SHEPPARD JOHNSON

Why I Came West Simon & Schuster

Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about our own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

[Code Three](#) Little, Brown

Featuring exclusive never before seen concept art with a killer Glow-in-the-Dark cover, this is the art book that Rick and Morty fans have been waiting for! The animated science-fiction adventures of Rick and Morty are irreverent, shocking, and hilarious--from the cynical and rapid-fire one liners, to the grotesquely and endearing character designs. Now, take a deep trans-dimensional dive into the creation of these many insane universes with *The Art of Rick and Morty*! This new book is a must-have, not only for followers of the series, but for fans of animation as well! Featuring intimate commentary from the show's creators accompanying a vast collection of process, concept, and production art, this striking volume offers a tantalizing exploration of one of the most outlandish and beloved shows on television. Don't miss your chance to see the amazing art that goes into creating this twisted and fantastic Adult Swim series!

[The Gone World](#) Collins

A must-have gift book: the wit, wisdom, and frequent diatribes of mad scientist Rick Sanchez of Cartoon Network's *Rick and Morty*, the critically-acclaimed, #1 animated series on TV. For the first time anywhere, the wit, wisdom, observations, rants, raves, and general ramblings of mad scientist Rick Sanchez from Cartoon Network's hit animated TV series *Rick and Morty*, compiled in one essential volume. Each season Rick and his grandson Morty embark on thrilling domestic and intergalactic adventures, all for the benefit of science (and Rick's inflated ego). But what makes the depraved genius tick? Now Rick is eager to impart his unique (and sometimes disturbing) take on life, love, and everything in-between for the benefit of aspiring mad scientists everywhere. Fully illustrated with color images from the show, *The World According to Rick* is a collection of Rick's most famous (and not so famous) sayings, monologues, and quotes, complete with a personal introduction by the mad man himself. A truly unique and special book, this collectible is sure to become a cult favorite like the show that inspired it. RICK AND MORTY, ADULT SWIM, the logos, and all related characters and elements are trademarks of and (c) 2018 Cartoon Network.

World War II Rick Steves

NEW YORK TIMES BESTSELLER • Part cookbook, part memoir, these “rollicking, poignant, sometimes hilarious tales” (USA Today) are the Pulitzer Prize-winner’s loving tribute to the South, his family and, especially, to his extraordinary mother. Here are irresistible stories and recipes from across generations. They come, skillet by skillet, from Bragg’s ancestors, from feasts and near famine, from funerals and celebrations, and from a thousand tales of family lore as rich and as sumptuous as the

dishes they inspired. Deeply personal and unfailingly mouthwatering, *The Best Cook in the World* is a book to be savored.

Hotels of North America Princeton University Press

An oversized full-color hardcover encyclopedia collecting hilarious trivia on the characters from the ultra-hit animated series! In an interdimensional reality as crazy and wild as Rick and Morty, it can be hard to keep all of the characters straight, and now you don't have to use any more of your precious brain space to do it! It's all in this here book, baby! In this new collection, learn all about your favorite (and not so favorite) characters from around the multiverse. Take a look at all of the titular characters, the humans and the aliens, with the Rick and Morty Character Guide. Want to know more about the Council of Ricks? Or Ricks feelings on Zeep Xanflorp? Or why Bird Person talks like that? This book has got you covered! Collecting information on the whole cast of characters, this book is a must-have for any fan of the award-winning Adult Swim show!

[The Beginning of Infinity](#) Disney Electronic Content

The author discusses the attraction he feels to the landscape of the Yaak Valley in extreme, northwest Montana where he has lived for twenty-one years, and meditates on what drew him to the place, the challenges he faced moving and adjusting to life in a climate very different than he had known before, and how the place has changed him.

This full-color artbook showcases the interstellar art of the third and fourth seasons of your favorite animated sci-fi adventure. Dark Horse Books and Adult Swim offer another peek beneath the creators' curtain with *The Art of Rick and Morty Volume 2*. More concept art! More creator commentary! More stuff!

[Advent Conspiracy](#) Dark Horse Comics

As the most intelligent being in the multiverse, I've got a lot of knowledge to drop. Check out this collection of my words of wisdom. If you're smart, you'll pay attention - Rick Sanchez Each season Rick and his grandson Morty embark on thrilling domestic and intergalactic adventures, all for the benefit of science (and Rick's inflated ego). But what makes the depraved genius tick? Now Rick is eager to impart his unique (and sometimes disturbing) take on life, love, and everything in-between for the benefit of aspiring mad scientists everywhere. Giving a unique insight into a deranged mind, *The World According to Rick* is a collection of Rick's most meaningful (and meaningless) sayings, monologues, and quotes, complete with a personal introduction by the mad man himself. Isotope 322. This stuff's so powerful, Morty, it makes Isotope 465 look like Isotope 317 - Rick on Science There's pros and cons to every alternate timeline. Fun facts about this one: It's got giant telepathic spiders, eleven nine-elevens, and the best ice cream in the multiverse! - Rick on Interdimensional Time Travel Out of the frying pan, dot dot dot, huh, Morty? - Rick on Adventure When a Rick is with a Morty, the genius waves get cancelled out by the, uh, Morty waves - Rick on Morty A truly distinctive volume, this collectible is sure to become a cult favorite like the show that inspired it, and an invaluable reference for Rick's millions of fans.

[Travel as a Political Act](#) Simon and Schuster

An examination of the ideas and events that led to World War II, events during the war, and how

they led to subsequent wars, including the "war on terror," written as a series of letters from a man to his niece or nephew.

The Purpose Driven Life Devotional for Kids Penguin UK

In four compelling sessions, Advent Conspiracy invites individuals, families, groups, and entire churches to substitute compassion for consumerism by practicing four simple but powerful countercultural concepts.

In Desperation Running Press Adult

Rick Warren is arguably the most influential man in American religion today. Megachurch pastor, friend of world leaders, and trend-setting spiritual entrepreneur, he is widely recognized as the new public face of evangelical Christianity in America. No other modern churchman has matched his success as a leader and motivator of Christians. His book, *The Purpose-Driven Life*, is the bestselling nonfiction hardcover of all time, with more than 25 million copies sold. At a time when evangelicalism stands at a political and cultural crossroads, his stature continues to rise. But who is Rick Warren? What can be learned from the story of the man behind the message? And what does his life say about the state of Christianity today? *Prophet of Purpose: The Life of Rick Warren* traces the road Warren has traveled, the influences in his life, his trials and temptations, and the opposition he has encountered along the way. Honest, thorough, and insightful, it explores his spiritual coming of age during the turbulent 1960s, his principled determination to sit out the divisive battles between fundamentalists and moderates in the Southern Baptist Convention in the late 1970s, and his audacious endeavor in the 1980s to build a "church for people who hate church" in the suburbs of Los Angeles. From a handful of worshippers meeting in a tiny apartment, he grew a vibrant congregation of over 22,000 and a global network of pastors who follow his strategies for building churches and transforming lives. In this unofficial biography, Jeffery L. Sheler, who had unfettered access to Warren and those closest to him, presents an intimate portrait of Warren as a man of faith and vision but also of flesh and blood and human foibles—a pastor, communicator, philanthropist, and family man who is driven by a sense of divine purpose to complete the course his God has set before him. *Prophet of Purpose* brings Warren and his mission to life and provides a provocative glimpse into the potential future of Christianity in America.

Rick and Morty Book of Gadgets and Inventions Dark Horse Comics

James, a writer for Comedy Central's "The Man Show," dispenses advice on a variety of subjects in this guide to life as told through beer, man's other best friend.

The Broom of the System MIRA

Will Henry is an assistant to a doctor with a most unusual speciality: monster hunting! In the short time he has lived with the doctor, Will has grown used to late night callers and dangerous business. But when one visitor comes with the body of a young girl and the monster that was feeding on her, Will's world changes forever. The doctor has discovered a baby Anthropophagi—a headless monster that feeds through the mouthfuls of teeth in its chest—and it signals a growing number of Anthropophagi. Now, Will and the doctor must face the horror threatening to consume our world and find the rest of the monsters before it is too late...

Magnificent Vibration Penguin

Explore the real science behind the Cartoon Network phenomenon Rick and Morty—one of television's most irreverent, whip-smart, and darkly hilarious shows—and discover how close we are to Rick's many experiments becoming a reality. Adult Swim's Rick and Morty is one of the smartest (and most insane) shows on television. Genius alcoholic Rick Sanchez and his hapless grandson Morty have explored everything from particle physics to human augmentation and much more in their intergalactic adventures through the multiverse. With biting humor and plenty of nihilism, Rick and Morty employs cutting-edge scientific theories in every episode. But, outside of Rick's garage laboratory, what are these theories truly about and what can they teach us about ourselves? Blending biology, chemistry, and physics basics with accessible—and witty—prose, *The Science of Rick and Morty* equips you with the scientific foundation to thoroughly understand Rick's

experiments from the show, such as how we can use dark matter and energy, just what is intelligence hacking, and whether or not you can really control a cockroach's nervous system with your tongue. Perfect for longtime and new fans of the show, this is the ultimate segue into discovering more about our complicated and fascinating universe.

The Art of Rick and Morty Simon and Schuster

Describes how to unleash the individuality and uniqueness that God has bestowed, revealing how to tap into the mysteries of our makeup and potential, which will lead to a path of purpose, freedom, confidence, and fulfillment.

The Man Show on Tap MIRA

A NEW YORK TIMES NOTABLE BOOK OF 2020 From the bestselling author of *Nixonland* and *The Invisible Bridge* comes the dramatic conclusion of how conservatism took control of American political power. Over two decades, Rick Perlstein has published three definitive works about the emerging dominance of conservatism in modern American politics. With the saga's final installment, he has delivered yet another stunning literary and historical achievement. In late 1976, Ronald Reagan was dismissed as a man without a political future: defeated in his nomination bid against a sitting president of his own party, blamed for President Gerald Ford's defeat, too old to make another run. His comeback was fueled by an extraordinary confluence: fundamentalist preachers and former segregationists reinventing themselves as militant crusaders against gay rights and feminism; business executives uniting against regulation in an era of economic decline; a cadre of secretive "New Right" organizers deploying state-of-the-art technology, bending political norms to the breaking point—and Reagan's own unbending optimism, his ability to convey unshakable confidence in America as the world's "shining city on a hill." Meanwhile, a civil war broke out in the Democratic party. When President Jimmy Carter called Americans to a new ethic of austerity, Senator Ted Kennedy reacted with horror, challenging him for reelection. Carter's Oval Office tenure was further imperiled by the Iranian hostage crisis, the Soviet invasion of Afghanistan, near-catastrophe at a Pennsylvania nuclear plant, aviation accidents, serial killers on the loose, and endless gas lines. Backed by a reenergized conservative Republican base, Reagan ran on the campaign slogan "Make America Great Again"—and prevailed. *Reaganland* is the story of how that happened, tracing conservatives' cutthroat strategies to gain power and explaining why they endure four decades later.

Late, Late at Night Henry Holt and Company (BYR)

The first book in the series about everyone's favorite classroom pet! You can learn a lot about life by observing another species. That's what Humphrey was told when he was first brought to Room 26. And boy, is it true! In addition to having FUN-FUN-FUN in class, each weekend this amazing hamster gets to sleep over with a different student, like Lower-Your-Voice-A.J. and Speak-Up-Sayeh. Soon Humphrey learns to read, write, and even shoot rubber bands (only in self-defense, of course). With lots of friends to help, adventures to enjoy, and a cage with a lock-that-doesn't lock, Humphrey's life is almost perfect. If only the teacher, Mrs. Brisbane, wasn't out to get him! Boys and girls can't help falling in love with Humphrey! Kids will be eager to get their paws on all 12 books in the series!

The Purpose Driven Life Vintage

Describes influential business philosophies and marketing ideas from the past twenty years and examines why they did not work.

Rick and Morty and Philosophy Good Press

Ava is a firebug—she can start fires with her mind. Which would all be well and good if she weren't caught in a deadly contract with the Coterie, a magical mafia. She's one of their main hitmen . . . and she doesn't like it one bit. Not least because her boss, Venus, killed Ava's mother. When Venus asks Ava to kill a family friend, Ava rebels. She knows very well that you can't say no to the Coterie and expect to get away with it, though, so she and her friends hit the road, trying desperately to think of a way out of the mess they find themselves in. Preferably keeping the murder to a minimum, in Lish McBride's *Firebug*.
