Britain, long revered for its choral music and partsongs, had largely neglected art songs since the Elizabethan era. The middle of the nineteenth century witnessed efforts to revive the genre, particularly in the works of Sir C. Hubert Parry and Sir Charles Villiers Stanford. The following generation, including the Scottish composer Hamish MacCunn (1868–1916), built on the foundations laid by Parry and Stanford and served as the bridge to the vocal music of Ralph Vaughan Williams, Sir Edward Elgar, Ivor Gurney, John Ireland, and ultimately Benjamin Britten. Though best known for his Scottish-influenced compositions,

MacCunn composed over 100 songs that, free from national constraints, are some of the most refined and sophisticated examples of his music. Almost no modern editions of MacCunn's song exist, though many were published during the composer's lifetime. The current two-part edition presents the composer's 102 extant songs. Part 1 contains 53 individual songs; Part 2 presents the songs that were first published as small collections.

Dwight's journal of music Irmãos Vitale This compilation is a source of enjoyable, approachable and very listenable piano music, and an extremely valuable educational tool for teachers and students. It includes the pieces that the masters from the Baroque, Classical and Romantic eras composed for their own students. All music has been engraved in an enlarged note size and with extended spacing of measures to provide an open, airy appearance, facilitating easier reading and annotating. Each piece has been carefully edited to provide fingerings for playing ease and comfort. As with all books in this series, it includes a unique lay-flat binding to help keep the music open on the music stand.

Dmitri Shostakovich (1906-75) was one of the greatest composers of the 20th century, as well as the first major Soviet composer. In the fourth edition of Dmitri Shostakovich Catalogue: The First Hundred Years and Beyond, Derek C. Hulme names and describes all known musical compositions of the Russian

composer. More than 175 major works are annotated and discussed, including such comprehensive details as titles and subtitles, dates of composition, instrumentation, and duration; information on dedications and premieres; arrangements by the composer and others; publication details; notes on bibliographical references and the location of the autograph score; and comprehensive chronological lists of vinyl, compact disc, and visual recordings. The entries are presented chronologically and by opus number, while indexes of names and compositions provide full accessibility. Several appendixes supplement the volume, guiding readers to further information in published sources and providing information on the composer's film, radio, television, and theatre productions; his abandoned projects and obscure works; and his recordings, including box sets and special USSR recordings. An appendix also discusses the monogram DSCH, a musical motif based on his name that permeates his compositions. This new edition also includes a comprehensive chronological chart of Shostakovich's works and historical events and several plates of memorabilia.

This series answers the often-expressed need for a variety of supplementary material in many different popular styles.

What could be more fun for an adult than to play the music that everybody knows and loves? When the books in the Greatest Hits series are assigned in conjunction with the Lesson Books, these appealing pieces reinforce new concepts as they are introduced. In addition, the motivation the music provides could not be better. The emotional satisfaction students receive from mastering each popular song increases their enthusiasm to begin the next one. With the popular music available in the Greatest Hits series (Levels 1 and 2), the use of both books will significantly increase every adult's interest in piano study. Two selections from this book are featured on the Royal Conservatory of Music Popular Selection List (2007 Ed.): * The Rainbow Connection * Nadia's Theme
