**Sherlock Holmes Ki Lokpriya
 Kahaniyan** Prabhat Prakashan
 The author draws on his experience as a
 psychologist and as a relationship
 counselor to bring into searing focus the
 inarticulate pain that children go through
 in a broken marriage. It is the story of
 two teenage girls Mannat and Eva,
 brought together by fate and the shared
 trauma of their parents’ crumbling
 relationships. With deep compassion, the
 author probes their uncomprehending
 pain and fears, their self-doubt, their loss
 of innocence, and their anger at a world
 that has betrayed them. Their friendship
 helps them forge tools for survival, and
 delineate identities for themselves from
 amongst the debris of their shattered

childhood. The author makes no judgment for parents too are fallible, and are victims of their own limitations. Nor does he offer solutions. He merely draws the reader's attention on the consequences of such conflicts on children. In doing so, he offers perhaps the only possible key (as well as a roadmap) to resolving marital conflict – the understanding that becoming a parent is a choice not a given. It is a choice that comes with the implicit clause of subsuming one's own interests in favor of the young life until it reaches emotional adulthood. At its core, it is a deeply spiritual book that lays bare. The great karmic wheel of action and consequence shows us a way to outwit the ever-turning cycle of suffering.

Kitabghar

Prakashan

Prakashan is a collection of contemporary romance novels. It is a delightful journey into the world of love, offering a variety of stories that explore the complexities of human relationships. The collection is edited by Sudeep Nagarkar, Partha Sarthi Sen Sharma, Preeti Shenoy, and Abhishek Manoharchanda.
