BRYAN MARITZA

Report on the construction of a military road from Fort Walla-Walla to Fort Benton Grand Central Publishing

Piano tuner Frank Ryan is paid in kind by an aging music teacher with an old manuscript that turns out to be Beethoven's Tenth Symphony. Launched into a world of intrigue and violence, Ryan, an unlikely sleuth, realizes he must use his wits to conquer his enemies and solve the mystery of the manuscript. In the process Ryan discovers whom he can trust and what he is made of. The first in a series featuring Frank Ryan, *Beethoven's Tenth* is a smart page-turner.

Tenth St Extension-Taylor Road Extension, Columbus Orca Book Publishers

The adventure that began with *The Celestine Prophecy* continues as the action shifts to a wilderness in the American Southeast where the narrator's friend has disappeared.
