Women with Needs Andrea Martin Beth Ann needed a hero... Beth Ann Williamson has finally had it with her on-and-off fiancé of nine years. The problem? No one in town seems to believe her when she says it's really over. Now Beth Ann is determined to show the small town of Bluebonnet, Texas, that she can take care of herself. That means opening her own salon and

not taking the help that her ex-fiancé seems determined to offer. Of course, even the best laid plans go awry when she's stranded in the woods in the middle of a downpour. Some independent woman she is. She can't even find her way out of the woods without the help of a handsome, but scowling, Marine. She got more than she bargained for... A die-hard survivalist, Colt Waggoner's

none too pleased when he's sent to find the town's pampered princess. He's even more annoyed when Beth Ann isn't grateful for the rescue. Fine, then. He'll just have to teach the sexy blonde a lesson--a weekend of roughing it out in the wild. Just the two of them, alone, in muddy, wet clothing that needs to come off... But Beth Ann isn't the spoiled princess he thought. And when she propositions

<p>him for a one night stand, he knows he should turn it down. Because this alpha male might need more than just one night in her bed to satisfy him... <u>Letting Her Have Fun</u> Andrea Martin When her flaky sister abruptly backs out of their surrogacy agreement, Ella McLeod is left with a newborn she's in no position to care for.  Pack Rule #1: Never reveal to a human. I broke that rule the day I met the beautiful doctor. I might be a rodeo champ, but one look at her, and I lost my concentration. The bull tossed and gored me, and

now the sweet female is on to me. When I healed within hours, she knew something wasn't right. My alpha told me to watch her. Not a problem. I'll watch her all right. Real close. I'll stick to her like superglue. And those human men who want to date her? They'd better step back. Because the doctor is all mine. Whether she knows it yet or not.

For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She
---	--	--

thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway."

What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf?

"This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their

constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

Corrupting April Andrea Martin
Bound for Trouble is the tenth bondage-themed anthology for Alison Tyler, a veteran at collecting the

very best BDSM stories for her readers' pain-tinged pleasure. Bondage sends shivers (the really good kind) down spines. With Bound for Trouble, Tyler uncovered new jewels, glimmering examples of the ultimate in erotic writing. Every writer in this book focuses on a different facet of the bondage theme. Some characters use tools, some words, one uses paper chains. There

are male subs, femme doms, and more. But what these stories have in common is addiction. And fascination. And obsession. Plain and simple, bound for trouble. **Staking His Claim** HARD WOOD ROCK When one man won't suffice, why not take another? All Tiffany's attempts to find love have ended in disaster and led to her being a

sexually frustrated nineteen-year-old virgin omega sick of overbearing alphas. Her latest failure lands her in legal trouble, and the only way out is to sign a contract with a man she barely knows. While she doesn't want to give up her freedom, a year of training at the hands of a handsome and dominant alpha is the best of her bad options. Kieran agrees to take on the wild omega as a favor, not

wanting her to end up as property in the system. He never expects to fall for her, but when two other alphas, Kane and Marshall, show up to compete for her affection, he can't deny how he feels. These very different alphas have to put their jealousy aside when Tiffany is targeted by an unknown enemy, because it will take all three of them to keep her alive. Even as danger surrounds

them, Kieran, Kane and Marshall discover that sharing the feisty omega is more appealing than they'd thought it would be. Can they work together to protect her from the danger threatening her or will their competition drive away the omega they all crave?

Spark s fly when the two enter a fiery battle of wills as Aria learns she is more than just a witch in the Hecate bloodline; she is much, much more.
