The Ten Most Misunderstood Words in the Bible Convergent Books

What did Jesus say? No individual has a greater impact on human history than Jesus Christ. In just three short years, this humble carpenter challenged, enlightened, and transformed those around Him with words of wisdom, grace, truth, hope, and love. And through His words and actions, He provided indisputable evidence that God always has been and always will be among us. In the Words of Jesus distills Jesus' most profound teachings from the four Gospels and reflects on what His message meant not

only during His brief ministry on earth but also for us today. Like the Gospels themselves, In the Words of Jesus is a timeless reminder of what it looks like to live a truly pure and godly life, and an invaluable source of biblical wisdom sure to inspire and enlighten readers of all ages.

You know them. But do you understand them? The Ten Commandments have become so familiar to us that we don't think about what they actually mean. They've been used by Christians throughout history as the basis for worship, confessions, prayer, even civil law. Are these ancient words still relevant for us today? Their outward simplicity hides their inward complexity. Jesus himself sums up the entire law in a pair of commandments: Love God with all your heart, mind, and

strength, and love your neighbor as yourself. Peter Leithart re-introduces the Ten Commandments. He shows us how they address every arena of human life, giving us a portrait of life under the lordship of Jesus, who is the heart and soul of the commandments.

Stop Asking Jesus Into Your Heart KingsPress

A talented teacher unpacks the riches of traditional Christian spirituality for Christians burdened by the guilt and anxiety of introspective, in-my-heart spiritual techniques. Phillip Cary explains that knowing God is a gradual, long-term process that comes through the gospel experienced in Christian community. The first edition has sold over 17,000 copies. The expanded edition includes a new afterword that offers further insights since the first edition was published over ten years ago.

Book of the Year (Christian Small Publishers) Questions are keys to treasure and doorways to discovery. A good question can change your life! The Gospel in Twenty Questions is a book of good questions: What is God like? What does he want from me? Should we do everything Jesus said? How does God deal with me when I sin? How do we reconcile contradictory scriptures? Does God make us sick to teach us things? What is the unforgiveable sin? What are heavenly rewards? Once saved, always saved? And many more! The questions in this book will take you places. They will cause you to dance on the uplands of your Father's favor. Best of all, they will lead you to a deeper relationship with Jesus, who is the greatest Answer of all! Get your copy now.

Ten Things Christians Wish Jesus Hadn't Taught Crossway

This is a book about ten of the most significant uncomfortable

teachings of Jesus. These are teachings that Christians don't like to think or talk about. They are clear imperatives from Jesus that are, for the most part, ignored by the majority of believers.

A CBA Bestseller -- Two thousand years ago, twelve people changed the world. Stearns believes it can happen again. It's 1998 and Richard Stearns' heart is breaking as he sits in a mud hut and listens to the story Rakai, Uganda. His journey to this place took more than a long flight from the United States to Africa. It took answering God's call on his life, a call that hurtled him out of the presidential corner office at Lenox -- America's finest tableware company -- to this humble corner of Uganda. This is a story of how a corporate CEO faced his own struggle to obey God whatever the cost, and his passionate call for Christians to change the world by actively living out their faith. Richard Stearns has served as President of World Vision U.S. since 1998, having formerly been the CEO of Parker Bros. Games and Lenox, Inc. He and his wife, Renee, have five children of their own and millions more around the world.

Sticks and stones will break my bones, but names will never hurt me? This lie has been taught to children for years. We claim it strengthens them. Allows them to let the harsh words of other children roll off their backs. But the truth is that words have power. Power to encourage. Power to heal. But also power to intimidate, power to scourge, and power to wound. How are you using the power of words? What we say has both spiritual and physical implications. Revelation 21:8 tells us that liars have their place in the Lake of Fire. And we all have seen the devastation

wreaked by rumors on innocent reputations. Yet with the same intensity, kind words can soothe a broken spirit and restore shattered relationships. Your words also say a lot about you. Jesus said, 'For out of the overflow of the heart the mouth speaks' (Matthew 12:34). If our hearts are not in tune with God, neither will be our words. In *The Weight of Your Words*, Joseph Stowell shares the truth about the tongue straight from the Bible, God's Word to His people. He challenges us to not allow our mouths to be controlled by our anger or our circumstances, but rather, to be controlled by the Holy Spirit and His work in our lives. Take inventory of your words and your heart attitude with Joseph Stowell in *The Weight of Your Words*.

As well as telling parables and stories, giving teachings on how to discern questions of ethics and human nature, and offering beatitudes for comfort and encouragement, Jesus also spoke words and flung insults that followers then and now have found difficult, to say the least. He instructs disciples to hate members of their own families (Luke 14:26), warns that unending fire awaits some people, says body parts should be cut off if they offend. He calls a foreign woman a 'dog', the Jews 'offspring of vipers' and his closest disciple 'Satan'. Preachers often gloss over these or avoid them altogether as they are still so shocking. In *The Difficult Words of Jesus*, Amy-Jill Levine sheds vital light on understanding these by exploring how these sayings sounded to those who first heard them. She reveals Jewish modes of expression, humour and the long tradition of Jewish insults and what they mean, and how we might interpret these sayings today within a gospel of love and reconciliation.

But God... Baker Books

Is the world going to hell in a handbasket? Is ours the generation that will be left behind? Are global events harbingers of the great tribulation? Such questions promote a fear and anxiety that is contrary to the hope-filled gospel of Jesus Christ. In *AD70 and the End of the World*, award-winning author Paul Ellis offers an alternative, gospel-based perspective of the last days. Based on an in-depth study of scripture and the forgotten lessons of history, he reveals the astonishing good news hidden within Christ's parables and prophecies of judgment. This book is the antidote to pessimistic prophecy. It answers questions about Judgment Day, the rapture, and the end of the age. It reinterprets dark tales of vengeance and wrath through the bright light of grace. If you are weary of gloomy forecasts or are anxious about the apocalypse, *AD70 and the End of the World* will give you a confident and joyful expectation of a bright tomorrow.

Winner, Christian Indie Awards; Finalist, International Book Awards Did you know that Jesus sent seven letters from heaven? The letters from Jesus to the Revelation churches must be the most misunderstood chapters in the Bible. Many dismiss them as too hard, too strange, or too scary. Contrary to what you may have heard, these letters are good news from start to finish. They are love letters from Jesus to all of us, and they reveal the extreme goodness and favor of God. In *Letters from Jesus*, Paul Ellis unpacks the astonishing good news found in these ancient letters. In them he finds answers to tough questions: What does God expect from me? Is he angry at my fears and failings? How do I know what the Spirit is saying? How do I overcome life's

trials? What makes me worthy to walk with the Lord? Am I lukewarm? Does God punish me when I sin? Will Jesus erase my name from his book? And many more! Get your copy now.

Could the gospel be lost in evangelical churches? In this book, J.D. Greear shows how moralism and legalism have often eclipsed the gospel, even in conservative churches. Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God's gracious acceptance of us in Christ. The gospel is the power of God, and the only true source of joy, freedom, radical generosity, and audacious faith. The gospel produces in us what religion never could: a heart that desires God. The book's core is a "gospel prayer" by which you can saturate yourself in the gospel daily. Dwelling on the gospel will release in you new depths of passion for God and take you to new heights of obedience to Him. Gospel gives you an applicable, exciting vision of how God will use you to bring His healing to the world.

Taming the Tongue Living Stream Ministry

Sometimes we ask What is God's will for my life? when we should really be asking Who should I be? The Bible has an answer: Be like the very image of God. By exploring ten characteristics of who God is—holy, loving, just, good, merciful, gracious, faithful, patient, truthful, and wise—this book helps us understand who God intends for us to be. Through Christ, the perfect reflection of the image of God, we will discover how God's own attributes impact how we live, leading to freedom and purpose as we follow his will and are conformed to his image.

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying—namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel—and this book—good news.

Women of the Word (Foreword by Matt Chandler) Canongate U.S.

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change

today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

365 Gospel-Centered Devotions for the Whole Year Mornings can be tough. Sometimes, a hearty breakfast and strong cup of coffee just aren't enough. Offering more than a rush of caffeine, best-selling author Paul David Tripp wants to energize you with the

most potent encouragement imaginable: the gospel. Forget "behavior modification" or feel-good aphorisms. Tripp knows that what we really need is an encounter with the living God. Then we'll be prepared to trust in God's goodness, rely on his grace, and live for his glory each and every day.

The Gospel According to Mark Crossway

Just two words: "But God..." Understand their use in Scripture and you'll never be the same. Whether from the pen of Moses, Paul, or other biblical authors, "But God" appears in various forms hundreds of times in the Bible. To understand these two words as they are used in Scripture is to understand the gospel. This book focuses on nine of the most important appearances of this key phrase, drawing in numerous other passages of Scripture and in the process unfolding the magnificent drama of God's sovereign grace—from his mercy on Noah to our security in a resurrected Savior. James Montgomery Boice wrote, "May I put it quite simply? If you understand those two words--'but God'--they will save your soul. If you recall them daily and live by them, they will transform your life completely." Boice was right. To the left of "But God" in Scripture appear some of the worst human atrocities, characterized by disobedience and rebellion. To the left of "But God" is hopelessness, darkness, and death. But to its right, following "But God," readers of Scripture will find hope, light, and life. Following God's intervention, the story of Scripture becomes one of grace, righteousness, and justice. In fact, this phrase is used to describe God's activity in nearly every great salvation story in the Bible. It is the perfect phrase for highlighting God's grace against the dark backdrop of human sin. "But God" marks God's relentless, merciful interventions in

human history. It teaches us that God does not wait for us to bring ourselves to him, but that he acts first to bring about our good. It also teaches us of the potential consequences if God were not to act. Scripture shows over and over that without God's intervening grace, without the "But God" statements in the Bible, the world would be completely lost in sin and under judgment. May the reading of this book, and of the biblical "But God" statements it contains, cause you to understand these two words, recall them regularly, and allow them to transform your understanding of God's grace and thus transform your very life.

God's Two Words The Good Book Company

You have a story, a song, or a message that the world needs to hear. But if you are denied the opportunity to share your gift, your light will not shine as bright as God intended. In *The Silent Queen*, Paul Ellis demolishes the lies that keep women silent and sidelined. In this book you will learn what Jesus really thought about women in leadership; why the Bible never said women should stay in the shadows; why submission may not mean what you think it means; why you should never compare yourself or your wife to the excellent woman of Proverbs 31; and much more! "I was stunned by the things I discovered in this powerful book." ~ Sandra McCollom, author of *I Tried Until I Almost Died* "Brilliant! Amen! Good News for Anxious Christians, expanded ed. Univ. Press of Mississippi

In *Brother to a Dragonfly*, Will D. Campbell (1924–2013) writes about his life growing up poor in Amite County, Mississippi, during the 1930s alongside his older brother, Joe. Though they grew up in a close-knit family and cared for each other, the two went on to lead very different lives. After serving together in World War II, Will became a highly educated Baptist minister who later became a major figure in the early years of the civil rights movement, and Joe became a pharmacist who developed a substance abuse problem that ultimately took his life. *Brother to a Dragonfly* also serves as a historical record. Though Will's love and dedication to his brother are the primary story, interwoven throughout the narrative is the story of the Jim Crow South and the civil rights movement. Will is present through many of the most pivotal moments in history—he was one of four people who escorted black students integrating the Little Rock public schools; he was the only white person present at the founding of the SCLC; he helped CORE and SNCC Freedom Riders integrate interstate bus travel; he joined Dr. Martin Luther King Jr.'s campaign of boycotts, sit-ins, and marches in Birmingham; and he was at the Lorraine Motel the night Dr. King was assassinated. Will's accomplishments, however, never take the spotlight from his brother, and as his relationship with Joe evolves, so does Will's faith. Featuring a new foreword by Congressman John Lewis, this book brings back to print the combined lives of Will Campbell—Will the brother and Will the preacher.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external

demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
