 analyzes and expounds on fourteen major themes found in the book of Revelation. As a result, you are guaranteed to receive dynamic and tremendous insight into the following concepts: The Four Horsemen, The Great Tribulation, Mystery Babylon, The

Resurrections, The 7 Seals, 7 Trumpets, and 7 Vials, Eternity, and much more.

He is destined to be high priest-but at what cost to those he loves? In ancient Samaria, Aban anticipates his rites of passage with excitement and dread. He yearns to join the priesthood of Ba'al Melqart, unlock the power

of the rain god, and hear the deity's voice. He's been warned the licentious ceremony can take a dangerous turn, but as eldest son of the high priestess, he holds a privileged position. If he can make it through the ceremony, one day he'll rise to high priest. On the eve of the rituals, Aban's mother confesses a dark secret about the bloody sacrifice demanded by Melqart. Aban may have escaped the flames, but if he is to save his brother, Aban must take his destined position of power

as soon as possible. When the mysterious prophet Elijah interrupts the rites, overturns the idol, and curses the land with drought, Aban's world is shaken. The current high priest and the king appear powerless, but even more confusing is the fact that the rain god does nothing. Against his better judgment, Aban conceals the strange prophet's whereabouts, forfeiting the high priesthood. Now an enemy of the relentless Queen Jezebel, Aban has little time to question his fading

commitment to Ba'al Melqart as he and his loved ones flee. But the conflict in Samaria is much larger than just a high priestess and her sons. Soon, Aban will have to choose a side in Yahweh's war against the Ba'als-and it may cost him his life.
