Indian Political Thought Disha Publications

Disha's BESTSELLER "24 Years CSAT General Studies IAS Prelims & Mains Topic-wise Solved Papers (1995-2018)" consists of past years solved papers of the General Studies Paper 1 & 2 distributed into 8 Units and 52 Topics. This is the 9th edition of the book and has been thoroughly revised and updated. The book has been designed in 2 colour so as to make it more student friendly. The book also provides Essays divided topic-wise from 1993-2017. The strength of the book lies in the Errorless DETAILED Solutions. The book is 100% useful for both the General Studies papers (1 and 2) of the Prelims/ CSAT.

Challenge and Strategy Disha Publications

Challenge and Strategy: Rethinking India's Foreign Policy examines India's foreign policy options in order to ensure that the country retains its space for manoeuvre, to follow an independent foreign policy in the 21st century global scenario.

**Political Theory** Oxford University Press India

From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-

economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as From Plassey to Partition.

International Relations: Perspectives and Controversies Manohar Publishers

In turbulent global times, your study of this subject is increasingly necessary and urgent. Featuring a new chapter on

critical theories, and revised to take a less Eurocentric approach to concepts and case studies, this new edition allows you to tackle global politics' important concepts, debates and problems: -How can theories help us to understand the politics of a global pandemic? -Do we live in a 'post-truth' world of 'fake news' and disinformation? -Does international aid work? -Does the United States remain a global hegemon? -What is the Anthropocene and how does it shape global politics? -Are global politics constrained by a 'North-South' divide? -What are the possible futures of global politics - and the politics of outer space? Delving into topics as diverse as anarchy, intersectionality, Confucianism, and neoconservatism, boxed features give you confidence in political analysis: -Focus on: learn more about the global colour line or the tragedy of the commons -Key figures: discuss the ideas of Hans Morgenthau, Frantz Fanon or bell hooks -Debating: argue whether the United Nations are obsolete, or whether nuclear weapons promote peace -Global politics in action: apply your learning to the migration crisis in Europe or the Arab Spring -Approaches to: consider human rights or the Covid-19 pandemic from the perspective of realist, liberal, postcolonial, Marxist, feminist, constructivist and post-structuralist theory -Global actors: understand the significance of Black Lives Matter, Amnesty International or the International Monetary Fund. Spanning the development of global politics, from the early origins of globalization through to the return of multipolarity in the twenty-first century, this is an essential text for undergraduates studying global politics and international relations.

**A HISTORY OF POLITICAL THOUGHT**  
Oxford University Press, USA

**Pax indica : India and the world of the 21st century** Disha Publications

The most comprehensive overview of Indian politics to date, the companion incorporates the best social science knowledge available on the developments in Indian politics and provides an analytical perspective of how such issues are best understood.

**Global Politics** New India Publication Indian Political Thought: Themes and Thinkers covers all major Indian political thinkers from the ancient, through medieval to the modern times. Thus, this book provides an overview of the evolution of the Indian political thought

through different historical periods, giving an insight into the sociological and political conditions of the times that shaped the Indian political thinking. It does not only talk about the lives and times of the thinkers, but also explores the important themes that formed the basis of their political ideologies. The chapters discuss the contributions of the thinkers and at the same time examine some important themes including the theory of state, civil rights, ideal polity, governance, nationalism, democracy, social issues like gender and caste, swaraj, satyagraha, liberalism, constitutionalism, Marxism, socialism and Gandhism. With a comprehensive coverage of both the thinkers and the themes of the Indian political thought, this book caters to needs of the undergraduate as well as the post graduate courses of all Indian universities. It is valuable also for UGC-NET and civil service examinations.

*From Plassey to Partition* Pearson Education India

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing

analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

*UPSC IAS Mains Exam: General Studies Paper-1 Study Notes with Practice Question* Routledge

This lucidly written text, in its second edition, continues to provide a comprehensive study of the classical political tradition from Plato to Marx. The book elucidates the fascinating evolution of the history of political ideas, through the works of thirteen key political thinkers — which includes Plato, Aristotle, Machiavelli, Hegel and Marx. The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs. localism in the classical tradition. It focuses on the recent interpretations of the classical texts, for instance, feasibility of the ideal State in Plato; civic humanism and republicanism in Machiavelli; the radicalism of Locke, and the contributions to the woman's cause by John Stuart Mill. The text is intended for the undergraduate and postgraduate

students of Political Science of various universities, and for all those who are appearing for the civil services examinations. **NEW TO THIS EDITION :** Inclusion of two important liberal thinkers, Mary Wollstonecraft, the founder of liberal feminism, and Immanuel Kant, a de-ontological liberal. Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times, having played a crucial role in the revival of normative political theory.

Indian diplomacy, a veteran told Shashi Tharoor many years ago, is like the love-making of an elephant: it is conducted at a very high level, accompanied by much bellowing, and the results are not known for two years. In this lively, informative and insightful work, the award-winning author and parliamentarian brilliantly demonstrates how Indian diplomacy has become sprightlier since then and where it needs to focus in the 21st century. Explaining why foreign policy matters to an India focused on its own domestic transformation, Tharoor surveys the country's major international relationships, evokes its soft power and global responsibilities, analyses the workings of the Ministry of External Affairs and parliament and assesses the impact of public opinion on government policy. Indeed, Tharoor presents his ideas about a contemporary new grand

strategy for the nation, arguing that India must move beyond non-alignment to multi-alignment. This book sets out a clear vision of an India now ready to

assume global responsibility in the contemporary world. Pax Indica is another substantial achievement from one of our finest Indian authors.
