Make Way for Ducklings Random House Books for Young Readers

In this delightful follow-up to the New York Times bestselling *Duck & Goose* and *Duck, Duck, Goose*, Duck wants to go on an adventure. Goose doesn't. He doesn't see the point. After all, why would they go anywhere when they're happy right where they are? But then Goose sees the ocean and loves it. Who doesn't? Well, Duck, for one! This Read & Listen edition contains audio narration.

A Paddling of Ducks Little, Brown Books for Young Readers
THE PLAN: ducks in a row:- Everything is ready; all preparations are complete. To have everything just the way you want it before you take the next step. (eg. "I want to quit my job and pursue my passion, but I need to get all my ducks in a row before I hand in my resignation.") THE FLAW: "I've never met a set of ducks that liked standing in a row for very long." We've all seen ducks in a row. The trouble is, watch them long enough and they eventually break formation. In other words, if you're waiting for things to be perfect before you act on your dreams in general, and if your success becoming an entrepreneur in particular is contingent on those ducks staying in line for the duration of your adventure in freedom, you might be waiting forever!

A dark thriller set at sea perfect for fans of Kara Thomas--two girls from different worlds cross paths with a psychopath. Nothing really bad has ever happened to Birdie. And she hates it! She needs drama, angst, torment--something to provide fodder for the amazing book she wants to write. When her parents take a yearlong sabbatical to the Caribbean, she gets her wish. . . . Morgan is a child of the sea. Raised by nomadic parents who encouraged her to chart her own course, and filled with sorrow after the loss of her older sister, she attempts to create a new life for herself in the warm waters of the tropics. But before she can do that, she needs papers that will keep the Coast Guard away,

And there's only one person who can help her. Tricky Nicky. Morgan knows he's bad news. But what she doesn't know is that he's a killer. Told in alternating points of view, *Deep* is a riveting story that will pull readers into its depths. "Taut, suspenseful."--SLJ "Gripping."--Booklist *An ALA Best Book for Young Adults nominee*

WINNER OF THE 2019 GOLDSMITHS PRIZE • SHORTLISTED FOR THE 2019 BOOKER PRIZE • A NEW YORKER BEST BOOK OF 2019 • A NEW YORK TIMES NOTABLE BOOK OF 2019 • A TIME MUST-READ BOOK OF 2019 "This book has its face pressed up against the pane of the present; its form mimics the way our minds move now toggling between tabs, between the needs of small children and aging parents, between news of ecological collapse and school shootings while somehow remembering to pay taxes and fold the laundry."—Parul Sehgal, *New York Times* Baking a multitude of tartes tatin for local restaurants, an Ohio housewife contemplates her four kids, husband, cats and chickens. Also, America's ignoble past, and her own regrets. She is surrounded by dead lakes, fake facts, Open Carry maniacs, and oodles of online advice about survivalism, veil toss duties, and how to be more like Jane Fonda. But what do you do when you keep stepping on your son's toy tractors, your life depends on stolen

land and broken treaties, and nobody helps you when you get a flat tire on the interstate, not even the Abominable Snowman? When are you allowed to start swearing? With a torrent of consciousness and an intoxicating coziness, *Ducks*, Newburyport lays out a whole world for you to tramp around in, by turns frightening and funny. A heart-rending indictment of America's barbarity, and a lament for the way we are blundering into environmental disaster, this book is both heresy—and a revolution in the novel.

"Robert McCloskey's unusual and stunning pictures have long been a delight for their fun as well as their spirit of place."—The Horn Book Mrs. Mallard was sure that the pond in the Boston Public Gardens would be a perfect place for her and her eight ducklings to live. The problem was how to get them there through the busy streets of Boston. But with a little help from the Boston police, Mrs. Mallard and Jack, Kack, Lack, Nack, Ouack, Pack, and Quack arrive safely at their new home. This brilliantly illustrated, amusingly observed tale of Mallards on the move has won the hearts of generations of readers. Awarded the Caldecott Medal for the most distinguished American picture book for children in 1941, it has since become a favorite of millions. This classic tale of the famous Mallard ducks of Boston is available for the first time in a full-sized paperback edition. *Make Way for Ducklings* has been described as "one of the merriest picture books ever" (The New York Times). Ideal for reading aloud, this book deserves a place of honor on every child's bookshelf. "This delightful picture book captures the humor and beauty of one special duckling family. ... McCloskey's illustrations are brilliant and filled with humor. The details of the ducklings, along with the popular sights of Boston, come across wonderfully. The image of the entire family proudly walking in line is a classic."—The Barnes & Noble Review "The quaint story of the mallard family's search for the perfect place to hatch ducklings. ... For more than fifty years kids have been entertained by this warm and wonderful story."—Children's Literature

Carson-Dellosa Publishing

The Catcher in the Rye," written by J.D. Salinger and published in 1951, is a classic American novel that explores the themes of adolescence, alienation, and identity through the eyes of its protagonist, Holden Caulfield. The novel is set in the 1950s and follows Holden, a 16-year-old who has just been expelled from his prep school, Pencey Prep. Disillusioned with the world around him, Holden decides to leave Pencey early and spend a few days alone in New York City before returning home. Over the course of these days, Holden interacts with various people, including old friends, a former teacher, and strangers, all the while grappling with his feelings of loneliness and dissatisfaction. Holden is deeply troubled by the "phoniness" of the adult world and is haunted by the death of his younger brother, Allie, which has left a lasting impact on him. He fantasizes about being "the catcher in the rye,"

a guardian who saves children from losing their innocence by catching them before they fall off a cliff into adulthood. The novel ends with Holden in a mental institution, where he is being treated for a nervous breakdown. He expresses some hope for the future, indicating a possible path to recovery..

Tales from the Oregon Ducks Sideline takes the reader on a fun-filled trip through Oregon's gridiron history. Author Brian Libby brings Duck fans out to the 50 yard line and into the locker room as he tells colorful tales about the Oregon football program, from its start in 1894 to today, culminating in the hard-fought BCS Championship game against Auburn in January 2011. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports--books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

"Pitch-perfect throughout, enthusiastic and confident. . . .

Positively ducky all around." — Publishers Weekly (starred review)

The young girl in this story may live in the city, but outside her window there's a river full of mallard ducks! She hears them as soon as she wakes up, and on the way to school she sees them upside down bobbing for food. Interspersed with fun facts, her enthusiastic commentary about her feathered neighbors — what they look like, how they behave, where they nest, where they sleep — pairs swimmingly with cheerful watercolor illustrations. Back matter includes an index and a note about ducks.

"Story hour alert! Here's a book with a clever premise, a bouncy text, and sunny, funny pictures. . . . Supremely satisfying." —

Booklist (starred review) Mama Duck has a good hunch that the big brown creature waddling behind her babies is no duck! As the foxy impostor sneaks closer and closer to Mama Duck's trailing brood, little ones will delight in shouting out his identity.

Infectious rhythms and fresh, expressive watercolors liven up the pursuit, which ends when Mama Duck confronts the villain, beak to snout, and beats him at his own game.

George Plimpton's follow-up to Paper Lion, one of his personal favorites among his classic books -- repackaged and including a foreword from Steve Almond and never-before-seen content from the Plimpton archives. In Mad Ducks and Bears, George Plimpton's engaging companion to Paper Lion, Plimpton focuses on two of the most entertaining and roguish linemen and former

teammates -- Alex Karras ("Mad Ducks") and John Gordy ("Bears"), both of whom went on to achieve brilliant post-football success. A more reflective, less madcap book than Plimpton's other work, *Mad Ducks and Bears* is no less truthful and searching. In this fond exploration of football's values and follies, Plimpton rejoins his two teammates to discuss their careers in this brutal but captivating game. The result is an astute exploration into the fascinating lives and motivations of the players at home, in the locker room, and on the field.

Tales from the Oregon Ducks Sideline Biblioasis

"Considered the bible of scouting techniques" according to the Los Angeles Times, *Football Scouting Methods* explains the basic scouting strategies and insights of author Steve Belichick. He was widely viewed as the ablest football scout of his time and coached at the U.S. Naval Academy for 33 years; his son is New England Patriots coach Bill Belichick, a three-time Super Bowl winner. When Steve Belichick died in November 2005, the New York Times headline cited him as "Coach Who Wrote the Book on Scouting," and quoted Houston Texans General Manager Charley Casserly calling *Football Scouting Methods* "the best book on scouting he had ever read." Joe Bellino, Navy's Heisman Trophy winner in 1960, told the Times that Steve Belichick "was a genius. On Monday nights, he would give us his scouting reports, and even though we were playing powerhouses, I always felt we were

prepared because he found a way for us to win." In recent years *Football Scouting Methods* has been one of the top ten most sought out-of-print books; used copies have been quite scarce. This reissue edition makes the original 1962 text available once again in exact facsimile. The book covers how to scout opponents, recognize defenses, analyze offenses, discover "tip-offs" that reveal the opponent's plays, compose a useful report, self-scout, and conduct postgame analysis. "Steve Belichick taught many younger men how to scout and how to watch film and how to prepare their teams for the next week's game," David Halberstam noted in the Washington Post, and his best student was his own son Bill Belichick, "one of whose greatest skills as a coach to this day remains his ability to analyze other teams, figuring out both their strengths and their vulnerabilities, and shrewdly deciding how to take away from them that which they most want to do." When CBS asked Bill Belichick to name his favorite book, he replied "Well, I've got to go with my dad's. *Football Scouting Methods*. I'd have to go with that."
